

MCO

Official airport designator for Orlando International Airport (designator adopted from McCoy Air Force Base named after Colonel Michael McCoy)

Aviation Authority

The airport is operated and managed by the Greater Orlando Aviation Authority (GOAA) which consists of a seven-member board per below:

- Five appointed by the Governor of Florida
- Mayor of Orlando
- Mayor of Orange County

Land & Facilities

The airport property comprises 12,264 acres (4,963 hectares) making it the fourth largest airport by landmass in the United States. Features include:

- 4 Parallel North/South Runways
- 19,153 Paved Parking Spaces
- 7 Million Square Feet Under Roof
- Home to the **largest rental car market** in the world with most major rental companies on airport property
- Larger footprint than JFK, LAX, MIA airports combined.

Location

Centrally located within a two-hour drive of more than 60 percent of Florida's population. MCO is well positioned to support the region's dynamic economic growth.

Values

Service, Integrity, Efficiency, Excellence, Transparency

Mission

To seamlessly connect Florida and the world through expectational experiences, collaboration, and creativity.

Vision

Be the global leader in the evolution of mobility.

The \$2.8B Terminal C project features a unique, top-level customer arrival experience that showcases the essence of Central Florida; 100% automated screening lanes in TSA Checkpoint; fully integrated Rail-Air-Ground transportation; state-of-the-art amenities: a variety of dynamic shops, restaurants, club lounge facilities, and 15 additional gates.

MCO THROUGH THE DECADES

- 1975** Deed received by Orlando for surplus land for airport facility use following closure of McCoy Air Force Base in 1974; Special State of Florida legislative act created the Greater Orlando Aviation Authority (GOAA)
- 1976** Received international status; renamed Orlando International Airport (MCO)
- 1981** Completion of a new \$300 million MCO Terminal Complex, ranked 25th in passenger traffic in U.S. with 6 million passengers and 13 signatory airlines.
- 1985** B-52 Memorial Park is dedicated; first million passenger month in March; total 10 million for the year.
- 1989** Third parallel runway opened.
- 1990** Opened third airside terminal; new FIS concourse increased capacity to 2,000 international passengers per hour.
- 2000** Rated No.1 Airport in North America by J.D. Power & Associates; fourth airside terminal opened.
- 2002** Opened 345-foot Air Traffic Control tower. (tallest in U.S. at the time, now ranked 5th)
- 2003** Fourth parallel runway added; Flight Safety International Simulation facility opened.
- 2007** World's largest passenger plane, the A-380, made first southeast U.S. landing; full employee security screening begins.
- 2012** \$470 million Automated People Mover (APM) Complex proposed; Installation of Veterans Memorial.
- 2013** The Col. Joe Kittinger Award started to honor U.S. Veterans; \$1.1B Capital Improvement Plan announced.
- 2015** Construction begins on new APM South Complex & Intermodal Terminal Facility; Customer Service Department/Program started; passenger traffic record 38.8M; Board approves initiating design of South Terminal.
- 2016** GOAA Board approved construction of South Terminal "C" Phase 1; New USO opens on "A" terminal first level; annual passenger traffic record 41.9 million; MCO ranks 14th in nation & 43rd in world in passenger volume.
- 2017** New Intermodal Terminal Facility/Automated People Mover (ITF/APM) complex opens; 2,400 space parking garage "C" opens; Annie the Astronaut digital ambassador introduced; annual passenger traffic surpasses 44 million; MCO hosts Puerto Rico hurricane Maria relief center; MCO ranked by J.D. Power Highest in Customer Satisfaction for Mega Airports.
- 2018** MCO becomes first airport in nation to employ entry-and-exit facial recognition biometric technology for international travelers; MCO wins second consecutive J.D. Power Highest in Customer Satisfaction for Mega Airports award; GOAA signs 50-year land use deal.
- 2019** MCO surpasses 50 million passengers; Paw Pilots comfort dog program begins; MCO becomes first airport in world to receive EMAP Accreditation for emergency planning.
- 2021** MCO rebounds from COVID-19 global pandemic with 40.3 million annual passengers. New service to London Heathrow and Hawaii.
- 2022** Orlando International surpasses 50 million passengers for the second time in airport history. \$2.8B Terminal C opens to public with 15 new gates and state-of-the-art baggage system.
- 2023** Launch of Brightline. The only high-speed inter-city rail service to operate from an airport in the U.S. connecting Orlando to Miami and S. Florida.
