(the "Rent Commencement Date"), Tenant covenants and agrees to pay Landlord base rent ("Base Rent") as set forth in Section 1.H and additional rent ("Additional Rent") as set forth in Section 1.L. This is payable on the first day of each calendar month in monthly installments without notice, deduction or set-offs. "Sales tax" means all Florida state, county, and/or municipal sales, use, or similar taxes, and surcharges and all other local option surtaxes and/or surcharges assessed upon or in relation to Base Rent, Additional Rent and all other sums of money or considerations due and payable to Landlord by Tenant or any other person who is occupying, using, or entitled to use the Demised Premises at the tax rates in effect from time to time during the Lease Term together with interest and penalties thereon, if any. The first rental payment amount hereunder shall include, in addition to one full month's advance rent, a prorated amount applicable to the period from the Rent Commencement Date to the first day of the following month if the Rent Commencement Date is other than the first day of the month. If the Rent Commencement Date is other than the first day of the month, the annual increases in Base Rent as provided in this Lease shall occur on the anniversary of the first (1st) day of the following month. In addition, simultaneously with the execution of this Lease, Tenant shall deliver to Landlord the Prepaid Rent as set forth in Section 1.K.

b. Tenant shall promptly pay all Rent and other charges due hereunder and render all statements herein prescribed at the office of the Landlord or Landlord's agent, payable to Greater Orlando Aviation Authority, c/o Stiles Accounting Department, 201 East Las Olas Boulevard, Suite

1200, Fort Lauderdale, Florida 33301, or to such other person or corporation, or at such other place as shall be designated by Landlord in writing, on or before the designated due date. If Landlord shall pay any monies or incur any expenses in correction of any violation of any covenant of Tenant herein set forth, the amounts so paid or incurred shall, at Landlord's option and on notice to Tenant, be considered Additional Rent (as such term is hereinafter defined) payable by Tenant with the first installment of Rent thereafter to become due and payable and may be collected or enforced as by law provided in respect of rentals. Tenant further agrees that the late charge imposed is fair and reasonable, complies with all laws, regulations and statutes, and constitutes an agreement between Landlord and Tenant as to the estimated compensation for costs and administrative expenses incurred by Landlord due to the late payment of Rent by Tenant. Tenant further agrees that the late charge assessed pursuant to this Lease is not interest, and the late charge assessed does not constitute a lender or borrower/creditor relationship between Landlord and Tenant, and shall be treated by Landlord as Additional Rent owed by Tenant.

c. Intentionally deleted.

8. SECURITY DEPOSIT

a. Simultaneously with the execution of this Lease, the Tenant shall deposit with the Landlord the Security Deposit as set forth in Section 1.J. to be held as collateral security for the payment of any Rent, Additional Rent and any other amounts payable by Tenant under this Lease, and for the faithful performance of all other covenants and agreements of Tenant hereunder; the amount of Security Deposit, without interest, to be repaid to Tenant after the termination of this Lease and any renewal thereof, provided Tenant shall have made all such payments, and performed all such covenants and agreements. Upon any default by Tenant hereunder, all or part of the Security Deposit may, at Landlord's sole option, be applied on account of such default, and thereafter Tenant shall within five (5) business days restore the resulting deficiency in the Security Deposit. Should Landlord retain said deposit on account of default, the deposit shall in no way be construed as liquidated damages, and Landlord reserves its right to seek any additional damages sustained from default by Tenant.

b. Landlord may deliver the funds deposited hereunder by Tenant to the purchaser of Landlord's interest in the Demised Premises in the event that such interest be sold and thereupon Landlord shall be discharged from any further liability with respect to such deposit, and this provision shall also apply to any subsequent transfers.

9. TENANT'S PROPORTIONATE SHARE

For purposes of this Lease, Tenant's Proportionate Share, which is set forth in Section 1.M. hereinabove, shall be determined by dividing the gross floor area of the Demised Premises by the gross leasable ground floor area of all of the buildings owned by Landlord in the Shopping Center, as the same may be increased or decreased from time to time.

10. ADDITIONAL RENT

For the purpose of this Lease, Tenant's Proportionate Share of Landlord's Operating Costs of Common Areas, Taxes, Common Area utilities and Insurance and any other monetary obligations due under the Lease, shall sometimes be collectively referred to as "Additional Rent." The Base Rent and Additional Rent shall herein sometimes be collectively referred to as the "Rent".

11. COMMON AREA AND FACILITIES

a. All Common Areas, as defined in Section 2.c., shall at all times be subject to the exclusive control and management of Landlord, and Landlord shall have the right from time to time to

change the area, level, location and arrangement of such Common Areas to restrict parking by tenants and their employees to employee parking areas, and to make rules and regulations pertaining to and necessary for the proper operation and maintenance of the Common Areas. Landlord shall also have the right from time to time to establish, change, alter, amend, and enforce against Tenant and other users of the Common Areas such reasonable rules and regulations (including the right to restrict the areas within which Tenant's employees may park) as in its opinion are necessary or advisable for the proper and efficient operation and maintenance of the Common Areas. The rules and regulations may include, without limitation, the hours during which the Common Areas shall be open for use.

b. In addition to the Base Rent set forth in Section 7.a. above, Tenant will pay to Landlord as Additional Rent hereunder Tenant's Proportionate Share of all Operating Costs of Common Areas as defined in Section 11.c. below.

