ARTICLE 2 –SERVICES TO BE PROVIDED BY THE CONSULTANT

2.1 Basic Services

2.1.2 The Consultant shall perform Basic Services in accordance with the terms and conditions of this Agreement and with all applicable federal, state and local laws, regulations, rules and ordinances then in effect or as amended.

2.2 Additional Services

The Consultant agrees to perform such Additional Services as may be negotiated between the Owner and the Consultant and set forth in an Addendum to this Agreement, executed by the Owner and Consultant. An Addendum for Additional Services will establish either a lump sum amount or per diem or hourly rates with a not to exceed limit for the cost to complete the Additional Services. Hourly rates shall be those most recently negotiated rates with the Owner. In the event that unit prices were defined for various services in this Agreement for Basic Services, these same unit rates shall be used as the basis for determining the cost for Additional Services. An Addendum will also define the amount of time for the Consultant to complete the Additional Services. It is expressly understood, however, that the Owner shall have no obligation to authorize the Consultant to perform any Additional Services under this Agreement. Additional Services will be performed in accordance with the terms of this Agreement and all applicable federal, state and local laws, regulations, rules and ordinances then in effect or as amended.

2.3 Personnel

The Consultant agrees to retain the necessary qualified personnel to perform all Basic and Additional Services for the Owner pursuant to this Agreement and any Addenda hereto. Consultant shall ensure that all such personnel, while performing Services hereunder, shall conduct themselves in a professional manner. The Consultant further agrees to remove promptly any personnel from performing Services as the Owner shall request in writing, which request may

be made by the Owner with or without cause, and to replace promptly such personnel with another of the Consultant's qualified personnel who shall be approved in writing by the Owner.

2.4 Subconsultants

2.4.1 The Consultant shall have the right, with the Owner's prior written consent, which shall not be withheld unreasonably, to employ other firms or individuals to serve as subconsultants ("Subconsultants") to the Consultant in connection with the Consultant's performance of any Services under this Agreement.

2.4.2 The Consultant agrees, at the Owner's written request, which may be made by the Owner with or without cause, to terminate promptly the services of any Subconsultant and to replace promptly each such terminated Subconsultant with a qualified firm or individual approved by the Owner in writing. The Consultant further agrees to cause the Subconsultants to remove promptly any employees providing Services under this Agreement as the Owner shall request in writing, which may be made by the Owner with or without cause, and to replace promptly each such employee with another qualified employee acceptable to the Owner.

2.4.3 The Owner shall have no liability or obligation to the Subconsultants hereunder.

2.4.4 The Owner shall have the right, but not the obligation, based upon sworn statements of accounts from the Subconsultants, and in accordance with the Consultant's written request, to pay a specific amount directly to a Subconsultant. In such event, the Consultant agrees any such payments shall be treated as a direct payment to the Consultant's account.

2.4.5 Subconsultant fees shall be billed to the Owner at cost with no additional markup applied by the Consultant. Additionally, previously negotiated Subconsultant hourly rates shall be utilized in proposals for Additional Services.

2.4.6 All Services performed by Subconsultants under this Agreement shall be pursuant to an appropriate written agreement between the Consultant and each Subconsultant. The Consultant shall require each Subconsultant to be bound to the Consultant by all the terms of this Agreement, and to be responsible to the Consultant for all the obligations and responsibilities for which the Consultant, pursuant to this Agreement, is responsible to the Owner, except as provided in Paragraph 15.5.13. The Consultant shall make available to each proposed Subconsultant, prior to execution of the Subconsultant's agreement, a copy of this Agreement. When requested by the Owner, the Consultant shall submit copies of the written agreements between the Consultant and the Subconsultants.

2.5 Consultant's Standards of Performance

The Consultant shall use professional standards of care and performance to perform all Services in such quality and sequence, and in accordance with such reasonable time requirements and reasonable written instructions, as may be requested or provided by the Owner and as required by the project. The Services must be provided in a manner that is consistent with the level of reasonable care, skill, judgment and ability provided by professionals providing a similar type of Services in the same geographic area.

2.6 Consultant's Liability

The Consultant shall be and remain liable in accordance with applicable law for all damages to the Owner and the Owner's property caused by the improper acts, errors or omissions of the Consultant or by any Subconsultants in performing any Services. The term "improper acts, errors or omissions" shall include, but not be limited to, negligent, reckless, wanton, intentional, or willful failure to perform the Services in accordance with the professional standard of care and performance for each Service set forth in this Agreement.

2.7 Consultant's Obligation to Correct Errors or Omissions

The Consultant shall be responsible for the professional quality, technical adequacy and accuracy, timely completion, and coordination of all data, designs, specifications, calculations, estimates, plans, drawings, photographs, reports, memoranda, other documents and instruments, and other services furnished by the Consultant. If any design work or submittal prepared by the Consultant contains an error, omission, deficiency or mistake, Owner reserves the right to backcharge reasonable costs incurred in identifying, documenting, and remedying any such error, omission, deficiency or mistake.

Such backcharge amounts may be deducted from any payment(s) due the Consultant. If the payments due the Consultant are not sufficient to cover such amount(s), the Consultant shall be responsible for paying the difference to Owner. See EDC-09A for backcharge review process.

Upon written notice from Owner the Consultant shall, without additional compensation, correct or revise any errors, omissions, mistakes or other deficiencies in such data, studies, surveys, designs, specifications, calculations, estimates, plans, drawings, construction documents, work, and materials resulting from the negligent act, errors or omissions, or intentional misconduct of the Consultant or any Subconsultants.

2.8 Consultant's Obligation to Repair Damaged Property

The Consultant shall promptly repair, at its sole cost and expense and in a manner acceptable to the Owner, any damage caused by the improper acts or omissions of the Consultant to facilities operated or controlled by the Owner or any third party to which the Owner is accountable, or any improvements or property located thereon. If any damage is caused partially by improper acts or omissions of the Owner or a third party for whom the Consultant is not responsible, all parties shall bear their proportional share of the repair costs based upon the parties' relative degree of fault.

2.9 Owner's Approval shall not Relieve Consultant of Responsibility

Review or approval by the Owner of data, designs, specifications, calculations, estimates, plans, drawings, photographs, reports, memoranda, other documents and instruments, and incidental work or materials furnished hereunder shall in no way relieve the Consultant of responsibility for the technical adequacy and accuracy of Services performed by the Consultant. Neither the Owner's review, approval, acceptance of, nor payment for, any of the Services under this Agreement shall constitute a waiver of any of the Owner's rights under this Agreement or of any cause of action it may have arising out of the this Agreement.

2.10 Non-Exclusive Rights

The rights granted to the Consultant hereunder are nonexclusive, and the Owner reserves the right to enter into agreements with other consultants to perform professional services, including without limitation, any of the Services provided for herein.

2.11 Consultant's Compliance with Laws and Regulations

2.11.1 The Consultant and its employees and Subconsultants shall promptly observe and comply with all applicable federal, state and local laws, regulations, rules and ordinances then in effect or as amended ("laws"), including, but not limited to, the laws governing the wages paid by the Consultant to its employees.

2.11.2 The Consultant shall procure and keep in force during the term of this Agreement all necessary licenses, registrations, certificates, permits and other authorizations as are required by law in order for the Consultant to render its Services hereunder.

2.11.3 Effective January 1, 2021, the Consultant shall register with and utilize the U.S. Department of Homeland Security's Employment Eligibility Verification System (E-Verify), in accordance with the terms governing the use of the system, to verify the work authorization status of all newly hired employees, performing work in the United States. The Consultant shall include an express provision in all Subcontracts requiring the Subconsultants and Subcontractors to do the same and require all Subconsultants and Subcontractors to provide the Consultant with an affidavit stating that the Subconsultant/Subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Consultant must retain all such affidavits for the duration of the Contract. In accordance with Florida Statutes §448.095, the Owner shall terminate this Contract if Owner has a good faith belief that the Consultant knowingly employs an unauthorized alien or has otherwise violated Florida Statute §448.09(1). The Owner shall require the Consultant to terminate the contract of a Subconsultant/Subcontractor if Owner has a good faith belief that the Subconsultant/Subcontractor has knowingly violated Florida Statute §448.09(1). The Consultant may challenge any such termination in accordance with Florida Statutes §448.095. Consequences for a violation of this subsection also include liability for the Owner's costs as a result of the termination and debarment for at least one (1) year in accordance with Florida Statutes §448.095.

2.12 Consultant is not Owner's Agent

The Consultant is not authorized to act as the Owner's agent hereunder and shall have no authority, expressed or implied, to act for or bind the Owner hereunder, unless set forth in Addenda hereto.

2.13 Reduced Scope of Services

The Owner shall have the right, by written notice to the Consultant, to reduce the scope of Services to be rendered hereunder. In the event the scope of Services are reduced by the Owner, the Consultant shall promptly notify the Owner in writing after receipt of such notice of the amount by which the total compensation for that particular scope or service should be reduced. The reduction in compensation shall be calculated on the basis of the Consultant's labor estimates and labor-hour costs for such Services and the related reimbursable expenses. The Consultant's notice to the Owner shall show this calculation in reasonable detail. The Owner shall, with reasonable promptness after receipt of the Consultant's calculation of compensation reduction, notify the Consultant in writing of its acceptance or objection to the amount of compensation reduction, together with the Owner's determination of the proper amount of compensation reduction, which determination shall be conclusive.

