Ms. Marie Dennis
Deputy Chief Financial Officer
Greater Orlando Aviation Authority
5850 Cargo Road
Orlando FL 32814

Dear Ms. Dennis:

Anser Advisory Consulting, LLC (AAC) is pleased to submit this proposal to provide FY 25 staff extension services in support of the Construction Finance Department.

This position is to provide extension of staff services to the Authority's Construction Finance department in its efforts to accommodate construction activities relating to the ongoing construction programs. Duties of this staff include CFOC preparation support, contract set up in Authority's financial system, invoicing processing, purchase order set up, and other construction finance duties as assigned.

Our estimated effort totals a not-to-exceed amount of \$292,320.00 with an estimate of hours and billing rates provided in Exhibit 1 and covers the period from October 1, 2024, through September 30, 2025.

AAC does not propose any MWBE participation for these support services due to the specific nature of the proposed services.

We appreciate the opportunity to present this proposal and look forward with working with the Authority on this important project. Should you have any questions or if we may be of further assistance, please do not hesitate to contact me at (907) 360-0737.

Sincerely,

TRUTH IN NEGOTIATION CERTIFICATION

The Consultant hereby certifies, covenants, and warrants that wage rates and other factual unit costs supporting the compensation for this project's agreement are accurate, complete, and current at the time of contracting.

The Consultant further agrees that the original agreement price and any additions thereto shall be adjusted to exclude any significant sums by which the Aviation Authority determines the agreement price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs. All such agreement adjustments shall be made within (1) year following the end of the contract. For purposes of this certificate, the end of the agreement shall be deemed to be the date of final billing or acceptance of the work by the Aviation Authority, whichever is later.

- Assist with agenda and minutes;
- Assist with contract, purchase order and invoice processing using specified software programs; and,
- Assist with budget planning and tracking, creation of projects and completion of project control forms.

Category 6: Audit and Advisory Services:

- Perform audits of engineering and construction contracts, upon request; and,
- Provide advisory services regarding best practices and process improvements.

Under any category, the Services may also include financial, audit, accounting, and other oversight services in support of emergency or disaster recovery efforts, assisting the construction department and legal counsel on construction claims reviews, dispute review board proceedings, legal proceedings, advisory services regarding best practices and process improvements, and any other extension of staff duties as requested to support the Aviation Authority.

Services may be awarded to any of the five selected firms; however, the specific services must be awarded per category to the firm(s) that proposed under the specific category.

ISSUES

On August 27, 2024, the Construction Committee (CC) recommended approval of the following addenda on the above-referenced agreement with Anser:

- Fiscal Year (FY) 2025 Staff Extension Support Services to the Construction Finance Department for the total not-to-exceed fees amount of \$292,320, with funding from Operations and Maintenance Funds (subject to adoption of the FY 2025 Aviation Authority Budget by the Aviation Authority Board, under separate item). These services will provide extension of staff services to the Construction Finance Department in its efforts to accommodate construction activities relating to ongoing construction programs; and other related services. Services will be provided from October 1, 2024, through September 30, 2025. The Aviation Authority has reviewed the proposal from Anser, and determined that Anser does not propose any small business participation on this addendum because of the specific nature of the services to be provided. The Small Business Development Department certifies that Anser is in good standing as it relates to its small business participation on those addenda on which small business participation is required in its professional services agreement. *[Reference CC Meeting held August 27, 2024, Agenda Item No. 4-J].*
- FY 2025 CIP and CIR Support Services to the Engineering and Construction Departments for the total not-to-exceed fees amount of \$983,604, with funding from Operations and Maintenance Funds (subject to adoption of the FY 2025 Aviation Authority Budget by the Aviation Authority Board, under separate item). These services will provide, but are not limited to, CIP support and CIR review services; Aviation Authority executive management with a single point resource for all capital program development analyses, project definitions, and capital plan updates; support to the Aviation Authority's ongoing capital activity, bond issues, and other strategic activities; maintenance of the CIP data, review of project scope, preparation of scenario analysis, process development activities for updating the CIP; review services in support of the annual CIP and Renewal and Replacement (R&R) project process including scope definition, cost estimate validation, and funding eligibility determinations; and all other related services. Services will be provided from October 1, 2024, through September 30, 2025. The Aviation Authority has reviewed the proposal from Anser, and determined that Anser proposes 24.5% Minority and Women Business Enterprise (MWBE)/Local Developing Business (LDB)/Veteran Business Enterprise (VBE) participation on this addendum, and certifies that Anser is in good standing as it relates to its small business participation. *[Reference CC Meeting held August 27, 2024, Agenda Item No. 4-K].*
- FY 2025 Financial Consulting on Construction, Maintenance, Environmental and Other Projects to the Finance Department for the total not-to-exceed fees amount of \$2,183,708, with funding from FDOT Grants to the extent eligible, Passenger Facility Charges to the extent eligible, Customer Facility Charges to