c. For the purpose of this Section 11, Landlord's operating cost of Common Areas is deemed to include all costs and expenses incurred by Landlord in managing, operating, maintaining, repairing and securing the Common Areas, including, but not limited to, gardening and landscape maintenance, provision of storm water retention, water, sewer service charge, electricity and other utilities, parking area maintenance and repairs (including striping, cleaning, sweeping and resurfacing), the cost of public liability, property damage, fire, flood, windstorms, extended coverage and liability casualty insurance, any and all insurance deductibles, lighting, sanitary control, removal of trash, rubbish, garbage and other refuse from the Common Areas, advertising and promotions, rental for or depreciation on machinery and equipment used in maintenance, payroll taxes, cost of workmen's compensation and any other insurance carried on or with respect to the Shopping Center, operation of loudspeaker and music systems, management fee, reserves, any dues, fees, or amounts paid under easements or other recorded agreements including any Common Area Agreements, affecting the Shopping Center, and the cost of all personnel necessary to implement the foregoing services and necessary to police, control traffic, supply security service, and to maintain and to operate all of the facilities constituting a part of the Common Areas, and any other costs payable under the provisions of this Lease (collectively "Operating Costs").

d. The annual charge shall be computed on the basis of periods of twelve (12) consecutive calendar months as designated by Landlord, and shall be paid by Tenant in equal installments on or before the first day of each calendar month in an amount estimated by Landlord. If there shall be any increase or decrease in the Operating Costs for any year, whether during or after such year, Landlord shall furnish to Tenant a revised budget and the estimated Operating Cost payments by Tenant shall be adjusted and paid or credited, as the case may be. Within one hundred twenty (120) days after the end of such twelve (12) month period, Landlord will furnish to Tenant a statement showing in reasonable detail the amount of Landlord's actual Operating Costs for the preceding period. Tenant shall either receive a credit or be assessed an additional sum based upon the difference between Tenant's Proportionate Share of Landlord's actual Operating Costs and the estimated payment received by Landlord from Tenant during said year. Any additional sum owed by Tenant to Landlord shall be paid within ten (10) business days of receipt of assessment. Any refund owed by Landlord to Tenant shall be credited toward Tenant's next month's rental payment. Landlord's failure or delay in providing such statement within such one hundred twenty (120) day period shall in no way excuse Tenant from its obligation to pay its Proportionate Share of Common Area Operating Costs in accordance with this Section 8.d.

12. PUBLIC UTILITIES

In addition to all rentals herein specified, Tenant shall pay for all utilities, including dumpster service, in connection with the Demised Premises, and all sewer charges, as and when the charges therefore shall become due and payable. Furthermore, it shall be expressly understood that Landlord shall be responsible for paying only those utility and traffic impact fees attributable to use of the Demised Premises as a standard dry retail use (as opposed to a restaurant, laundry, hair salon or other

use which consumes excess water) imposed in connection with the initial development of the Shopping Center. If Tenant's use of the Demised Premises or any improvements thereto require the payment of additional utility or traffic impact fees, Tenant is solely responsible for such additional fees. Tenant shall reimburse Landlord, on a monthly basis, within fifteen (15) days following the date of Landlord's invoice, for the following: (i) the cost of water consumed within the Demised Premises; and (ii) Tenant's pro rata share of the cost of dumpster service as allocated by Landlord based upon the number of tenants utilizing the dumpster and taking into consideration the amount of trash generated by such tenants. Landlord will make the allocations of dumpster service in good faith. If provision is made by the Landlord for trash removal by a contractor, the Tenant agrees to use said contractor for its trash removal and to pay when due (either directly to such contractor or indirectly through the Landlord) all charges at the rate established therefor from time to time. The Landlord reserves the right to charge the Tenant for the cost of any extraordinary trash or garbage removal required by the Tenant, including such removal as may be required in connection with the commencement or termination of Tenant's business in the Demised Premises. Tenant's electric service shall be separately metered and paid directly by Tenant to the utility providing such service. In the event Tenant's use of the Demised Premises requires electrical capacity in excess of that available to the Demised Premises, Tenant shall be responsible for any costs incurred by Landlord to upgrade the electrical service for the Building to accommodate Tenant's excessive electrical consumption.

13. TAXES

As used herein, the term "Taxes" shall mean and include all real estate taxes, any other taxes, assessments, special assessment or district taxes or assessments, license and permit fees, municipal service fees, charges for any easement maintained for the benefit of the Demised Premises be levied, assessed, or imposed in connection with the use, occupancy or possession of, or become due and payable out of, or for, the entire Shopping Center or any part thereof, and any land, buildings or other improvements therein, including interest on installment payments and all costs and fees (including reasonable attorneys' fees) incurred by Landlord in contesting Taxes, assessments and/or negotiating with public authorities with respect to the same.

Landlord shall pay or cause to be paid (subject to the provisions regarding contributions by Tenant herein set forth) all Taxes which may be levied, assessed or imposed by the lawful tax authorities against the land, buildings or other improvements in the entire Shopping Center. The official tax bill or bills, as the case may be, issued by such lawful taxing authorities shall be conclusive evidence as to the amount of any such tax (or installment thereof) levied, assessed or imposed upon the Shopping Center.

