Re: V-976 Smart Restrooms – ADD01 REVISED

File: L94.020.001

Tuan,

Jim Pancoast advised us that the restrooms intended for the pilot program have been re-selected to be the following restrooms located on the third level:

1. Men's NTLS ZSC 03 8630
2. Women's NTLS ZSW 03 7916

C&S had previously submitted permit-ready construction documents dated March 3, 2023. This letter outlines the additional efforts associated with this work.

SCOPE OF SERVICES

C&S will provide the following services:

1. Visit the location of the new restrooms and confirm number of fixtures/accessories to be included in the scope
2. Coordinate with GOAA I.T. staff to identify the nearest IDF room to route network infrastructure back to.
3. Revise the existing drawings to include information reflective of the new restrooms and associated I.T. infrastructure.
4. Attend (1) virtual review meeting with GOAA stakeholders and technology specialists.
5. Provide electronically signed drawings and specifications manual for construction implementation.

CONSTRUCTION ADMINISTRATION SERVICES

Excluded from this effort

PROJECT APPROACH & DELIVERY

C&S will approach the project in the key phases tabulated below. C&S acknowledges the importance of the Project Schedule to the Client and agrees to put forth reasonable efforts in performing the services under this proposal with due diligence in a manner consistent with the durations listed below. The Client agrees that C&S' performance must be governed by sound professional practices. The Project Schedule shall be equitably adjusted as the project progresses, allowing for changes in scope caused by unknown conditions, character or size of the project as verbally requested or in-writing by the Client and/or for delays or other causes beyond C&S' reasonable control.

PHASE	DURATION	DELIVERABLE(S) / SERVICES
Design Revisions	3 weeks	<ul style="list-style-type: none">• Site Walk• Review Meeting• Submit electronically signed drawings

The Client agrees that C&S is not responsible for the Project Schedule or damages arising directly or indirectly from any delays for causes beyond C&S' control. For purposes of this proposal; such causes include but are not limited to the accuracy of the information provided by the Owner, the Owner's representative and/or others, the Client, the failure of performance by the Client, the Client's representative, the Municipalities having jurisdiction over the project, all unknown conditions, emergencies, security and / or acts of God.

ASSUMPTIONS

1. It is assumed that the pre-designed I.T. decisions and infrastructure selections remain as-is.
2. It is assumed that a GOAA IDF room exists within proximity to the new restrooms.
3. It is assumed there is a janitorial closet for the smart restrooms panel to be located

EXCLUSIONS / ADDITIONAL SERVICES

Additional scope items will be handled on a case-by-case basis and will incur additional fees. At a minimum, the following items are excluded from the scope of work:

1. All services not explicitly discussed herein are excluded from these efforts.
2. Re-selection and/or reconfiguration of sensors, hardware, and other components are excluded from this effort.
3. Start-up, training, and vendor coordination are excluded from our efforts. GOAA will work directly with Trax Analytics to perform these functions.

SCHEDULE OF FEES

We propose to offer the services outlined above, on a LUMP SUM basis of **\$5,534** for this effort.

The terms and conditions governing the performance of and payment for our services proposed herein, including respective responsibilities and other pertinent matters, are set forth in the Terms and Conditions associated with our C&S' MEP Master Services Agreement with GOAA, dated September 19, 2017.

We are very much looking forward to help GOAA implement this system into the restrooms! If you have any questions or require additional information, please do not hesitate to contact us.

REIMBURSABLE EXPENSES

NO REIMBURSEABLE EXPENSES EXPECTED FOR THIS SCOPE

A complete breakdown of estimated reimbursable expenses, if any, which will be compensated on a not to exceed reimbursable basis, shall be included in this section. The Consultant may use any format for this breakdown, provided that it clearly defines the basis for the not to exceed amount. A breakdown of each subconsultant's expenses is also required.

MEMORANDUM

To: Members of the Construction Committee

From: Edelis Molina, Sr. Small Business Administrator

Date: July 11, 2023

Re: Request for Approval of an Amendment to Addendum 19 to the Continuing MEP Engineering Services Agreement with C&S Engineers, Inc. for Additional Design Services for V-00976 Smart Restroom Pilot Project, Orlando International Airport

We have reviewed the qualifications of the subject contract's MWBE/LDB/VBE specifications and determined that, due to the limited and specialized scope of the services to be provided, C&S Engineers, Inc. does not propose small business participation on this amendment.

Our analysis indicates that C&S Engineers, Inc. is eligible for award of the subject amendment.
