Subject: H-S00029 OAR Construction Services
Orlando International Airport

Dear Mr. Shedek:

AECOM is pleased to submit this proposal to provide additional Construction services for projects defined by the Vice President of Construction at the Orlando International Airport. This proposal has been prepared based on our understanding of the following scope of work: additional construction services staffing for the H-S00029 Airfield Civil Restart Enabling Work.

AECOM Technical Services, Inc. hours are proposed for charges incurred for Project Management Services that will include but not be limited to, providing assistance to the GOAA staff in the areas of construction project inspection, contract administration, and construction coordination.

This Task will be an Addendum to AECOM's Continuing Program and Project Management Services, dated July 12, 2022. This work will be billed as a Not-to-Exceed amount of \$78,192.00 and will commence on September 1, 2023.

The services for this project will be performed in accordance with the provisions of GOAA's standard agreement for professional services and as indicated in the attached project schedule showing the proposed staffing levels for the duration of the project.

We appreciate the opportunity to present this proposal and we look forward to working with GOAA on these important construction staff services. Should you have any questions or if we may be of further assistance, do not hesitate to contact the undersigned.

Sincerely,

Ross Spence
Vice President
AECOM Technical Services, Inc.