2.14 Suspension

If the Owner suspends the Project, or any portion thereof, the Consultant shall be compensated for services performed prior to notice of such suspension. When the Project is resumed, the Consultant shall be compensated for expenses incurred in the interruption and resumption of the services. The fees for the remaining services and the time schedules shall be equitably adjusted. If the Owner suspends the Project or a portion thereof for more than 90 cumulative days for reasons other than the fault of the Consultant, the Consultant may terminate this Agreement by giving not less than seven days' written notice.

2.15 Consultant's Representative

The Consultant shall designate a person to act as the Consultant's Representative as identified in **Exhibit A**. The Consultant's Representative shall have complete authority on behalf of the Consultant to transmit or receive information, to propose or proceed with action requested by the Owner and to execute Addenda on behalf of the Consultant.

ARTICLE 3 - OWNER'S RESPONSIBILITIES

3.1 Furnishing Information and Instructions; Examination of Documents

3.1.1 Upon request by the Consultant, the Owner will make available for the Consultant's investigation and use the Owner's library of record documents for the Owner's existing facilities, and other information pertinent to the Services which may be available, including any survey and geotechnical information. However, it will be the Consultant's responsibility to research these existing documents to determine which, if any, are applicable to the Services. It will also be the Consultant's responsibility to verify all applicable information shown on the Owner's record documents or any other information provided by the Owner prior to relying upon such information for execution of the Services.

3.2 Review of Consultant's Submittals

Subject to the provisions of this Agreement, the Owner may examine all data, designs, specifications, calculations, estimates, plans, drawings, photographs, reports, memoranda and other documents and instruments prepared by the Consultant and delivered to the Owner pursuant to this Agreement, within a reasonable time so as not to unreasonably delay the Consultant in the rendering of its Services. The Owner will promptly notify the Consultant of any observed deviations from the Scope of Services as defined herein and in the attached **Exhibit A**, errors or other defects in such data, designs, specifications, calculations, estimates, plans, drawings, photographs, reports, memoranda and other documents and instruments.

3.3 Reasonable Access

The Owner will allow the Consultant reasonable access to facilities controlled by the Owner to enable the Consultant to perform the Services. The Consultant agrees that such rights of access shall not be exercised in a manner or to such extent as to impede or interfere with the operation of the Owner's facilities, or with the operations of the Owner's lessees, licensees, or permittees of the Owner or the applicable owners of such facilities. The Consultant further agrees to abide by all applicable regulations regarding access to the Owner's facilities, including access to Airfield Operating Areas (AOA). The Consultant will obtain all necessary badges and clearances required for such access by the Consultant's personnel at no additional cost to the Owner.

3.4 Owner's Representative

The Owner's Representative, as identified in **Exhibit A**, acts as the Owner's Representative with respect to Services to be provided by the Consultant under this Agreement.

ARTICLE 4 – TIME

4.1 The Consultant's Services and compensation under this Agreement have been agreed to in anticipation of the orderly and continuous progress of the Services through completion.

4.2 The date for commencement of the Services by the Consultant is the effective date of the Notice to Proceed.

4.3 A schedule for the Services shall be included in each Addendum by executing an Addendum, the Consultant acknowledges that the schedule set forth in such Addendum is both realistic and achievable, and that the Services will be completed within the time frame set forth in the schedule.

4.4 If, at any time prior to completion of the Services, the Consultant determines that the Services are not progressing according to the schedule as set forth in the Addendum, the Consultant shall immediately notify the Owner in writing and shall provide a description of the cause of the delay, the effect on the schedule and the recommended action to meet the schedule.

ARTICLE 5 – PAYMENTS TO CONSULTANT FOR SERVICES AND REIMBURSABLE EXPENSES

5.1 Compensation for Services

For Services rendered by the Consultant, the Owner shall pay the Consultant in accordance with the payment terms defined in **Exhibit A**.

5.2 Reimbursable Expenses

5.2.1 The Owner shall pay the Consultant for Reimbursable Expenses incurred by the Consultant as defined in **Exhibit A and Exhibit C, Paragraph 4**.

5.2.2 Reimbursement for travel, for either Basic or Additional Services, shall be made in accordance with the Owner's travel policy attached as **Exhibit D**.

5.3 Invoices

5.3.1 The Consultant shall submit invoices to the Owner, in the form attached as **Exhibit C**, no more frequently than monthly, for all Services rendered hereunder since the last monthly invoice. Invoices shall be in a form and with detail satisfactory to the Owner and shall include the nature and amount of each expense, separated and identified as reasonably requested by the Owner. The Consultant shall submit one (1) original and one (1) copy of the invoice to the Owner.

5.3.2 Monthly invoices shall also contain the following information:

- .1 Lump sum amount invoices shall include a percentage of such lump sum fee equal to the percentage of Services completed since the last monthly invoice.
- .2 Per Diem or hourly rates invoices shall be based upon the number of days or hours of service actually rendered by the Consultant and its Subconsultants since the last monthly invoice, broken down by appropriate billing classifications.
- .3 Monthly invoices for Reimbursable Expenses incurred since the last monthly invoice shall include the nature and amount of each expense, the date on which it was incurred, and the task to which each expense relates, submitted in a form and with detail satisfactory to the Owner.
- .4 Certification from a Principal or Officer that amounts previously paid by the Owner to the Consultant for work, expenses, supplies, etc. of Subconsultants have been disbursed.
- .5 Consultant Disbursement Form included in Exhibit C.

5.3.4 The Consultant represents and warrants that all billable hours and rates furnished by the Consultant to the Owner shall be accurate, complete and current as of the date of this Agreement or Addenda hereto. Current rates are defined as the most recently negotiated rates with Consultant and Subconsultants. Consultant shall also verify that Subconsultant rates are accurate, complete and current prior to submission of invoices. The Consultant further covenants and agrees that all billing rates, estimates of the percent of Services which have been completed, and other factual unit costs furnished by the Consultant to the Owner to support any lump sum amount, or per diem or hourly rates, which the Owner agrees to pay for any Services shall be accurate, complete and current as of the date of this Agreement or any Addenda authorizing the Consultant to perform Services. The making of any willfully false statement by the Consultant in a monthly invoice shall be grounds for the immediate termination by the Owner of this Agreement.

5.3.5 The Owner shall notify the Consultant in writing of any objection to the amount of such invoice, together with the Owner's determination of the proper amount of such invoice. Such notice shall be accompanied by the Owner's payment of any undisputed portion of such monthly invoice. Any dispute over the proper amount of such monthly invoice shall be resolved by mutual agreement of the parties, and after final resolution of such dispute, the Owner shall promptly pay the Consultant the amount so determined, less any amounts previously paid by the Owner with respect to such monthly invoice. In the event it is determined that the Owner has overpaid such monthly invoice, the Consultant shall promptly refund the amount of such overpayment to the Owner, together with interest thereon at the rate of 6% per annum from the date such amounts were paid by the Owner.

5.3.6 Consultant shall, upon written request from the Owner, provide such records to verify payment to Sub-consultants. Records may include, but not be limited to, cancelled checks, invoices and other financial information.

5.3.7 Upon completion of the performance of Additional Services covered by any particular Addenda, or as agreed to by the parties, Consultant shall submit a final invoice and denote "Final Invoice" on same.

5.4 Adjustment to Fees

In addition to any other rights or remedies available to the Owner, the Owner shall have the right to adjust the fee payable to the Consultant for any Services in order to prevent payment by the Owner of any sum which the Owner determines was increased due to inaccurate, incomplete, non-current billing rates, hours or estimate of completion status, and other factual unit costs, provided that such adjustment is made by the Owner within one year from the date of payment by the Owner of the Consultant's final invoice for the Services to which the adjustment relates.

5.5 Annual Rate Adjustment

The per diem or hourly rates set forth in **Exhibit A** may be reviewed annually on or before the anniversary date of this Agreement. In the event Consultant has more than one Agreement with the Owner, the anniversary date will be the latter Agreement's anniversary date. Any adjustments to per diem or hourly rates shall be negotiated, approved in writing by the Owner and shall be effective no earlier than the anniversary date of the Agreement. Adjusted billing rates cannot be utilized for billable hours performed prior to the approval date. Subconsultant billing rates may or may not be affected by the annual rate adjustment, i.e. Subconsultant with rates negotiated under another agreement and within one year of those negotiated rates.

ARTICLE 6 - RECORDS

6.1 Maintenance of Records

The Consultant shall maintain complete and accurate records relating to all Services rendered by Consultant and any Sub-consultants pursuant to this Agreement. Records shall be kept in a form reasonably acceptable to the Owner. Records and invoices for Services shall include all of the information required in order to determine the Consultant's monthly hours for each employee rendering Services hereunder, and shall identify the Services rendered by each employee in a manner acceptable to the Owner. Records for Reimbursable Expenses shall identify the nature and amount of each expense the date on which it was incurred, and the task to which the expense relates.

