Each firm’s base agreement expires as follows:

To maintain these services on an as-needed basis for routine operations of the Aviation Authority, staff requires the services of the above-referenced firms. All eight firms were requested to provide their concurrence to exercise the first one-year renewal option (copies of which are attached).

It is requested that the Construction Committee recommend to the Aviation Authority Board approval of a No-cost Addendum to each of the Continuing Environmental Consulting Services Agreements with the firms listed above to extend each agreement for one year from the current expiration date.
