

Upcoming Construction Projects (Posted June 2022)

Orlando International Airport
Construction Department
11312 Terminal C Service Road
Orlando, FL 32824

The Greater Orlando Aviation Authority (GOAA) has an ongoing construction program and will be advertising for bids on various construction projects. This program includes both building construction and civil work at Orlando International Airport and Orlando Executive Airport. The construction values of the individual projects are estimated to be between \$300,000 and \$350 million.

For federally funded construction projects, GOAA has adopted a Disadvantaged Business Enterprise (DBE) policy. For non-federally funded construction projects, GOAA has adopted a Minority and Women Business Enterprise (MWBE) Policy, a Local Developing Business Enterprises (LDB) Policy, and a Veteran Business Enterprise (VBE) Policy. These participation goals will be established by GOAA on a project-by-project basis.

The below listed projects are scheduled to be advertised and/or bid during the next three months.

ORLANDO INTERNATIONAL AIRPORT (MCO)

BP-S00195-MCO Terminal C Airside Concourse

CONSTRUCTION VALUE: Between \$150M and \$180M
ADVERTISE: June 2022 BIDS DUE: July 2022

PROJECT DESCRIPTION: Addition of four airside gates and related terminal areas to Terminal C, including, but not limited to, concrete, masonry, waterproofing, fireproofing, doors, frames and hardware, tile, resilient tile and carpet, fire suppression, plumbing and Heating, Ventilation, Air Conditioning (HVAC), electrical and low voltage work, elevators and an escalator at the Orlando International Airport.

MAJOR TRADES: Concrete Placement and Finishing; Heating, Ventilation, Air Conditioning (HVAC); Drywall/Acoustical; Electrical/Low Voltage; Electrical Lighting and Fixtures; Elevators/Escalators; Fire Protection/Security Systems; Floor Covering - Installation and Removal; Glass and Glazing - HVAC/Mechanical; Masonry; Mechanical; Metal Fabrication/Framing; Millwork/Finishes/Fixtures; Paint and Wall Covering; Plumbing; and, Roofing/Waterproofing.

BP-S00196-MCO Terminal C Airfield Civil, Apron and Taxiway Paving

CONSTRUCTION VALUE: Between \$30M and \$40M
ADVERTISE: June 2022 BIDS DUE: July 2022

PROJECT DESCRIPTION: Underground utilities on the ramp and airfield, including drainage, sanitary mains, water, and power work, for the expansion of Terminal C at the Orlando International Airport. Construction of all grading, base and pavement for ramp areas, Remain Over Night (RON) areas, taxiway extensions (Taxiway E1); construction of all pavement markings, taxiway signage, and airfield lighting required for the project while maintaining the function of the current airfield as coordinated with Airfield Operations; providing all maintenance of traffic to phase the work and maintain access needed for airfield operations; and maintaining the integrity of the secure fence at all times.

MAJOR TRADES: Airfield Construction; Airfield Lighting and Equipment; Asphalt Pavement; Concrete and Corrugated Metal Pipes; Concrete Pavement; Earthwork and Grading; Fencing; Painting and Striping; Signage; and, Utilities.
