Re: Request for Approval of an Addendum to the Continuing Program and Project Management Services Agreement with Geotech Consultants International, Inc., dba GCI Inc. to provide Construction Phase OAR Services for H-356 MCO Guardrail Repairs 2022/2023, Orlando International Airport

We have reviewed the qualifications of the subject contract's MWBE/LDB/VBE specifications and determined that, due to the limited scope of the services to be provided, Geotech Consultants International, Inc., dba GCI, Inc. does not propose small business participation on this addendum.

Our analysis indicates that Geotech Consultants International, Inc., dba GCI, Inc. is eligible for award of the subject addendum.
