MEMORANDUM

TO: Members of the Aviation Authority

FROM: Marquez A. Griffin, Chair, Procurement Committee

DATE: September 18, 2024

ITEM DESCRIPTION

Recommendation of the Procurement Committee to Approve Multiple Addenda to the Continuing Program and Project Management Services Agreement with Geotech Consultants International, Inc. dba GCI, Inc. (GCI) at the Orlando International Airport (MCO)

BACKGROUND

On May 18, 2022, the Aviation Authority Board approved Continuing Program and Project Management Services Agreements with the following firms, following a competitive award process in compliance with state statutes and Aviation Authority policies:

- AECOM Technical Services, Inc.
- Cost Management, Inc. dba CMI (*MWBE*)
- Geotech Consultants International, Inc. dba GCI, Inc. (*MWBE*)
- PSA Constructors, Inc. dba PSA Management, Inc. (*MWBE/LDB*)
- The Roderick Group, Inc. dba Ardmore Roderick (*MWBE*)
- WSP USA, Inc.

The agreements are structured as a no-cost base agreement with negotiated hourly rates. Services that are within the advertised scope are negotiated on an as-needed or annual basis, and awarded as addenda to the base agreement. The terms of the agreements shall be for a period of three years with optional renewal periods of two additional one-year terms, to be exercised at the discretion of the Aviation Authority and accepted by both parties.

Scope includes all services necessary for the management of the design and construction of both individual projects and programs, consisting of two or more individual projects, including the management of design from planning and conceptual design phase through detailed design, bidding and award of construction contracts; development of design criteria documents, and management of design/build contracts; management of the construction and commissioning of projects, including performing as the Owner's Authorized Representative (OAR); providing material testing, quantity surveying, construction inspection, construction safety compliance inspection, and other services required to verify compliance of construction with contract documents; providing cost estimating, cost control, scheduling, progress reporting, and planning services to support both design and construction activities; negotiations of contracts for program and project related professional and construction services required from the Aviation Authority's other consultants and contractors; coordination of the activities of multiple consultants and contractors onsite; and all other related services, which may be required to accomplish the planning, funding, design, bidding and award, construction, commissioning and operation of projects and programs for the Aviation Authority's existing and future facilities.

A summary of previously-approved addenda, and applicable amendments, to the Continuing Program and Project Management Services Agreement with GCI can be provided upon request.

The Procurement Committee (PC) recommended approval of the addenda to the above-referenced agreement, as follows:

- Fiscal Year (FY) 2025 Staff Extension Services for Safety Management Support to the Construction Department at MCO, for the total not-to-exceed fees amount of \$224,930, with funding from Operations and Maintenance Funds (subject to adoption of the FY 2025 Aviation Authority Budget by the Aviation Authority Board, under separate item). The Aviation Authority has reviewed the proposal from GCI, and determined that GCI does not propose any small business participation on this Addendum as the services being provided are onsite staffing support, and certifies that GCI is in good standing as it relates to its small business participation as required in its professional services agreement. *[Reference PC Meeting held September 3, 2024, Agenda Item No. 3-X].*
- FY 2025 Staff Extension Services to Airline Relations at MCO, for the total not-to-exceed fees amount of \$549,148, with funding from Operation and Maintenance Funds (subject to adoption of the FY 2025 Aviation Authority Budget by the Aviation Authority Board, under separate item).