6.2 Records Availability

The Consultant shall maintain an acceptable cost accounting system. All of the Consultant's books, documents, papers and records directly relating to Services shall, upon reasonable notice by the Owner, be made available to the Owner, the FAA, the TSA, the FDOT and the Comptroller General of the United States of America, all of whom shall have the right from time to time, through their respective duly authorized representatives, at all reasonable times, to review, inspect, audit or copy the Consultant's records. Production of such records by the Consultant shall not

constitute promulgation and shall retain in the Consultant all rights and privileges of workmanship, confidentiality and any other vested interests. If, as a result of an audit, it is established that the Consultant has overstated its hours of service, Reimbursable Expenses, per diem or hourly rates for any month, or percentage of lump sum amount earned in any month, the amount of any overcharge paid by Owner as a result of an overstatement shall forthwith be refunded by the Consultant to the Owner with interest thereon, if any, at a rate of six percent (6%) per annum on the overstated amount accrued from forty-five (45) days after the Owner's notice to the Consultant of the overstatement. If the amount of an overstatement in any month exceeds five percent (5%) of the amount of the Consultant's statement for that month, the entire reasonable expense of the audit shall be borne by the Consultant. The Consultant shall retain all records, books, and reports required under this Agreement and shall make same available to the requesting party for a period of five (5) years from the date of payment by the Owner of the final invoice for the Services to which the records relate and all pending matters are closed. The Consultant shall insert this provision into any lower tier contract.

6.3 Public Records

When the Consultant receives any request to inspect or copy any records that relate to this Agreement, it shall promptly provide the Owner with a copy of the request. The Owner will respond to each such request on behalf of itself and the Consultant and the Consultant agrees to fully cooperate with the Owner with regard to all records requests and comply with all decisions made by the Owner regarding the production/disclosure. The Consultant shall:

- .1 Keep and maintain public records that ordinarily and necessarily would be required by the Owner in order to perform the services being performed by the Consultant.
- .2 Provide the public with access to public records on the same terms and conditions that the Owner would provide the records and at a cost that does not exceed the cost provided in chapter 119, Florida Statutes, as amended, or as otherwise provided by law.
- .3 Except as authorized by law, ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed for the duration of the Agreement, as well as following completion or termination of the Agreement if the Consultant does not transfer the records to the Owner.
- .4 Meet all requirements for retaining public records and upon completion or termination of the Agreement, transfer, at no cost, to the Owner all public records in possession of the Consultant or keep and maintain the public records required by the Owner and the law to perform the Services. If the Consultant transfers all public records to the Owner upon completion or termination of the Agreement, the Consultant shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the Owner in a format that is compatible with the information technology systems of the Owner. If the Consultant keeps and maintains public records upon completion or termination of the Agreement, the Consultant shall meet all applicable requirements for retaining public records.
- .5 Failure to grant such public access or otherwise comply with the Owner's request for records will be grounds for immediate termination of this Agreement by the Owner.
- .6 Failure to provide the public records to the Owner within a reasonable time may also subject the Consultant to penalties under section 119.10, Florida Statutes.
- .7 If a civil action is filed against Consultant to compel production of public records relating to this Agreement, Consultant will be solely responsible and liable for its attorney's fees and any resulting damages.

IF THE CONSULTANT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONSULTANT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, THE CONSULTANT MUST CONTACT THE OWNER'S CUSTODIAN OF PUBLIC RECORDS, WHO CAN BE REACHED AT: (407) 825-2032; PUBLICRECORDS@GOAA.ORG; OR "GREATER ORLANDO AVIATION AUTHORITY, PUBLIC RECORDS" ONE JEFF FUQUA BOULEVARD, ORLANDO, FLORIDA 32827.

ARTICLE 7 –TERM OF AGREEMENT AND TERMINATION

7.1 Term of Agreement

The term of this Agreement shall be for a period of three (3) years from the effective date shown on Page 1. The Owner, with the mutual agreement of the Consultant, may elect to renew this Agreement for two (2) additional one-year periods. The Consultant shall perform all services authorized during any renewal period in accordance with the terms and conditions set forth herein.

7.2 Agreement Termination – Default

This Agreement may be terminated in whole or in part in writing by either party in the event of substantial failure by the other party to fulfill its obligations under this Agreement, or under any Addendum hereto, through no fault of the terminating party; provided, however, that no such termination may be effected unless the other party is given (1) not less than thirty (30) calendar days written notice of intent to terminate; and (2) an opportunity for consultation with the terminating party prior to termination. The Consultant's obligations to the Owner arising from the Consultant's improper acts or omissions shall survive the termination of this Agreement. The Consultant and all Subconsultants shall take all necessary and reasonable steps in accordance with the Owner’s MWBE policy to ensure that MWBE firms have the maximum opportunity to compete for and perform on contracts. Prior to being awarded a scope of work, the Consultant shall provide to the Owner either: 1) evidence that the Consultant has contracted with MWBEs to meet the Owner’s MWBE goal for the Services, or 2) evidence satisfactory to the Owner that the Consultant has made good faith efforts to reach the Owner’s MWBE goal for the Services.

18.3 It is the policy of the Owner on all non-federally funded contracts for Services that Local Developing Businesses/Veteran Business Enterprise (“LDB/VBE”) shall have the opportunity to participate in the performance of professional services contracts awarded by the Owner, including, but not limited to, contracts financed in whole or in part with FDOT funds under this Agreement. The LDB/VBE goal is separate and distinct from the MWBE goal set forth in paragraph 18.2 above. Consequently, the requirements of the Owner’s LDB/VBE Policy apply to this Agreement. The Consultant and all Subconsultants shall take all necessary and reasonable steps in accordance with the Owner’s LDB/VBE policy to ensure that LDB/VBE firms have the maximum opportunity to compete for and perform

contracts. Prior to being awarded a scope of work, the Consultant shall provide to the Owner either: 1) evidence that the Consultant has contracted with LDB/VBEs to meet the Owner's LDB/VBE goal for the project, or 2) evidence, satisfactory to the Owner, that the Consultant made good faith efforts to reach the Owner's LDB/VBE goal for the Services.

18.4 The Consultant shall not breach any of its obligations with the DBEs, MWBEs or LDB/VBEs. In the event the Consultant desires to terminate or replace a DBE, MWBE or LDB/VBE, the Consultant shall promptly notify the Owner of the impending termination, the reason for the termination and obtain the Owner's approval prior to proceeding with the termination. Following the termination, the Consultant shall endeavor to replace the terminated DBE, MWBE or LDB/VBE with another similar to certified DBE, MWBE or LDB/VBE. If the Bidder is unable to utilize another DBE, MWBE or LDB/VBE for the performance of that portion of the agreement, the Consultant shall provide the Owner with documentation, in a form satisfactory to the Owner, showing that it is not possible to replace the terminated DBE, MWBE or LDB/VBE with another DBE, MWBE or LDB/VBE.

The Owner is committed to the highest level of integrity in its operations and is fully committed to protecting the organization, its operations, and its assets against fraud, waste and abuse. The Owner has established a Whistle-Blower Reporting Line with a third-party service provider as a means to report suspected fraud, waste or abuse of Owner resources in connection with Owner operations. MEMORANDUM

TO: Members of the Aviation Authority

FROM: Davin D. Ruohomaki, Chairman, Professional Services Committee

DATE: May 19, 2021

ITEM DESCRIPTION

Recommendation of the Professional Services Committee to Rank Firms Shortlisted for Continuing Transportation Planning Services at the Orlando International Airport and the Orlando Executive Airport

BACKGROUND

On February 7 and 10, 2021, a notice was publicly advertised requesting Letters of Interest (LOI) for Continuing Transportation Planning Services at the Orlando International Airport (MCO), Orlando Executive Airport (ORL), and Other Facilities operated by the Aviation Authority. The scope of services will consist of the performance of transportation planning services and related professional services, and may include, but not be limited to, on-airport roadway traffic counts, multi-modal transportation facility planning, airport passenger surface access-related analyses, coordination with local, regional, state and federal transportation agencies on transportation planning issues to support the development of the Aviation Authority's existing and future facilities; assisting with strategic development planning, planning analyses of roadway opportunities and constraints, wayfinding and signage, and other miscellaneous transportation projects and all other related services including coordination with the Aviation Authority, its Consultants, the City of Orlando and all agencies having jurisdiction over the facilities. The Services may also include, but are not limited to, studies and preparation of reports involving scope definition and validation of projects, evaluation and documentation of existing conditions; Master Document support, plan review and support of the Aviation Authority's horizontal permitting program, technical support and review of documents prepared by others, management support on various Aviation Authority projects and all other related professional services which may be required where the Aviation Authority elects not to solicit LOIs by means of public advertisement.

Proposers and their key personnel must be experienced in performing transportation planning services for projects of a scope and nature related to airports or publicly owned facilities. Proposers should have prior transportation planning experience coordinating with, meeting the requirements on projects funded by, and in accordance with the rules and regulations of public/governmental agencies, such as, but not limited to, the Florida Department of Transportation (FDOT), the Federal Aviation Administration (FAA), the City of Orlando, and Orange County, Florida.

The terms of the agreements shall be for a period of three years with optional renewal periods of two additional one-year terms, to be exercised at the discretion of the Aviation Authority and accepted by both parties.

ISSUES

By March 9, 2021, two firms responded to the Aviation Authority's advertisement for the above-referenced services as follows, in alphabetical order:

- **HDR Engineering, Inc.**
- **HNTB Corporation**

On April 6, 2021, the Professional Services Committee (PSC) met to consider the two LOIs. Based on the LOIs, staff's evaluation, and past performance on Aviation Authority or related projects, the PSC shortlisted both firms for further consideration.