On or before the first day of each month during the Term of this Lease, as the same may be renewed or extended, Tenant shall pay to Landlord, as Additional Rent, 1/12 of its Proportionate Share of all Taxes levied, assessed or imposed upon the Shopping Center during each tax year. If on the first day of the month in question the amount of any Tax payable during the then current tax year shall not have been determined by the taxing authorities, then the amount payable by Tenant shall be based on a good faith estimate by Landlord.

14. INSURANCE

The Landlord will pay in the first instance all premiums for fire, flood, windstorms, terrorism, extended coverage, liability insurance upon the Shopping Center containing the Demised Premises, with respect to the Common Areas (collectively "Insurance"); provided, however, the foregoing is not a representation as to the type, amount or limits of coverage which Landlord shall maintain with respect to the Shopping Center. Tenant shall pay Tenant's Proportionate Share of such Insurance premiums, together with any insurance deductibles paid or incurred by Landlord as a result of an insurable event, in the same manner as Common Area Operating Costs set forth in Section 11 above.

15. REPAIRS

Landlord will keep the foundation, exterior walls and roof of the Demised Premises (excepting any work done by Tenant and excepting any plate glass, which are the responsibility of the Tenant) in proper repair, provided that in each case Tenant shall have given Landlord prior written notice of the necessity of such repairs. The cost of such repairs performed by Landlord shall be included in the Landlord's Operating Costs of Common Areas set forth in Section 11.c. of this Lease. Tenant will keep the interior of the Demised Premises, together with all interior walls, fixtures and all electrical, plumbing, heating, air conditioning and other mechanical equipment whether located within or on the roof of the Demised Premises, all doors, and all plate glass and door and window glass, in good order and proper repair at its own expense, using materials and labor of kind and quality equal to the original work, and will surrender the Demised Premises at the expiration or earlier termination of this Lease in as good condition as when received, excepting only deterioration caused by ordinary wear and tear and damage by fire or other casualty of the kind insured against in standard policies of fire insurance with extended coverage. Tenant shall be responsible for protecting the Demised Premises from all weather-related events, including hurricanes, and shall be responsible for the installation of hurricane protection over the plate glass and doors. The installation of any weather protection, such as hurricane shutters, shall be performed in accordance with Section 16. Except as herein provided, Landlord shall have no obligation to repair, maintain, replace, alter or modify the Demised Premises or any part thereof, or any plumbing, heating, electrical, air conditioning or other mechanical installation whether located within or on the roof of the Demised Premises. Under no circumstances shall Landlord be obligated to repair, replace or maintain any plate glass or door or window glass. In furtherance of Tenant's obligation to maintain, repair and replace heating, air conditioning and other mechanical equipment in or serving the Demised Premises, Tenant agrees to obtain and keep in full force during the Term of the Lease, or any renewal thereof, a maintenance, repair and service contract on such equipment with a contractor satisfactory and approved by Landlord, and to provide Landlord with a copy of same. In the event Tenant fails to do so, Landlord, at its discretion, may enter into a contract for the performance of maintenance, repair and service on the HVAC System serving Tenant's Demised Premises, the expense of which shall be paid by Tenant as Additional Rent.

Tenant, its agents, employees, or contractors shall not enter onto the roof of the Building without the express prior consent of Landlord or its Building Manager. Landlord specifically reserves the right to require Landlord's roofing contractor to perform any work required to be performed by Tenant with respect to any equipment on the roof of the Building or, with respect to the maintenance, repair or replacement of any HVAC equipment located on the roof of the Building. Landlord reserves the right to have an agent of its roofing contractor present during the performance of such work so that Landlord's roof warranty is in no way deemed invalid or void. Tenant shall cause its HVAC contract to include the foregoing requirement.

16. TENANT'S RIGHT TO MAKE ALTERATIONS

Tenant covenants and agrees that it will not apply for any permits, or make any alterations, improvements or additions to the Demised Premises, including storefronts, during the Term of this Lease or any extension thereof without first obtaining the written consent of the Landlord. Tenant will not cut or drill into, or secure any fixture, apparatus or equipment of any kind to any part of the Demised Premises without first obtaining the written consent of the Landlord. Landlord reserves the right to impose any rules and regulations it deems necessary upon Tenant with respect to the performance of any alterations to the Demised Premises. All alterations, improvements and additions made by Tenant as aforesaid shall remain upon the Demised Premises at the expiration or earlier termination of this Lease and shall become the property of Landlord, unless Landlord shall, prior to the termination of this Lease, have given written notice to Tenant to remove same, in which event, Tenant shall remove such alterations improvements and additions and restore the Demised Premises to the same good order and condition in which it was at the commencement of this Lease. Should Tenant fail to do so, Landlord

may do so, collecting, at Landlord's option, the cost and expense thereof from the Tenant as Additional Rent.

