International Flight Arrival Guide

Welcome to Orlando International Airport (MCO)

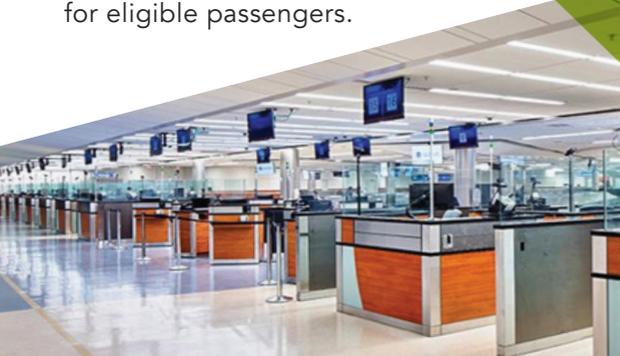

1

Upon exiting the aircraft you will be required to clear U.S. Customs & Immigration. Please have your passport and any required documents available for inspection.

Biometric screening technology is used to expedite clearance through customs and immigration. Global Entry kiosks and the CBP Mobile Passport App are also available for eligible passengers.

2

3

After clearing customs and immigration, claim your baggage from the baggage carousel then proceed to the exit.

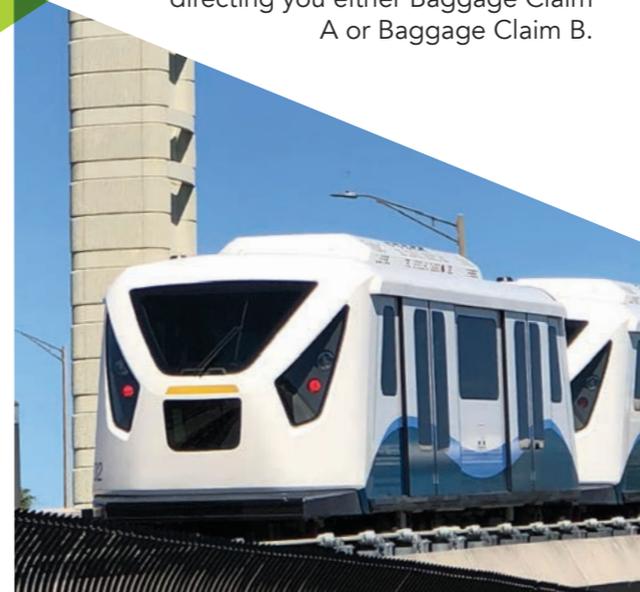

4

After exiting customs and immigration either keep your checked bags with you, or have them transferred to the main terminal, then proceed up to the APM station.

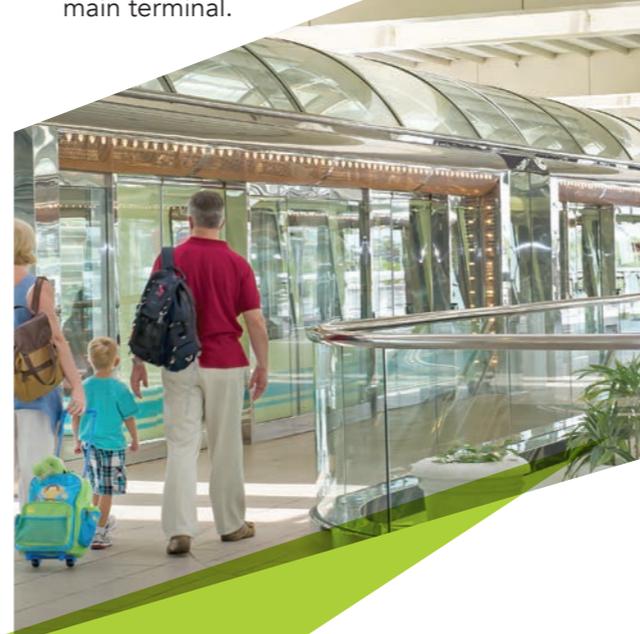

6

The ride to the main terminal takes just over one minute. Pay attention to the signage and announcements directing you either Baggage Claim A or Baggage Claim B.

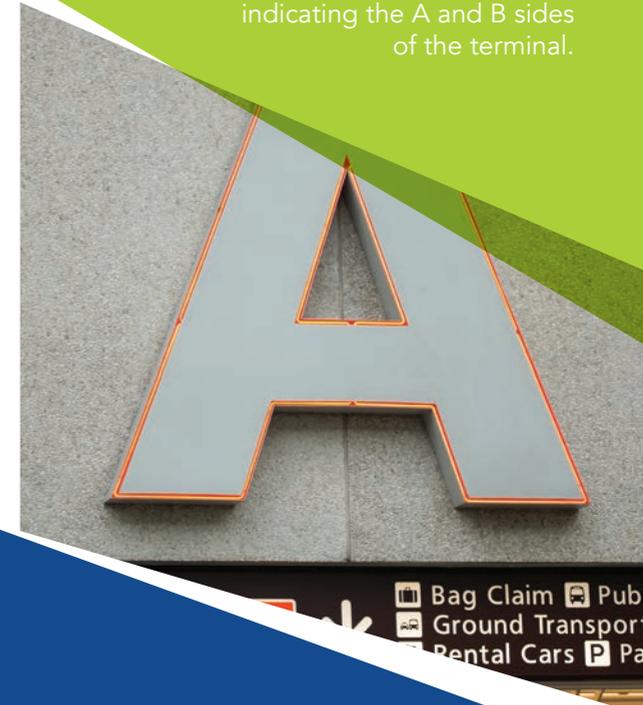

5

Take the escalator or stairs up one level and board the Automated People Mover (APM) to the main terminal.

7

Upon arrival on Level 3 of the main terminal, look for the large illuminated letters indicating the A and B sides of the terminal.

8

Take the stairs, escalator or elevator down to Level 2 or Level 1 for baggage claim and ground transportation.