On April 27, 2021, the PSC met to consider the shortlisted firms. Both shortlisted firms were interviewed and evaluated by the PSC based on the following criteria:

- Project approach
- Experience of the firm
- Key personnel experience
- Quality control program
- Insurance
- License
- Financial statements
- References
- DBE/MWBE/LDB participation

The PSC reviewed each firm's LOI and considered each interview. Following the interviews and discussion, the PSC concluded that it would be most advantageous to the Aviation Authority to select both firms, securing institutional knowledge and expertise, as well as providing the skills required to meet future demands. The PSC recommended the ranking below and approval of no cost agreements for continuing transportation planning services with both firms.

First: HDR Engineering, Inc. (HDR): HDR provided an excellent LOI, which included a concise project approach and a clear understanding of the services required. HDR has significant institutional knowledge, and provided innovative suggestions during its interview. HDR is an engineering and consulting firm that has been in business for over 36 years, and has an office located in Orlando, FL. HDR's project manager has over 24 years of transportation and traffic engineering experience with extensive experience with the Aviation Authority. HDR has significant depth in its firm and team, and has developed excellent strategic relationships with federal, state and local agencies. HDR proposed a very experienced team with extensive similar work experience, including significant Aviation Authority experience. HDR is one of the Aviation Authority's continuing transportation planning consultants and has performed well during its tenure. HDR's additional similar project experience includes John F. Kennedy Integrated Transportation Demand Management (TDM) Modeling Tool, Queens, NY; Pittsburgh International Airport Terminal Modernization Program, PA; City of Orlando, Transportation Planning and Engineering Consulting Services, FL; MetroPlan Orlando General Planning Consulting Services, FL; LYNX General Planning Consulting Services, FL; FDOT District 5 Innovative Multimodal Corridors Continuing Services, and FDOT Central Office Strategic Intermodal System (SIS) Planning Services, FL; and, FDOT Central Office Connected and Automated Vehicle (CAV) General Engineering Consulting Services, and Transportation Data Support Services, FL. HDR provided the required quality control program, insurance, licensing, financial statements, and received positive reference responses. HDR provided the required written action plan to achieve the MWBE/LDB/VBE/DBE participation goals, and its statement of commitment to the Aviation Authority's MWBE/LDB/VBE/DBE programs.

Second: HNTB Corporation (HNTB): HNTB provided an excellent LOI, which included a concise project approach and a clear understanding of the services required. HNTB has significant institutional knowledge, and was very responsive during its interview. HNTB is a national engineering firm that has been in business for over 28 years, and has an office located in Lake Mary, FL. HNTB's project manager has over 25 years of planning and transportation engineering experience with extensive experience with the Aviation Authority. HNTB proposed a very experienced team with extensive similar work experience, including significant experience with the Aviation Authority. HNTB has significant depth in its firm and team, and has developed excellent strategic

relationships with federal, state and local agencies. HNTB is one of the Aviation Authority's continuing transportation planning consultants and has performed well during its tenure. HNTB's additional similar project experience includes FDOT District 5 General Engineering Consulting Services, FL; MCO South Terminal C Architect of Record, Phase 1, FL; FDOT Central Office Passenger Rail General Engineering Consulting Services, FL; Central Florida Expressway Technology General Systems Consulting Services, FL; Ultimate Urban Circulator Technology Systems Integration, Jacksonville Transportation Authority, FL; High Speed Rail Program Management and Design, Brightline Trains Florida, Orlando, FL; General Engineering and Planning Consulting Services, Osceola County, FL; Florida's Turnpike Enterprise General Engineering Consulting Services, Ocoee, FL; and, San Francisco International Airport As-Needed Airport Planning Services, CA. FISCAL IMPACT

There is no fiscal impact for the base agreements. Future addenda will be based on specific tasks of work as assigned.

RECOMMENDED ACTION

It is respectfully requested that the Aviation Authority Board resolve to accept the recommendation of the Professional Services Committee to: (1) approve the ranking of the firms for Continuing Transportation Planning Services at the Orlando International Airport, Orlando Executive Airport, and Other Facilities operated by the Aviation Authority, as follows: First - HDR Engineering, Inc.; and, Second - HNTB Corporation; (2) authorize hourly rate negotiations with both firms in accordance with the Aviation Authority's policy; (3) subject to successful negotiations with the firms, approve a No-Cost Continuing Transportation Planning Services Agreement with each firm for its negotiated hourly rates; and, (4) authorize an Aviation Authority Officer or the Chief Executive Officer to execute the necessary contract documents following satisfactory review by legal counsel.

GOAA-EDC – 09A

Title:

A/E BACKCHARGE PROCESS

SECTION 1 – OBJECTIVE

1.0

To establish the process through which an Architectural/Engineering (A/E) firm providing design services for the Authority may be responsible for the cost of any changes or impacts incurred during construction in the event that the cause assigned to a Change Order, by the Authority, is the result of an error or omission by the A/E (i.e., “A/E Backcharge”).

SECTION 2 – GENERAL

2.0

The Authority employs professional A/E firms to provide design and construction administration services for construction projects. While these professionals are accountable for the technical accuracy and quality of their work, mistakes may occur in the rendition of their work. Construction plans and contract documents may contain errors or items that may have been omitted, resulting in cost and time impacts on a project. When design errors and omissions rise to the level of professional negligence, the Authority may pursue recovery for certain project costs. The Authority recognizes there are factors in any project that may contribute to design errors or omissions, including but not limited to design time or project complexity. The Authority will consider such factors when determining if an A/E Backcharge is warranted.

SECTION 3 - DEFINITIONS

3.0 A/E Backcharge

The charge assessed to an A/E by the Authority for reimbursement of added Contract costs or credits to earned fees due to the A/E's errors or omissions that are beyond the Due Care.

3.1 Due Care (a.k.a. “Standard of Care”)

The Consultant shall use professional standards of care and performance to perform all Services in such quality and sequence, and in accordance with such reasonable time requirements and reasonable written instructions, as may be requested or provided by the Owner and as required by the Project. The Services must be provided in a manner that is consistent with the level of reasonable care, skill, judgment and ability provided by professionals providing a similar type of Service in the same geographic area.

3.2 Negligence

Negligence is the failure to exercise Due Care. Legal liability is imposed on a person or entity that is negligent when such negligence causes damage or additional costs to some other person or property to whom the negligent party owes a duty recognized by law.

3.3 Errors

There are two types of design errors: 1) those errors discovered and corrected before the Contractor has provided incorrect equipment and/or materials or performed incorrect construction, in which case the A/E backcharge is treated as defined below for Premium Cost; and 2) those errors discovered after the Contractor has provided incorrect equipment and/or materials or performed incorrect construction, in which case the A/E backcharge is treated as defined below for the Whole Cost.

3.4 Omissions

An item that is omitted from the Contract Documents which should have been included in the Contract Documents. The A/E has liability to pay the difference of Premium Cost (as defined below), if any, even though the omitted item may be an “added value” to the Authority.

3.5 Whole Cost (a.k.a. “Rework”)

Whole Cost backcharges originate from errors which require a portion of the work to be repeated as a result of the error. The A/E is liable for the entire cost of the change, including the removal of the original work, construction of the replacement work, replacement of equipment and materials, and any additional fees incurred by the Authority for Design, Construction Administration and the Authority’s Owner’s Authorized Representative (OAR) services. Whole Cost backcharges also includes liability for Contractor’s Claims caused as a result of A/E negligence. The A/E’s liability includes the entire amount that it takes the Authority to settle the claim plus applicable Indirect Costs (as defined below.)

3.6 Premium Cost

Premium Cost backcharges originate from design errors and omissions which do not require work to be repeated but which do require additional components to be added to the Project to achieve the intended scope of the Project. The A/E is liable for premiums associated with settling the changes in a non-competitive and non-bidding environment, and taking into consideration price escalations in materials, equipment and labor. The percentage used for calculating “premium cost” will normally be 10% of the added construction cost, but may be modified based on evidence of actual costs.

3.7 Indirect Cost

Indirect Cost backcharges originate from Whole Cost or Premium Cost backcharges and include Lost Revenue, Lost Profit, Lost Rental Value, Delays, Disruptions, Time Extensions, Acceleration, Escalation on Material, Storage Costs, Interests, Additional Administrative Costs, Overhead, and any other indirect costs that result from an error or omission.

3.8 Project

Any study, design or construction project undertaken by the Authority.

SECTION 4 - METHODS

4.0

The A/E Backcharge process commences prior to the preparation of Change Orders (CO) and Bulletins or Field Change Orders (FCOs) that could result in A/E Backcharges. If the OAR determines that a CO, Bulletin or FCO item could be the result of an error or omission, the OAR will notify both the A/E and the Authority in writing during processing of the Change Order Agenda for Construction Committee, and if possible, prior to processing of a Bulletin or FCO. The notice will provide a copy of the draft CO Agenda for Construction Committee, Bulletin or FCO which includes the OAR's initial determination of the category and amount of the proposed backcharge (i.e., Whole Cost, Premium Cost, and/or Indirect Costs) resulting from the Error or Omission. The notification shall advise that, per the A/E's Agreement with the Authority, the described change may result in an A/E Backcharge. The A/E is expected to review the information and to respond, in writing, to the OAR either agreeing that there is basis for a potential A/E Backcharge, or if not, then stating the reasons why the A/E considers that the A/E Backcharge is not justified.

4.1

The OAR will review the A/E's response and make a further determination of whether to continue to recommend an A/E Backcharge to the Authority. If the determination by the OAR is to continue with a recommendation for A/E Backcharge, then the OAR will submit this recommendation, including any rebuttal received from the A/E, to the Authority for approval.