17. COVENANTS OF TENANT

a. Tenant covenants and agrees that it will perform all agreements herein expressed on its part to be performed, and that it will promptly, upon receipt of written notice of non-performance thereof, except for non-payment of Rent for which no notice is required, comply with the requirements of such notice within ten (10) days. Landlord shall have the right but not the obligation, upon ten (10) days prior written notice to Tenant (or without notice in case of emergency or in order to avoid any fine, penalty, or cost which may otherwise be imposed or incurred), to make any payment or perform any act required of Tenant under any provision in this Lease, and in exercising such right, to incur necessary and incidental costs and expenses, including reasonable attorney's fees. All payments made, and all costs and expenses incurred in connection with Landlord's exercise of the rights set forth herein, shall be reimbursed by Tenant within ten (10) days after receipt of a bill setting forth the amounts so expended, together with a service charge of fifteen (15%) percent of such amounts expended, as Additional Rent.

b. Tenant shall comply with any and all requirements of any public authorities, state or federal statutes, local laws, ordinances, or regulations and any matters of record including, but not limited to all maintenance, operation and/or operation easement agreements affecting the Demised Premises, Common Areas or the Shopping Center, applicable to Tenant or to the Demised Premises, and Tenant agrees to indemnify and hold Landlord harmless from penalties, fines, costs, expenses or damages resulting from Tenant's failure to do so.

c. Tenant leases the Premises subject to, and Tenant agrees to comply and to cause any subtenant or assignee hereunder to comply with all reasonable rules and regulations of Landlord in effect at the time of the execution of this Lease or at any time or times, and from time to time promulgated by Landlord, as Landlord in its sole discretion shall deem necessary in connection with the Demised Premises, the Shopping Center or the building of which the Demised Premises are a part. A copy of the Rules and Regulations are attached hereto as EXHIBIT J. Tenant leases the Premises subject to, and Tenant agrees to comply and to cause any subtenant or assignee hereunder to comply in all material respects with the required provisions set forth in EXHIBIT K, attached hereto and incorporated herein by this reference. During Tenant's occupancy of the Demised Premises to date, the Tenant has not been required to install a fire sprinkler system by an authority having jurisdiction ("AHJ"). If an AHJ requires Tenant to install a fire sprinkler system in the Demised Premises to comply with Section 13 of EXHIBIT K, and the cost of which exceeds Seventy Thousand and 00/100 Dollars (\$70,000.00), Tenant shall have the right to terminate this Lease unless Landlord agrees to reimburse Tenant for the excess amount. To exercise its right to terminate, Tenant shall provide Landlord with three (3) quotes from properly licensed and insured contractors to perform the necessary fire sprinkler work. Thereafter, the Landlord shall have forty-five (45) days to notify Tenant of Landlord's election to pay the excess amounts to comply Section 13 of EXHIBIT K or accept Tenant's early termination of this Lease. Landlord's failure to timely respond shall be deemed an acceptance of Tenant's early termination. Additionally, Tenant has the right to contest any such order or notice with the AHJ. Upon acceptance of the early termination, Tenant shall vacate the Demised Premise within ninety (90) days or such earlier time as may be required by the AHJ. Tenant shall continue to timely pay Rent until Landlord accepts Tenant's early termination and Tenant actually vacates the Demised Premises. Tenant's failure to timely pay Rent, time being of the essence, shall operate as a forfeiture of Tenant's early termination right pursuant to this paragraph. Notwithstanding the foregoing, Tenant shall have no liability for the cost of installing a fire sprinkler system if the AHJ requires a fire sprinkler system in the Demised Premises solely as a direct result of Landlord making or approving renovations to the common areas of the Shopping Center or other tenants' premises. In such an event, Landlord shall, at Landlord's election, either install the required fire sprinkler system in the Demised Premises at Landlord's sole cost or reimburse Tenant the reasonable costs of installing the fire sprinkler system.

d. Tenant shall be responsible for and pay before delinquency all municipal, county or state taxes assessed during the Term of this Lease against any leasehold interest or personal property of any kind, owned by or placed in, upon or about the Demised Premises by Tenant.

Tenant will not exhibit, inscribe, paint or affix any sign, (neon or otherwise), advertisement, film, window tinting or graphics, notice or other lettering on any part of the outside of the Demised Premises or in the windows of the Demised Premises, or on the building of which the Demised Premises are a part, or inside the Demised Premises if visible from the outside, without first obtaining Landlord's written approval thereof. Tenant shall provide Landlord with detail sign shop drawings for all outside signage (such as façade, pylon, or window signage) for approval prior to fabrication/installation. Tenant shall install in accordance with this Lease, and upon Landlord's written approval of same, Tenant shall proceed to have such signage installed, which shall reflect only the Tenant's trade name and shall not include specification of merchandise sold or services rendered regardless of the Tenant's legal name. Tenant's signage must be installed no later than within ten (10) days of Tenant opening for business. Tenant shall comply with Landlord's Uniform Sign Plan attached hereto as EXHIBIT L, as may be amended from time to time, with respect to any signage installed within the Demised Premises or upon the Shopping Center. Tenant shall be responsible for providing electric service to the façade sign. Tenant further agrees to maintain such sign, lettering, etc., as may be approved by Landlord in good condition and repair at all times. Tenant, upon expiration or termination of this Lease, shall remove all signs which have been installed for the benefit of Tenant from the Demised Premises, including all outside signage and furthermore, Tenant shall be responsible to restore damaged areas to original condition.

