

Upcoming Construction Projects (Posted January 2022)

Orlando International Airport
Construction Department
11312 Terminal C Service
Road Orlando, FL 32824

The Greater Orlando Aviation Authority (GOAA) has an ongoing construction program and will be advertising for bids on various construction projects. This program includes both building construction and civil work at Orlando International Airport and Orlando Executive Airport. The construction values of the individual projects are estimated to be between \$300,000 and \$100 million.

For federally funded construction projects, GOAA has adopted a Disadvantaged Business Enterprise (DBE) policy. For non-federally funded construction projects, GOAA has adopted a Minority and Women Business Enterprise (MWBE) Policy, a Local Developing Business Enterprises (LDB) Policy, and a Veteran Business Enterprise (VBE) Policy. These participation goals will be established by GOAA on a project-by-project basis.

The below listed projects are scheduled to be advertised and/or bid during the next three months.

ORLANDO INTERNATIONAL AIRPORT (MCO)

SOUTH TERMINAL C PROGRAM

The Aviation Authority has embarked on a multi-year Capital Improvement Program for the construction of the South Terminal Complex at the Orlando International Airport. Construction of the South Terminal C Landside and Airside Terminal Facilities is underway with an anticipated completion date of 2022.

The Aviation Authority is utilizing the Construction Management at Risk (CM@R) procurement method for the construction of the South Terminal C Program. The two CM@R entities currently being utilized by the Aviation Authority are Hensel Phelps Construction, and Turner-Kiewit Joint Venture. The CM@R weblinks are provided on the Aviation Authority website at: <http://www.orlandoairports.net/airport-business/#business-opportunities>. Navigate to "Construction Opportunities" for the weblinks located under "Advertisements".