4.2

If, after reviewing the Contractor's RCO Submission or the A/E's response, the OAR or the Authority determines that A/E Backcharges are not warranted, the OAR will notify the A/E withdrawing its notification of the potential A/E Backcharge.

4.3

After the Change Order is approved by the Authority, the OAR will add the proposed A/E Backcharge amount to a log maintained for this purpose on each project. The A/E Backcharge entry will include

- (a) the number of the Change Order
- (b) the number of each item on the CO for which an A/E backcharge is recommended
- (c) the description of each item of work
- (d) the CO value of each item of work
- (e) the value of the proposed backcharge
- (f) the reason why a backcharge is proposed
- (g) how the backcharge value was determined, and
- (h) when the backcharge was reviewed with the A/E and a summary of the A/E's rebuttal, if any.

The OAR and the Authority will periodically review the A/E Backcharge log with the A/E to provide the A/E with the opportunity to present additional information for further consideration. If, after such a review, the Authority agrees that a particular backcharge is no longer recommended, each such item will be noted as Resolved/No Backcharge Recommended, including a statement of why the recommendation has been changed on the log. The overall value of A/E backcharges will be reviewed throughout the course of the Project and during the Project Close-out phase.

4.4

During construction of the Project and at the Project Close-out phase, the OAR will send a copy of the A/E Backcharge Log to the A/E. Prior to the OAR forwarding the final recommendation to the Authority, the OAR and Authority will meet with the A/E to discuss all remaining proposed A/E backcharge issues. The purpose of this meeting is to ensure that both parties fully understand the issues and this session could present new facts that were not known or understood when the Change Order was processed. The OAR will forward its final recommendation to the Authority following the conclusion of this meeting.

4.5

Consideration will be given to the following during preparation of any A/E backcharge recommendation:

4.5.1 The recommended actual A/E backcharge amounts will take into consideration such factors as described in Section 2.0 above.

4.5.2 Consideration will also be given towards the A/E's history of responsiveness when faced with design or construction issues. Those A/E's that performed well and worked diligently to quickly resolve design or construction issues during construction may be assessed more leniently than those firms that responded defensively or did not contribute effectively to timely resolution.

4.5.3 The total amount of additional construction costs attributed to errors and omissions will be compared to the total cost of all construction, including change orders, expressed as a percentage. If this percentage is lower than industry averages for Due Care on similar type work, and if no evidence of negligence exists, then recommendation will be for no A/E backcharge.

4.5.4 Step One: Determine the percentage of construction cost attributed to design errors and omissions using the following formula:

$$c = b / a$$

Where,

a = original construction cost (awarded amount)

b = total change order cost attributed to design errors and omissions

c = percentage of construction cost attributed to design errors and omissions

Step Two: Define the Due Care Percentage (industry average) to be used

d = Due Care Percentage (industry average)

Step Three: Calculate the final recommended A/E backcharge amount using the following conditions:

- If $c \leq d$ then $f = 0$, except in cases where negligence exists
- If $c > d$ then $f = e - 0.10 \times a \times d$

Where,

c = percentage of construction cost attributed to design errors and omissions (from Step One)

d = due care percentage (from Step Two)

a = original construction cost (awarded amount)

e = total potential A/E backcharge amount (from A/E backcharge log)

f = final recommended A/E backcharge amount

4.5.5 In the Authority's sole discretion, the Authority may choose to evaluate separately instances of negligence that had a particularly notable impact to the Project. For these specific items of negligence, special consideration will be given whether to assess backcharges related directly to the item or items caused by the negligence, regardless of the overall percentage of changes resulting from errors and omissions. If the Authority decides to treat one or more of these items as separate issues, the backcharge for each item will be determined on the basis of the Whole Cost and Indirect Cost for that item.

4.6

Upon receipt of a final proposed A/E Backcharge recommendation from the OAR, the OAR's recommendation will be reviewed by the Authority's Director of Construction or designee. Upon acceptance and concurrence of the OAR's recommendation by the Director of Construction, the proposed A/E Backcharge recommendation will then be forwarded to the Deputy Executive Director-Facilities who will review the recommendation. The Authority's review may include interviews or discussions with the A/E and any other members of the contract team if necessary. The Deputy Executive Director - Facilities will make a recommendation to the Construction Committee on the assessment of A/E Backcharge amounts and notify the A/E. Title:	DESIGNER'S GENERAL SCOPE OF SERVICES
---------------	---

SECTION 1 – GENERAL

1.0 Purpose

This EDC-09 further defines the scope of services required from the Designer for both Basic Services and Additional Services under a Professional Services Agreement (“Agreement”) with the Greater Orlando Aviation Authority (“Owner”), and any addenda or amendments thereto with an architectural or engineering firm.

1.1 Basic Definitions

The following terms have the meanings indicated, which are applicable to both the singular and plural thereof, wherever used in the Agreement and the Exhibits, documents and drawings referenced therein:

1.1.1 Design Services

Design Services shall refer to and include all services set forth in a Professional Services Agreement with an architectural or engineering firm.

1.1.1 Designer

The term “Designer” as used throughout the Agreement, Exhibits, EDCs, and the drawings and documents referenced therein, shall have the same meaning as the term “Consultant,” as defined in the Agreement.

1.1.2 Construction Cost

“Construction Cost” means the total cost to the Owner of those portions of the entire Project designed or specified by the Designer. Construction Cost does not include the Designer’s compensation and expenses, the cost of land, rights-of-way, or for damages to properties, or the Owner’s legal, accounting, insurance counseling or auditing services, or interest and financing charges incurred in connection with the Project or the cost of other services to be provided by others to the Owner.

1.1.3 General Provisions

The term “General Conditions” means the Owner’s Division 0 specifications for the non-federal construction Contract and both the Division 0 specifications and the GP-10 through GP-130, inclusive, specifications for the federal construction Contract, on projects for which Design services are

required. All scope required of the Designer in the General Provisions are incorporated by this reference.

1.1.4 Owner

The "Owner" is the person or entity identified as such in the Agreement and is referred to throughout the Exhibits, EDCs, the drawings and documents of the Owner's Master Design Guidelines as if singular in number.

1.1.5 Owners Authorized Representative (OAR)

The OAR is either the Owner's staff, non-staff person or entity identified to provide administration of the Agreement and shall be selected by the Owner. The specific person or entity which will perform the OAR's responsibilities shall be identified at the beginning of these Sections. The OAR is referred to throughout the Exhibits, EDCs, the drawings and documents of the Owner's Master Design Guidelines. The OAR will utilize EDC-27 GOAA Engineering Procedures for Senior Project Manager design management and EDC-35 Owner's Authorized Representative General Scope of Services for Construction.

1.1.6 Terms Defined in Other Documents

Except as otherwise defined herein, the capitalized terms in this Agreement which are defined in the General Provisions or the Agreement for Professional Services will have the same meaning throughout the Agreement.

1.2 Coordination with Other Documents

1.2.1 The Owner's General Provisions will be used as the general provisions for construction of the Project and this EDC. The Designer's scope of services shall include all the services described in the General Conditions as by Designer. The Designer shall not specify or modify documents in conflict with these General Provisions. The Owner's and OAR's scope of services are described and defined in the General Provisions. This EDC-09 is attached to the Professional Services Agreement for Design Services.

SECTION 2 - BASIC SERVICES TO BE PROVIDED BY THE DESIGNER

2.1 Design Services Checklist and Deliverables

2.1.1 The Design Services Checklist, EDC-08, is incorporated into the Agreement by reference. EDC-08 defines specific Services required from the Designer under the Agreement, but is not intended to limit the services to provided by the Designer, and is not considered to be all inclusive of the services required to complete the Work. The Designer is solely responsible for providing a complete and thorough design of the Project.

2.1.2 The "Project Deliverables" set forth in EDC-06 is also incorporated into the Agreement by reference. EDC-06 defines the minimum requirements for drawings and documents prepared by the Designer for the Owner. Complex systems may require greater detail or large scales to adequately define the scope of work.

2.2 Data Collection/Preliminary Design Phase

2.2.1 The Designer shall attend the Design Kick-Off Meeting. The purpose of the meeting will be to discuss the Project requirements and to introduce the Designer's and Owner's representatives for the Project.

2.2.2 After the Design Kick-Off Meeting, the Designer shall review the Owner's library of Record Drawings and Documents and select the drawings and documents, if any, which may be applicable to the Project. The Designer shall also field verify both the applicable Record Drawings and Documents, and existing site conditions, as required by the Project Deliverables, EDC-06.

2.2.3.1 The Designer is responsible to have knowledge of the project's geographical location and the environmental conditions for the construction and operation of the facility. The Design shall identify and analyze requirements of governmental authorities having jurisdiction to approve the portions of the Project designed by the Designer with whom consultation is to be undertaken in connection with the Project.

2.2.3.1.1 The Designer shall thoroughly familiarize itself with all existing conditions and available as-built documentation that relate in any way to the Project or Services requested.

2.2.3.1.2 The Designer is responsible to identify all the permitting requirements for the construction and operation of the facility and provide the listing to the Authority at the 30% design submittal. The Permit Listing shall include a schedule of when the permits will be required for the Project.

2.2.3.1.3 For phased Work the Permit Listing shall also include any required multiple permits needed to obtain a Certificate of Occupancy.

2.2.3.2 The Designer shall not contact the permitting authorities directly on the Owner's behalf without the Owner's consent.