19. RIGHTS OF LANDLORD

Landlord reserves the following rights with respect to the Demised Premises:

a. Upon reasonable prior notice to Tenant, by itself or its duly authorized agents, to go upon and inspect the Demised Premises and every part thereof and at its option to make repairs, alterations and additions to the Demised Premises or the building of which the Demised Premises are a part. Tenant shall have the right to have a representative present while Landlord or its agents are present in the Demised Premises. Notwithstanding the foregoing, Landlord is not required to notify Tenant before entering the Demised Premises in response to a condition which threatens the Demised Premises or the Building with imminent substantial damage or destruction or creates an imminent risk of personal injury.

b. To display a "For Rent" sign after notice from either party of intention to terminate this Lease, or at any time within six (6) months prior to the expiration of this Lease. All of such signs shall be placed upon such part of the Demised Premises as Landlord shall require, except on display windows or door leading into the Demised Premises. Prospective purchasers or tenants authorized by Landlord may inspect the Demised Premises at reasonable hours at any time.

c. To collect all rents, as well as any Additional Rent and any other charges due Landlord by Tenant, from any receiver, debtor in possession, or trustees which may be appointed for the account of Tenant.

d. Tenant agrees that Landlord shall have the right to relocate the Tenant to a different location within the Shopping Center provided that:

- i. Landlord gives Tenant thirty (30) days prior written notice;
- ii. The relocation premises shall contain similar square footage as the Demised Premises;

iii. Landlord shall provide improvements within the relocation premises substantially the same as the Demised Premises;

iv. Landlord shall reimburse Tenant for the reasonable and actual expenses associated with the relocation upon Landlord's receipt of invoices evidencing the same;

v. The terms and conditions of this Lease shall remain unchanged unless otherwise agreed by the parties; and

vi. Landlord shall use commercially reasonable efforts to minimize and/or avoid any disruption and/or suspension of Tenant's operations during the relocation.

e. To redevelop the Shopping Center either in whole or the majority of the land or buildings comprising the Shopping Center, and if so, Landlord may terminate this Lease on a date certain provided that Landlord gives Tenant no less than twelve (12) months prior written notice of the termination of this Lease.

20. DAMAGE TO PREMISES

If, during the Term hereof, the Demised Premises are damaged by reason of fire or other casualty, Tenant shall give immediate written notice thereof to Landlord, and Tenant shall repair the interior of the Demised Premises to substantially the same condition they were in immediately before said destruction. Should Tenant fail to do so, then Landlord shall have the right to do so at Tenant's expense, including utilizing Tenant's insurance proceeds, which Tenant shall assign to Landlord. Landlord shall restore the exterior of the Demised Premises to substantially the same condition they were in immediately before said destruction. If, in Landlord's reasonable opinion, the restoration can be accomplished within one hundred eighty (180) days following issuance of a building permit for reconstruction (of which Landlord shall use diligent efforts to obtain), such destruction shall not terminate this Lease, and this Lease shall continue in full force and effect. If, in Landlord's reasonable opinion, the restoration cannot be performed within such 180-day period, Landlord may terminate this Lease upon ten (10) days written notice to Tenant. Rent shall not be abated during the period in which the Demised Premises (or portion thereof on a prorated basis) are rendered untenable as a result of such damage. Should Landlord elect to terminate this Lease, the entire insurance proceeds shall be and remain the outright property of Landlord, subject to the prior rights of any mortgagee and except any proceeds received from Tenant's insurance for Tenant's property, or proceeds received from Tenant's business interruption insurance, if any.

In the event that fifty percent (50%) or more of the gross leasable area of the Shopping Center has been damaged or destroyed by fire or other casualty regardless of the extent of damage or destruction of the Demised Premises, Landlord shall have the right to terminate this Lease provided that notice thereof is given to Tenant not later than ninety (90) days after such damage or destruction.

21. INDEMNIFICATION, PUBLIC LIABILITY INSURANCE OTHER INSURANCE

a. Tenant shall indemnify, defend and hold harmless the Landlord and the City of Orlando (the "City"), and the members (including, without limitation, members of Landlord's Board and the City's Council, and members of the citizens advisory committees of each), Landlord's property management company, and the property manager (the "Landlord's Agents"), and the officers, employees and agents of each, from and against any and all liabilities, losses, suits, claims, demands, judgments, fines, damages, interest, penalties and increased interest rates, costs and expenses (including all costs for investigation and defense thereof, including, but not limited to court costs, expert fees and reasonable attorneys' fees) which may be incurred by, charged to or recovered from any of the foregoing (i) by reason or on account of (a) damage to or destruction of any property of the Landlord or the City at the Shopping Center to the extent caused by Tenant, (b) injury to or death of any person resulting from or arising out of the Tenant's use, occupancy or maintenance of the Premises or any Improvements, or

the Tenant's operations thereon, (c) the acts or omissions of Tenant's officers, agents, employees, contractors, subcontractors, licensees or invitees, regardless of where the damage, destruction, injury or death occurred, except to the extent such liability, loss, suit, claim, demand, judgment, fine, damage, interest, penalty, increased interest rate, cost or expense was caused by the Landlord's negligence or willful misconduct, or (ii) arising out of the failure of Tenant to keep, observe or perform any of the covenants or agreements in this Lease to be kept, observed or performed by Lessee. This provision shall survive the expiration or earlier termination of this Lease.

b. Tenant shall, at its sole cost and expense, maintain in full force and effect the following types and amounts of insurance coverage:

i. Business Automobile liability insurance and Commercial General Liability (including contractual and terrorism) insurance with each providing coverage against liability for bodily injury, death and property damage having not less than Two Million Dollars (\$2,000,000.00) each occurrence. Said insurance, and any and all other liability insurance maintained by Tenant in excess of or in addition to that required hereunder, without limitation, protection for, and, in addition to Tenant, shall name as an additional insured, Landlord, Landlord's Agents, and the City (including, without limitation, all members of the governing board of Landlord, the City Council and the citizens' advisory committees of each), and their respective officers, directors, shareholders' employees, agents and managers (collectively the "Additional Insureds"), the effect of which will insure such parties in respect of any and all loss or liability resulting from personal injury, death or property damage arising or occurring upon, or in connection with, or by reason of the use and occupancy of the Demised Premises or the operation of the business conducted by Tenant within and from the Demised Premises. The policy shall be primary coverage for Landlord and the Additional Insureds and any other insurance carried by Landlord or the Additional Insureds shall be considered non-contributing. Landlord reserves the right to specify higher liability limits or additional insurance coverage from time to time to meet reasonably anticipated loss exposure, or to reflect changes in the value of the Demised Premises.