the extent eligible, General Airport Revenue Bonds, and Operations and Maintenance Funds (subject to adoption of the FY 2025 Aviation Authority Budget by the Aviation Authority Board, under separate item). These services will provide, but are not limited to, support to Finance in support of the Aviation Authority's CIP activities at MCO and ORL. These services will include, but are not limited to, the review of all items presented before the Aviation Authority's Construction Finance Oversight Committee; applicable funding eligibility reviews and financial analyses to include cash flow, commitments and funding projections; development of project control budgets and funding plans; attendance and agenda preparation of applicable committees; and other related services. Services will be provided from October 1, 2024, through September 30, 2025. The Aviation Authority has reviewed the proposal from Anser, and determined that Anser does not propose any small business participation on this addendum because of the specific nature of the services to be provided. The Small Business Development Department certifies that Anser is in good standing as it relates to its small business participation on those addenda on which small business participation is required in its professional services agreement. *[Reference CC Meeting held August 27, 2024, Agenda Item No. 4-L].*

- FY 2025 Construction Payment Application and Invoice Review Services to the Construction Finance Department for the total not-to-exceed fees amount of \$2,565,912, with funding from FDOT Grants to the extent eligible, Passenger Facility Charges to the extent eligible, Customer Facility Charges to the extent eligible, General Airport Revenue Bonds, and Operations and Maintenance Funds (subject to adoption of the FY 2025 Aviation Authority Budget by the Aviation Authority Board, under separate item). These services will include, but are not limited to, contract, cost and funding compliance reviews of design and construction-related billings in support of the capital projects; and all other related services. Services will be provided from October 1, 2024, through September 30, 2025. The Aviation Authority has reviewed the proposal from Anser, and determined that Anser proposes 30.4% MWBE/LDB/VBE participation on this addendum, and certifies that Anser is in good standing as it relates to its small business participation. *[Reference CC Meeting held August 27, 2024, Agenda Item No. 4-M].*
- FY 2025 Financial Consulting on Construction, Maintenance, Environmental and Other Projects to the Construction and Engineering Departments, for the total not-to-exceed fees amount of \$3,098,964, with funding from FDOT Grants to the extent eligible, Passenger Facility Charges to the extent eligible, Customer Facility Charges to the extent eligible, General Airport Revenue Bonds, and Operations and Maintenance Funds (subject to adoption of the FY 2025 Aviation Authority Budget by the Aviation Authority Board, under separate item). Services will include, but are not limited to, support to the Construction and Engineering Departments in support of the Aviation Authority's CIP activities at MCO and ORL, and consist of compliance support services of the Aviation Authority, including the Construction Committee and Aviation Authority Board; review of construction contract award and professional services fee proposals for contract compliance; perform independent third-party reviews of change orders and professional services fee agreement addenda/amendments prior to submission to the Aviation Authority's Construction Committee; perform independent fee estimates for federally-funded projects and reviews for Davis-Bacon wage rate compliance on AIP and other federally-funded projects; verify funding sources and prepare funding eligibility on federal, state and other funding sources; develop and update EACs for active capital construction projects and report on EAC information; prepare cost statistics reports and executive reports, including management reports, cost reports and KPI reports; and all other services requested by the Construction and Engineering Departments. Services will be provided from October 1, 2024, through September 30, 2025. The Aviation Authority has reviewed the proposal from Anser, and determined that Anser proposes 20.6% MWBE/LDB/VBE participation on this addendum, and certifies that Anser is in good standing as it relates to its small business participation. *[Reference CC Meeting held August 27, 2024, Agenda Item No. 4-N].*