2.2.3.3 For projects funded by the Federal Aviation Administration (FAA) and project funded by the Florida Department of Transportation (FDOT), the Design and Engineer's Report shall comply with all FAA and FDOT requirements as promulgated by the FAA's Orlando Airport District Office and by the FDOT.

2.2.4 The Designer shall evaluate alternate solutions available and, after consultation with the Owner, recommend to the Owner those solutions which, in the Designer's judgment, best meet the Owner's requirements for the Project.

2.2.5 The Designer shall prepare a Preliminary Engineering Report which will contain the statement of the Owner's requirements for the Project, and, as appropriate, will contain schematic layouts, sketches and conceptual design criteria with appropriate exhibits to indicate the considerations involved and those alternate solutions available to the Owner which the Designer recommends. This Report shall be accompanied by the Designer's updated opinion of Construction Cost for each solution which is recommended for the Project.

2.2.6 The Designer shall submit this Preliminary Engineering Report to the Owner, and revise it as required to resolve the Owner's comments.

2.3 Schematic Design (30%)

2.3.1 Based on the approved Preliminary Engineering Report, the recommended solutions selected by the Owner and the specific modifications or changes in the scope, extent, character or design requirements of the Project agreed upon by the Owner and Designer in writing, the Designer shall prepare the preliminary design documents consisting of final design criteria, preliminary drawings, outline specifications and written descriptions of the Project. The requirements for the 30% Submittal are further defined in EDC-06.

2.3.2 The Designer shall prepare and submit a revised opinion of probable Construction Cost based upon the 30% Submittal. When required by the owner the Designer shall reconcile this estimate with an independent estimate prepared by others.

2.3.3 The Designer shall participate in a Technical Review meeting with the Owner to review and address Owner's comments on the 30% submittal. The Designer shall also prepare and submit to the Owner, no later than two (2) weeks after the Technical Review Meeting, or prior to the next submittal, whichever occurs first, a written reply to each of Owner's comments which explains how each comment is being resolved, and where the resolution will be in the plans, specifications or contract documents.

2.4 Design Development (60%)

2.4.1 On the basis of the Schematic Design documents, including the Owner's comments after review of the 30% Submittal, the modifications or changes in the scope, extent, character or design requirements of the Project agreed upon by the Owner and Designer and the revised reconciled opinion of probable Construction Cost, the Designer shall prepare for incorporation in the Contract Documents intermediate Specifications and Drawings showing the scope, extent and character of the Work to be performed and furnished by the Designer, and as further defined in EDC-06.

2.4.2 The Designer shall provide technical criteria, written descriptions, design data and completed permit application forms for the Owner's use in filing applications for permits with or obtaining approvals of such governmental authorities as have jurisdiction to review or approve the final design of the Project, and shall assist the Owner in consultations with appropriate authorities. The Designer shall not, however, directly contact such permitting authorities on the Owner's behalf without the prior consent of the Owner.

2.4.3 The Designer shall prepare and submit a revised opinion of probable Construction Cost, and define any adjustments to the estimate since completion of the 30% estimate. When required by the owner the Designer shall reconcile the 60% estimate with an independent estimate prepared by others.

2.4.4 The Designer shall prepare, as part of its 60% submittal, for review and approval by the Owner, its legal counsel and other advisors, preliminary contract agreement forms, general conditions and other conditions, and bid forms, invitations to bid and instructions to bidders, all of which will be consistent in form and substance with the standard forms and pertinent guide sheets provided by the Owner.

2.4.3 The Designer shall participate in a Technical Review meeting with the Owner to review and address Owner's comments on the 60% submittal. The Designer shall also prepare and submit to the Owner, no later than two (2) weeks after the Technical Review Meeting, or prior to the next submittal, whichever occurs first, a written reply to each of Owner's comments which explains how each comment is being resolved, and where the resolution will be in the plans, specifications or contract documents.

2.5 Construction Documents (95%)

2.5.1 On the basis of the Design Development Design documents, including the Owner's comments after review of the 60% Submittal, the modifications or changes in the scope, extent, character or design requirements of the Project agreed upon by the Owner and Designer and the revised reconciled opinion of probable Construction Cost, the Designer shall prepare for incorporation in the Contract Documents final Specifications and Drawings showing the scope, extent and character of the Work to be performed and furnished by the Designer, and as further defined in EDC-06.

2.5.2 The Designer shall prepare, and include in the 95% submittal, for review and approval by the Owner, its legal counsel and other advisors, final contract agreement forms, General Provisions and supplementary conditions, and bid forms, invitations to bid and instructions to bidders.

2.5.3 The Designer shall participate in a Technical Review meeting with the Owner to review and address the Owner's comments on the 95% submittal. The Designer shall also prepare and submit to the Owner, no later than two (2) weeks after the Technical Review Meeting, or prior to the next submittal, whichever occurs first, a written reply to each of the Owner's comments which explains how each comment is being resolved, and where the resolution will be in the plans, specifications or contract documents.

2.6 Bid Documents

2.6.1 The Designer shall participate in a Technical Review meeting with the Owner to review and address Owner's comments on the 100% submittal. The Designer shall also prepare and submit to the Owner, no later than one (1) week after the Technical Review Meeting, or prior to the next submittal, whichever occurs first, a written reply to each of Owner's comments which explains how each comment is being resolved, and where the resolution will be in the plans, specifications or contract documents. The Designer shall resolve all of the comments from the Owner's review of the 95% Submittal, and modify the Specifications, Drawings and Bid Documents accordingly to produce the 100% complete Bid Documents.

2.6.2 The Designer shall prepare and submit an updated opinion of probable Construction Cost and define any adjustments to the estimate since completion of the 95% estimate. The Designer shall reconcile the 100% estimate with an independent estimate prepared by others.

2.7 Bidding and Award

2.7.1 The Designer shall assist the Owner in advertising for and obtaining bids or proposals for the contract for construction, materials, equipment and services; maintain a record of prospective bidders to whom Bid Documents have been issued; attend Pre-Bid Conferences; reproduce and distribute Bid Documents and Addenda to the Owner, plan rooms and prospective Bidders; and receive and process payments, if any, for Bid Documents.

2.7.2 The Designer shall prepare and issue Bid Addenda, as required, to clarify, correct or change the Bid Documents.

2.7.3 The Designer shall attend the Bid Opening, prepare bid tabulation sheets and assist the Owner in evaluating bids or proposals and in assembling and awarding contracts for construction, materials, equipment and services. The Designer will review bids and proposals and any relevant market conditions related to such bids, and provide a written evaluation thereof, including a detailed analysis of bids potentially subject to award which may appear to be unreasonably higher or lower than the reconciled estimate (when applicable), and provide a recommendation to award. The Designer shall note in the evaluation any irregularities, deviations, qualifications or conditions set forth in such bids or proposals.

2.8 Construction Phase

2.8.1 The Designer shall attend the Pre-NTP and Pre-Construction Conference meetings conducted by the Owner prior to the start of construction activities.

2.8.2 The Designer shall prepare, reproduce and distribute Contract Documents and Specifications, and Conformed Contract Documents and Specifications to the Owner, Contractor and the Owner's Authorized Representative (OAR).

2.8.3 The Designer's role during the Construction Phase is to assist the Owner and OAR in the administration of the construction contract. Specific duties of the Designer are further defined in the General Provisions, which are included by reference in the Agreement during the Construction Phase of the Project.

2.8.4 The Designer shall attend the Owner's Job Coordination Meeting (JCM) meetings during the term of the construction contract. These meetings will be typically held every two weeks or as otherwise directed by the Owner.

2.8.5 The Designer shall make visits to the site at intervals appropriate to the various stages of construction in order to observe, as an experienced and qualified design professional, the progress and quality of the various aspects of the Contractor's Work. Such visits and observations by the Designer are not intended to be exhaustive or to extend to every aspect of the Work in progress, or to involve detailed inspections of the Work beyond the responsibilities specifically assigned to the Designer in this Agreement and the Contract Documents, but rather, entail a general observation of the Work based upon the Designer's exercise of professional judgment in accordance with the governing standard of care. During each site visit, the Designer shall check that the Contractor is maintaining accurate and up-to-date As-Built Drawings on site. Based upon information obtained during such visits and such observations, the Designer shall endeavor to determine if such Work is proceeding in accordance with the Contract Documents, and the Designer shall submit written reports to the Owner after each site visit to keep the Owner informed of the progress and observed quality of the Work. Such reports shall specifically identify, following such general observation, any deviations from plans, specifications, or codes, any defects, and any unsafe conditions, identified by the Designer.

2.8.6 The Designer shall not, during such visits to the site, or as a result of such observations of the Contractor's Work in progress, supervise, direct or have control over the Contractor's Work nor shall the Designer have authority over or responsibility for the means, methods, techniques, sequences or procedures of construction selected by the Contractor, for safety precautions and programs incident to the Work of the Contractor or for any failure of the Contractor to comply with laws, rules, regulations, ordinances, codes or orders applicable to the Contractor's furnishing and performing the Work. Accordingly, the Designer neither guarantees the performance of any Contractor nor assumes

responsibility for any Contractor's failure to furnish and perform its Work in accordance with the Contract Documents.

2.8.7 During such visits and on the basis of such observations, the Designer shall submit a written recommendation to the OAR, with a copy to the Owner, recommending disapproval of or rejection of the Contractor's Work while it is in progress or after completion if the Designer believes that such Work will not produce a completed Project that conforms generally to the Contract Documents or that it will prejudice the integrity of the design concept of the completed Project as a functioning whole as indicated in the Contract Documents.