ii. Workers' Compensation Insurance in a form and with coverage limits not less than as prescribed by the laws of the State of Florida, and employers' liability insurance in an amount equal to the greater of Five Hundred Thousand Dollars (\$500,000.00) each accident and policy limit.

iii. Property Damage Insurance covering loss occasioned by fire, windstorm, named windstorm, theft, vandalism, malicious mischief, sprinkler leakage, water damage, flood and other hazards and/or casualties including special extended coverage, in an amount adequate to cover the replacement cost of the Demised Premises, any Tenant Improvements and all other interior improvements made by Tenant in the Demised Premises and Tenant's plate glass, trade fixtures, inventory, personal property whether affixed or non-affixed to the premises, and all other contents located in the Demised Premises from time to time. Landlord shall be endorsed as a loss payee under Tenant's property insurance with respects to the insurance on the interior walls, and on all the Improvements, to the Demised Premises.

iv. Tenant shall provide, keep and maintain in full force and effect such other insurance for such risks and in such amounts as may from time to time be commonly insured against in the case of business operations similar to those contemplated by this Lease to be conducted by Tenant at, in and

from the Premises, and such other insurance and in such amounts as may be required by Landlord against other insurable hazards (including environmental hazards) as at the time are commonly insured against by prudent owners of comparable business operations.

All contractors or subcontractors utilized by Tenant during the course of construction or reconstruction of any portion of the Demised Premises, must be insured as required by Landlord, including Commercial General Liability, Automobile Liability and Workers' Compensation/Employers' Liability insurance. The Landlord and the Additional Insureds shall be named as additional insureds under the Automobile Liability and Commercial General Liability including coverage for ongoing operations and for products and completed operations. All insurance maintained by contractors or subcontractors shall be endorsed to contain a waiver of subrogation in favor of Landlord and the Additional Insureds, and shall be primary to any insurance maintained by Landlord and the "additional insureds" and any insurance maintained by Landlord and the "additional insureds" shall be non-contributing. Tenant is responsible for obtaining proof of insurance with the applicable endorsements and providing copies of same to Landlord prior to Tenant, or any of its contractors or subcontractors undertaking any construction or reconstruction of the Demised Premises. Tenant shall include in the insurance policies which Tenant, and Tenant's contractors or subcontractors are required by this Lease to carry in this Section 21 above, to the fullest extent permitted by law, a waiver of subrogation against Landlord, Landlord's Agents and the City.

All insurance policies required to be carried by Tenant as provided in this Section 21 shall be issued by fiscally responsible insurance companies (having a AM Best Rating of not less than A+VIII) authorized and licensed to do business in the State of Florida and shall be for periods of not less than one year. Tenant shall renew the same at least thirty (30) days prior to the expiration thereof.

22. TRADE FIXTURES

Lighting fixtures, flooring, plumbing fixtures and air conditioning equipment, whether or not installed by Tenant, shall not be removable at the expiration or earlier termination of this Lease or at the expiration of any renewal or extension thereof, and shall become the property of Landlord.

23. ASSIGNING, MORTGAGING, SUBLETTING

Tenant agrees not to assign, mortgage, pledge or encumber this Lease, in whole or in part, or sublet the whole or any part of the Demised Premises, or permit the use of the whole or any part of the Demised Premises by any licensee, franchisee or concessionaire, without first obtaining the written consent of Landlord, which consent shall not be unreasonably withheld. Landlord's consent to any such assignment, sublease or use will not be deemed consent to any subsequent assignment, sublease or use. Tenant agrees that, in the event of any such assignment, subletting, licensing or granting of a concession made with the written consent of Landlord as aforesaid, it will nevertheless remain liable for the performance of all of the terms, conditions and covenants of this Lease. If Tenant is a corporation, and if control thereof changes (defined as 51% or more of the stock or assets of Tenant) at any time during the Term hereof, Landlord, at its option, may, by giving sixty (60) days prior written notice to Tenant, declare such change a breach of this Lease. If Tenant requests Landlord's consent to any assignment or sublease, Tenant shall pay to Landlord, on demand, an administrative fee of \$1,000.00 and will reimburse Landlord for all of Landlord's reasonable attorneys' fees and costs associated with Landlord's consent. Any transfer by Tenant in violation of this article shall, at Landlord's option, be void.

a. In the event Tenant is in default under this Lease as provided in Section 24 above, Landlord may elect, in addition to any and all remedies provided by Florida Law, any or all of the following remedies, which are cumulative:

i. Termination of Lease. By written notice to Tenant, designate a date upon which the Lease shall terminate ("Termination Date"), and thereupon, on the Termination Date, this Lease and all rights of Tenant hereunder shall terminate. Such termination by Landlord shall not affect the obligations of Tenant arising under the Lease prior to the Termination Date or the other remedies of Landlord provided in this Lease.

ii. Termination of Tenant's Possession. Landlord may elect to terminate Tenant's possessory rights, without terminating the Lease, and upon such election, Tenant and any sub-tenants, licensees or assignees of Tenant shall surrender the Demised Premises to Landlord, and Landlord, at any time after such termination, may, without further notice, re-enter and repossess the Demised Premises without being liable for any prosecution or damages therefore, and no person claiming through or under Tenant or by virtue of any statute or of any order of any court shall be entitled to possession of the Demised Premises. At any time or from time to time after any such termination of Tenant's possession, Landlord may, but shall have no duty to, attempt to relet the Demised Premises or any part thereof, in the name of Landlord or otherwise, for such term or terms and on such conditions as Landlord, in its sole discretion, may determine, and may collect and receive the rents therefore.

