

Upcoming Construction Projects

(Posted January 2024)

The Greater Orlando Aviation Authority (GOAA) has an ongoing construction program and will be advertising for bids on various construction projects. This program includes both building construction and civil work at Orlando International Airport and Orlando Executive Airport.

For federally funded construction projects, GOAA has adopted the Disadvantaged Business Enterprise (DBE) policy. For non-federally funded construction projects, GOAA has adopted the Minority and Women Business Enterprise (MWBE) Policy, the Local Developing Business Enterprises (LDB) Policy, and the Veteran Business Enterprise (VBE) Policy. Participation goals will be established by GOAA on a project-by-project basis.

The below listed projects are scheduled to be advertised and/or bid during the next three months.

ORLANDO INTERNATIONAL AIRPORT (MCO)

TERMINAL C COMPLEX

The Aviation Authority has embarked on a multi-year Capital Improvement Program for the construction of the Terminal C Complex at the Orlando International Airport. Construction of the Terminal C Landside and Airside Terminal Facilities is underway with a Phase 1/Phase 1 Expansion completion date of 2025.

Currently, there are no projects scheduled to be publicly advertised or bid during the next three months.

TERMINALS A AND B COMPLEX

Currently, there are no projects scheduled to be publicly advertised or bid during the next three months.

ORLANDO EXECUTIVE AIRPORT (ORL)

Currently, there are no projects scheduled to be publicly advertised or bid during the next three months.