2.8.8 The Designer shall issue necessary clarifications and interpretations of the Contract Documents as appropriate, and when requested by the OAR, to allow the orderly completion of the Work. Such clarifications and interpretations will be consistent with the intent of and reasonably inferable from the Contract Documents.

2.8.9 The Designer shall receive from the OAR all Contractor requests for Contract Modifications in the Work, including adjustments to the Contract Sum. Within five (5) working days after receipt, the Designer will respond to the Owner and OAR with a written recommendation of approval, adjustment or rejection for entitlement to such request. If the Designer determines that anything less than full entitlement exists, the response shall include an explanation with specific references to the applicable sections of the Contract Documents and Drawings which support the finding of partial or no entitlement. The OAR, at the Owners request, shall prepare the Change Orders, Construction Change Directives and Minor Change in the Work and will make available to the Designer. When specifically requested by the Owner the Designer shall prepare, reproduce and distribute drawings and specifications to describe the changes in the Work, and shall assist with the permitting of same. The Designer shall review and sign the Owner's executed Contract Modifications within five (5) working days unless specifically extended by the OAR.

2.8.10 The Designer shall review and take other appropriate action in respect of Shop Drawings and Samples and other data which the Contractor is required to submit, but only for conformance with the information given in the Contract Documents and compatibility with the design concept for the completed Project as a functioning whole as indicated in the Contract Documents. Such reviews and other action will not extend to means, methods, techniques, sequences or procedures of construction or to safety precautions and programs incident thereto.

2.8.11 The Designer shall evaluate and determine the acceptability of substitute materials and equipment proposed by the Contractor, but subject to the provisions of the Contract Documents, and submit a written recommendation to the OAR.

2.8.12 The Designer may require special inspections or tests of the Work, and shall receive and review all certificates of inspections, tests and approvals required by laws, rules, regulations, ordinances, codes, orders or the Contract Documents. The Designer's review of such certificates will be for the purpose of determining that the results certified include compliance with the Contract Documents and will not constitute an independent evaluation that the content or procedures of such inspections, tests or approvals comply with the requirements of the Contract Documents. The Designer shall be entitled to rely on the results of such tests.

2.8.13 The Designer shall render the initial decisions on all claims of the Owner and Contractor relating to the acceptability of the Work or the interpretations of the requirements of the Contract

Documents pertaining to the execution and progress of the Work. In rendering such decisions, the Designer shall be fair and not show partiality to the Owner or Contractor and shall not be liable in connection with any decision rendered in good faith in such capacity.

2.8.14 Based upon the Designer's on site observations as an experienced and qualified design professional and on review of Applications for Payment and the accompanying data and schedules, the Designer shall review the OAR's recommended amounts for payments to the Contractor. Such review of the recommendations of payment and timely signature will constitute the Designer's representation to the Owner and OAR, based upon such observations and review, that, to the best of the Designer's knowledge, information and belief, the Work has progressed to the point indicated, the quality of such Work is generally in accordance with the Contract Documents (subject to an evaluation of such Work as a functioning whole prior to or upon Substantial Completion, to the results of any subsequent tests called for in the Contract Documents and to any other qualifications stated in the recommendation), and the conditions precedent to the Contractor's being entitled to such payment appear to have been fulfilled insofar as it is the Designer's responsibility to observe the Work. In the case of unit price Work, the Designer's recommendations of payment will include review of the OAR's determinations of quantities and classifications of such Work (subject to any subsequent adjustments allowed by the Contract Documents).

2.8.14.1 Assist the OAR with the review, and negotiate as necessary, the Contractor's Schedule of Values to reach a mutually acceptable form prior to the First Application for Payment.

2.8.15 Following notice from the OAR that the Contractor considers the entire Work ready for its intended use, the Designer, Owner and OAR, accompanied by the Contractor, shall conduct an inspection to determine if the Work is substantially complete. If, after considering any objections of the Owner, Contractor and OAR, the Designer considers the Work substantially complete, the Designer shall recommend the issuance of a Certificate of Substantial Completion to the Owner by the OAR.

2.8.16 The Owner, OAR and Designer shall conduct a final inspection to determine if the completed Work of the Contractor is acceptable so that the Designer may recommend, in writing, final payment to the Contractor.

2.9 Project Close-Out

2.9.1 The Designer will prepare the Record Documents based upon the As-Built Drawings and Documents received from the OAR. The OAR will have reviewed and accepted the Contractor's As-Built Drawings and Documents when in their opinion they meet the intent of the Contract Documents and field observations. The Designer will prepare a complete set of Record Drawings representing, to the best of their knowledge, the as-built conditions of the Work, as further detailed in EDC-06.

2.9.2 The Designer will review all Close-out Documents and Manuals for conformance with the Contract Documents.

2.10 Project Budget and Designer's Opinions of Probable Cost

2.10.1 The Designer's opinions of probable Construction Cost provided for herein are to be made on the basis of the Designer's experience and qualifications, and represent the Designer's best judgment as an experienced and qualified design professional generally familiar with the construction industry.

2.10.2 If, at any time during the design of the Project, the Designer determines that the probable Construction Cost of the Work exceeds the budget established by the Owner, the Designer shall immediately advise the Owner in writing with an explanation of the cause of the anticipated cost overrun and recommendations on how to reduce the probable Construction Cost to within budget.

2.10.3 In the event that the lowest bona fide bid or proposal for construction of the Work exceeds the Designer's Opinion of Probable Construction Cost by 10% or greater, the Owner may, at the Owner's sole discretion, require the Designer, without additional compensation, to modify the Bid Documents and Drawings as required to reduce the Construction Cost to within the Owner's budget for the Work, and to provide all the Services associated with readvertising for construction bids, including reproduction and distribution of documents, and advertising costs. The modifications necessary to accomplish this reduction in Construction Cost shall be subject to the Owner's approval, and shall not change the basic intent or function of the Project.

2.11 Verification of Existing Conditions at Site

2.11.1 The Designer shall verify all existing conditions at site which may impact the design and construction of the Project and shall clearly indicate all such existing conditions on the Drawings in accordance with the requirements defined in EDC-06. All major systems, such as electrical, mechanical and plumbing, shall be field verified regardless of whether the system is impacted by the Project.

2.12 Design Phase Services

2.12.1 The Consultant agrees that the milestone dates shown on this Schedule for performance of the Services, including submittal and 100% completion of design dates, are reasonable, and the Consultant will complete all Services accordingly.

2.13 Owner's Representative

2.13.1 The Owner's Representative will have complete authority to transmit instructions, receive information and interpret and define the Owner's policies and decisions with respect to the Designer's Services for the Project, provided that such direction does not impact the scope, budget or schedule for the Services. The Owner's direction that impacts the scope, budget or schedule of the Services must be documented and must be signed by the Owner's Deputy Executive Director of Facilities.

2.14 Coordination

2.14.1 The Services to be performed by the Designer require the Designer, the OAR and the Contractor to work together harmoniously. The Designer, the OAR and the Contractor shall respond fully and promptly to each other's requests for information and advice, and each shall give due consideration to the advice and suggestions of the other. The Designer, OAR and Contractor shall cooperate with one

another in all matters. If the Designer, OAR or Contractor disagree on any matter, they shall promptly refer the matter to the Owner for resolution.

2.14.2 The Designer is required to coordinate with the other Designers, Contractors and OARs working on adjacent and/or concurrent projects to resolve issues related to the Work. The Designer is also required to coordinate among the various departments of the Owner, the Owner's tenants, the airlines and all other organizations which may be affected by the Work. The Designer is responsible for anticipating when this coordination is required and the parties that are affected, and for notification of the Owner that the coordination is required. When requested by the Owner, the Designer shall proceed with initiating the coordination, including all follow-up necessary to ensure successful resolution of the issues.

Receipts must be machine validated cash register or credit card receipts. Stubs from guest checks are not acceptable. The Chief Executive Officer may waive (under special circumstances) any requirement for the disclosure of names of business clients or guests. In this event, the payment voucher shall contain a statement noting the special circumstances justifying the waiver.

3. Joint Travel Missions. On occasion, the Aviation Authority will enter into a joint travel mission that may be for business, economic, or tourist development reasons with organizations including, but not limited to, the Economic Development Commission, the Orlando Orange County Convention and Visitors Bureau, Chamber of Commerce, etc. When these joint ventures are undertaken, the Aviation Authority will pay travel costs based upon the invoice submitted by the host agency which will be generally distributed among agencies in a predetermined manner. Travel Services will perform procedures to determine that the amounts charged to the Aviation Authority are financially comparable to amounts which would be charged if the Aviation Authority were arranging the trip. Any meals, lodging or incidental expenses not included in the invoice will be reimbursed in accordance with the standard guidelines found elsewhere within these policies. All such travel shall be authorized in advance by the Chief Executive Officer.
4. Travel for Employment Interviews. Travel and transportation expenses of the Aviation Authority's employment applicants will be reimbursed in accordance with this policy. All travel arrangements and lodging will be made or approved by Travel Services.
5. Honorarium Travel. Travel in connection with Honorarium events may have related costs waived or paid by a sponsoring organization, if written acknowledgement is provided.
6. Complimentary Upgrades.
 - a. Authorized Travelers will not accept a Complimentary Upgrade of seating on any flight.
 - b. If an Authorized Traveler is deemed to have accepted a Complimentary Upgrade, the Authorized Traveler will pay to

the airline the lowest calculated difference between the class of travel purchased and the upgraded class.

c. The following are not considered Complimentary Upgrades:

- Use of frequent flyer miles or other upgrade benefits to obtain a higher class of airfare.
- Use of system-wide upgrades.
- Compensation paid to passenger who qualifies as Denied Boarding Customer (DBC).
- Standby Seats assigned by the airline, regardless of seat assignment.
- Airline requests the Authorized Traveler to change seat/class due to the flight being oversold.