The termination of Tenant's possession of the Demised Premises shall not relieve Tenant of its liability and obligations under this Lease, including the obligation to pay Rent, and such liability and obligations shall survive any such termination. Any Rent or other monetary obligation of Tenant that has been abated, deferred or forgiven by Landlord in this Lease or any amendment thereto, and the cost of all Tenant Improvements provided or paid for by Landlord (if any), shall immediately become due and payable upon the occurrence of an Event of Default by Tenant under this Lease. If Landlord, at its option shall relet the Demised Premises during said period, Landlord shall credit Tenant with the net rents received by Landlord from such reletting, such net rents to be determined by first deducting from the gross rents, as and when received by Landlord, the expenses incurred or paid by Landlord in terminating this Lease and in securing possession thereof, as well as the expenses of reletting, including, without limitation, the alteration and preparation of the Demised Premises for replacement tenants, brokers' commissions, any tenant concession or improvement allowance provided

for any replacement tenants, attorneys' fees and all other expenses properly chargeable against the Demised Premises and the rental therefrom. Tenant shall have no entitlement to any rents received by Landlord from a third party which is in excess of Tenant's remaining Rent obligation to Landlord.

b. Landlord may, whether this Lease or Tenant's possession of the Demised Premises is terminated or not, recover damages from the Tenant in accordance with either of the following provisions;

i. Acceleration. The present value of the entire amount of the Rent, inclusive of Base Rent and Additional Rent, which would become due and payable during the remainder of the Term of this Lease. Such present value shall be determined utilizing a discount rate of four percent (4%) or the prevailing rate, whichever is higher; or

ii. Sums equal to the Rent which would have been payable by Tenant in accordance with the Lease, payable upon the due dates as set forth in the Lease, through the Expiration Date of this Lease.

c. Tenant hereby waives any right to trial by jury in any action or proceeding brought by either Landlord or Tenant in any respect whatsoever arising out of this Lease or in any way connected with the parties' Landlord/Tenant relationship and/or Tenant's use and occupancy of the Demised Premises.

d. If Tenant defaults in the performance of any of the terms, provisions, covenants and conditions of this Lease and by reason thereof the Landlord employs the services of an attorney to enforce performance of the covenants, or to perform any service based upon the Event of Default, then in any of said events the Landlord shall be entitled to reasonable attorneys' fees and all expenses and costs incurred by the Landlord pertaining thereto and in enforcement of any remedy. Such fees and costs shall include, but not be limited to, fees and costs related to pretrial, trial, appellate, judicial and administrative proceedings and bankruptcy and insolvency proceedings.

26. LANDLORD'S LIEN

In the event of default by Lessee hereunder, Authority shall have a lien upon all trade fixtures, goods, chattels, personal property and equipment of any description belonging to Lessee which are located on, or become part of the Premises or any Improvements, as security for the rent and other payments due and to become due for the remainder of the term of this Lease, which lien shall not be in lieu of or in any way affect the statutory landlord's lien given by law, but shall be cumulative thereof, and Lessee shall not remove or permit the removal of any of such property until all defaults under this Lease have been cured.

27. WAIVER

The waiver of performance of any covenant, term or condition of the Lease by Landlord or Tenant shall not be construed as a waiver if any subsequent breach of the same covenant term or condition. The various rights, options, elections, powers and remedies of the parties contained in the Lease shall be construed as cumulative and no one of them exclusive of any other or of any legal or equitable remedy which either party might otherwise have in the event of a breach by the other, and the exercise of one right or remedy by a party shall not in any way impair its rights to any other right or remedy.

28. SURRENDER AND HOLDING OVER

Tenant, upon expiration or termination of this Lease, either by lapse of time or otherwise, agrees peaceably to surrender to Landlord the Demised Premises in "broom clean" condition and in good repair. Should Tenant hold over and remain in possession of the Demised Premises at the expiration of any Term hereby created, Tenant shall, by virtue of this Section, become a tenant-at-sufferance and

shall pay Landlord twice the Rent per month of the last monthly installment of Rent above provided to be paid. Nothing herein shall be deemed to permit Tenant to retain possession of the Demised Premises after the expiration of or earlier termination of this Lease. Tenant will pay to Landlord, upon request, all damages that Landlord may suffer on account of Tenant's failure to surrender possession of the Demised Premises as required under this Lease upon the expiration or termination of this Lease and will indemnify Landlord against all liabilities, costs and expenses (including all reasonable attorneys' fees and costs) arising out of Tenant's delay in so delivering possession, including claims of any succeeding tenant.

29. ADDITIONAL CONSTRUCTION

Landlord hereby reserves the right at any time and from time to time to make alterations or additions to, and to build additional stories on, the building in which the Demised Premises are contained. Landlord also reserves the right to construct other or to add to other buildings or improvements in the Shopping Center, and to permit others to do so from time to time. The foregoing shall include Landlord's right to acquire additional land within which to expand the Shopping Center.

30. CONDEMNATION

If any part of the Demised Premises is taken by eminent domain, or voluntarily transferred in lieu of or in settlement of eminent domain proceedings, this Lease shall terminate as to the portion of the Demised Premises taken or transferred, as of the date title vests in the transferee. If any portion of the Demised Premises, Building or Common Areas is taken or transferred which adversely affects Tenant's ability to conduct its business operations at the Demised Premises, Tenant shall have the right to terminate this Lease, effective as of the date title vests in the transferee. In the event of any such taking or transfer, Tenant shall have no claim against Landlord, but this provision shall not preclude Tenant from recovering damages against the condemning authority or transferee to the extent permitted by applicable Laws provided such claim does not diminish Landlord's recovery.

31. NOTICES

Wherever in this Lease it shall be required or permitted that notice or demand be given or served by either party to this Lease to or on the other, such notice or demand shall not be deemed to have been duly given or served unless in writing and either personally delivered, via overnight mail delivery or forwarded by certified mail, postage prepaid, addressed:

Further, neither Landlord nor Tenant has had any conversations or negotiations with any broker except the Broker concerning the leasing of the Demised Premises. Both parties agree to indemnify the other against and from any claims for any brokerage commissions (except those payable to Broker) and all costs, expenses and liabilities in connection therewith, including, without limitation, reasonable attorneys' fees and expenses, for any breach of the foregoing representation. Landlord shall pay all brokerage commissions due Broker in accordance with a separate agreement between Landlord and Landlord's Broker.

35. CAPTIONS

Any headings preceding the text of the several paragraphs and subparagraphs hereof are inserted solely for the convenience of reference and shall not constitute a part of this Lease, nor shall they affect its meaning, construction or effect.

37. TIME IS OF THE ESSENCE

Time is of the essence in the performance of each provision of this Lease Agreement.

38. CAPACITY TO EXECUTE LEASE

If Tenant is other than a natural person, Tenant represents that it is legally constituted, in good standing and authorized to conduct business in the State of Florida. Tenant further represents that the

The foregoing disclosure is provided to comply with state law and is for informational purposes only. 41. LANDLORD'S ACCEPTANCE

The submission of the Lease to Tenant by Landlord is done solely for Tenant's consideration and shall not be deemed acceptance of the Lease terms by Landlord. Upon signing of the Lease by Tenant and submission to Landlord, this Lease shall be considered an offer only and shall have no binding effect, nor shall Landlord's depositing of Tenant's Security Deposit be considered acceptance of this Lease. Only upon full agreement by both parties of all terms, proper execution of this Lease by Tenant and Landlord, along with Tenant's Security Deposit clearing the bank and the return to Tenant of an executed original Lease, shall this Lease be considered binding.

42. SUPPLEMENTAL CODE COMPLIANCE PROVISION

Notwithstanding anything contained in this Lease to the contrary, Landlord shall not be obligated to comply with any codes or other legal requirements currently in effect or hereafter promulgated by the governing authorities if Landlord would not otherwise be required to comply as a result of the existence of Demised Premises prior to the effective date of such code or legal requirement (i.e. "grandfathered"). Furthermore, Landlord may withhold its consent to, or prohibit Tenant from making any alterations if such alterations would cause Landlord to lose such "grandfathered" exemption from code or other legal requirements or, if the loss of such exemption would cause Landlord to incur costs in excess of \$500.00.

43. ENVIRONMENTAL

The Tenant will take action with respect to any subcontract or procurement as the sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the Tenant becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the Tenant may request the sponsor to enter into any litigation to protect the interests of sponsor. In addition, the Tenant may request the United States to enter into the litigation to protect the interests of the United States.

Such permit will not cover construction activities as defined by the Regulations and will not eliminate the need to obtain permits from state or local agencies as applicable laws, ordinances or regulations may require.

b) If Tenant, or its authorized agents or representatives, engages in construction activity at the Airport, including, without limitation, clearing, grading, or excavation, Tenant shall determine whether the Regulations require a permit, and if so, Tenant shall obtain the permit, send a copy of the permit to the attention of the Authority's Manager of Environmental Services, and comply with the permit conditions.

In the event the rights and privileges hereunder are suspended, Annual Rent and Rent under this Lease shall not abate, and Tenant shall have the right to make any claim against any third party permitted by law and to receive any award paid with respect to such claim. In no event shall this provision excuse any failure by Tenant to pay Annual Rent or Rent or any other payment obligation hereunder. Nor shall this provision apply to any inability by Tenant to procure funds or obtain financing necessary to comply with Tenant's obligations under this Lease.

In the event that any such modifications or changes unreasonably impede the intended use and benefit of and to Tenant of the Premises and of this Lease, then Tenant shall have the option to terminate this Lease.

c) Notwithstanding the foregoing provisions of this Section 17, in the event any such restrictions, agreements or modifications to this Lease increase the Annual Rent payable hereunder or materially and adversely affect the ability of Tenant to use the Premises for the purposes permitted under this Lease, Tenant shall have the right to terminate this Lease by written notice to the Authority.