7. Most Economical Method. Authorized Travelers are required to use the Most Economical Method of travel. Travel Services may reserve refundable or nonrefundable airfares as deemed appropriate under the circumstances. If an Authorized Traveler departs early or returns late to take advantage of reduced airfares, lodging and meals will be reimbursed in accordance with this Policy, provided that a net savings to the Aviation Authority is realized and such savings are documented in advance with the Travel Authorization & Expense Report.

8. Physically Disabled, Sick, Injured, or Fatigued Travelers. Any traveler who is on authorized travel, and becomes sick or injured, to the extent they can no longer perform the Aviation Authority's business, may be eligible to continue receiving meal allowances, and other reasonable expenses during his or her incapacitation. This eligibility may extend until such time as the Authorized Traveler is able to continue to perform the Aviation Authority's business, or return to official headquarters, whichever is earlier.

In order to qualify, the traveler must notify the Department Director, Senior Director and/or Chief Executive Officer as soon as possible, but not later than 24 hours after incurring the illness or injury, and receive authorization for continued reimbursement. Notwithstanding any provision contained herein to the contrary, the Aviation Authority may reimburse or pay travel expenses incurred by the physically fatigued or disabled traveler, which are in excess of the travel expenses ordinarily authorized, provided such excess travel expenses are reasonable and necessary under the circumstances for the safe travel of the physically disabled or fatigued individual. Any and all reasonable and necessary expenses being claimed by the traveler must be accompanied by sufficient documentation to justify the expense(s).

9. Emergency Travel. The Chief Executive Officer may authorize travel for any employee, Authority Board member, or other traveler pursuant to emergency notice. The requirements of Section 4.1 of this policy may be waived at the discretion of the Chief Executive Officer whenever travel is pursuant to emergency notice. Travel Expense Reports shall be submitted upon completion of travel in accordance with Section 13 herein.
10. Election of Reimbursement Method. A consistent method of reimbursements for meals and/or lodging shall be elected for each travel request, as follows:

For domestic travel, a traveler may elect to receive either:

- 1) a Per Diem of \$50 per day (inclusive of meals and lodging) or,
- 2) a standard meal allowance plus lodging and incidentals (with receipts for lodging and applicable incidentals).

For international travel, a traveler may elect to receive either:

- 1) a Per Diem allowance for meals and incidentals as published in the “Standardized Regulations-Government Civilians, Foreign Areas” not to exceed 100% of published amounts (no receipts required), plus reimbursement for lodging based on actual receipts not to exceed 150% [prorated for day rate or early check-in, in accordance with Section 6.2(b)] of published amounts.
- 2) Reimbursement of meals and incidentals based on actual receipts, not to exceed 150% of published amounts, plus reimbursement for lodging based on actual receipts not to exceed 150% [prorated for day rate or early check-in, in accordance with Section 6.2(b)] of published amounts.

6. Rates of Payment

1. Per Diem.
 - a. \$50 Per Diem (Domestic only): An Authorized Traveler may elect to receive a Per Diem of \$50 per travel day while engaged in authorized travel in excess of one Travel Day. If a traveler elects the \$50 Per Diem, no lodging expense or meal allowance will be paid or reimbursed for such day. Receipts are not required if a

traveler elects to receive a \$50 Per Diem instead of payment or reimbursement of lodging expense and a meal allowance.

b. International: An Authorized Traveler may elect to receive the Per Diem for meals and incidentals as published in the Standardized Regulations, not to exceed 100% of published amounts at the time of travel. Receipts are not required if a traveler elects to receive a Per Diem in lieu of actual reimbursement of expenses for meals and incidentals.

2. Lodging. A traveler may be reimbursed for the actual cost of a single occupancy hotel room for travel that requires overnight absence from official headquarters. Travel Services will consider, in the following order of importance, the traveler's safety, the convenience of the hotel location for the traveler's business, the duration of transportation and the time of commencement and/or conclusion of Aviation Authority business, and the rate guidelines as outlined in the paragraph below, when making hotel reservations. Lodging expenses must be substantiated by an itemized receipt.

a. Domestic Lodging Rates. Reimbursement or payment for domestic lodging is limited to the group rate, if available. If a group rate is not available, lodging expenses are limited to reasonable amounts for the area traveled. Primary responsibility for the reasonableness of amounts charged rests with the approving authority as indicated under Section 4.1 herein.

b. International Lodging Rates. Airline schedules into many long haul destinations in Europe, Asia, South America, etc. typically result in Authorized Travelers arriving at their destination before the business day begins. Where Aviation Authority business is conducted the same day of arrival, lodging expenses for day rate or early check in (typically for a ½ day/ reduced rate) if available, are permitted for Authorized Travelers arriving at an international destination before 11:00 a.m. International lodging expenses are limited to reasonable amounts, not to exceed 150% and prorated for day rate or early check in [for example, 75% (1/2 of 150%) for 1/2 day rate] of the amount published in the Standardized Regulations for the area traveled at the time of travel, or the conference rate. Expenses will be reviewed by the approving authority as indicated under Section 4.1 herein for reasonableness.

- c. In-State Lodging -- Tax Exemption. When reserving lodging within the State of Florida, an Aviation Authority credit card payment or an advance check shall be made payable to the lodging facility being used, to ensure exemption from sales tax. Travel Services or its authorized representative, will make the appropriate arrangements with the lodging facility and Finance.
 - d. Non-reimbursable Expenses. Additional amounts charged to the room, including but not limited to movies or alcoholic beverages, will not be reimbursed. Snacks and non-alcoholic beverages from mini bars can be reimbursed if included in the Per Diem reimbursement.
3. Meals. In order to comply with the IRS regulations, two meal allowance standards are being allowed. The traveler must elect one of the two methods, receipted or unreceipted, and apply that method consistently throughout his or her Travel Period.
- a. The unreceipted meals allow the traveler to be reimbursed up to a standardized amount without a need to submit receipts.
 - b. Receipted meals allow the traveler to be reimbursed up to a specified amount, but must be accompanied by a receipt reflecting the amount spent on the meal. The receipt must be a machine validated itemized cash register or credit card receipt. Stubs from guest checks are not acceptable.
 - c. Meal Allowances for Domestic and International Flights. For the purpose of determining meal allowance, the Travel Day shall begin two hours before departure on domestic flights and three hours before departure on International flights.
 - 1) Travel Within the US or Two Cities Within Another Country
When traveling between cities where meal allowance varies, the traveler will be reimbursed at the allowance rate for the city in which the meal is consumed.
 - 2) Travel Between Countries
When traveling between countries where the meal allowance varies, an Authorized Traveler

will be reimbursed at the allowance rate for the particular city in which he or she consumes the meal.

- d. Meal Allowance Traveling via Ground Transportation. Travel involving ground transportation shall commence at the time of departure. However, meals during Daily Travel, as defined in Section 2, shall not be reimbursed.
- e. Domestic Meals. Domestic unreceipted meals will be calculated at the maximum amount for cities as listed in the current GSA CONUS guide. Receipted meals will be reimbursed at actual amounts not to exceed the GSA CONUS amount plus 30% (multiply the GSA CONUS amount by 1.3 and round up to the nearest dollar).
- f. International Meals. These will be reimbursed in accordance with the Standardized Regulations, either at: (1) the Per Diem amounts for meals and incidentals at 100% of the current rate (without need for receipts); or (2) actual itemized receipts not to exceed 150% of the current rate. Either method selected generally shall include any and all meal gratuities, unless documented in writing and approved by the Aviation Authority under Section 4.1. The method for reimbursement shall be consistent for all meals on a trip. The current rates of international meal allowances shall be available from Travel Services.
- g. Allocation of Meal Reimbursement. All meal reimbursements will be allocated and reimbursed as listed below. Authorized meal allowances are generally inclusive of any and all gratuities. Exceptional gratuities must be documented in writing and approved by the Aviation Authority under Section 4.1.
 - 20% for breakfast if authorized travel commences after midnight and before 8 a.m. or if authorized travel ends after midnight and before 12 noon and for authorized Travel Days between the day travel commences and the day it ends.
 - 30% for lunch if authorized travel commences before 1 p.m.. or if authorized travel ends after 1 p.m. and for Travel Days between the day authorized travel commences and the day it ends.

50% for dinner if authorized travel commences after 1 p.m. and before midnight or if authorized travel ends after 6 p.m. and before midnight and for Travel Days between the day the authorized travel commences and the day it ends.

- h. Allocation of Meal Allowances. Any meal expenditure incurred by an Authorized Traveler while with a Business Client or authorized Guest shall be separately reimbursed in accordance with Section 10 of this policy. When a meal is reimbursed as an Entertainment Expense, the allocable portion of the daily meal allowance for that meal will not be reimbursed.
- i. Expenditure Amounts. Limitations on expenditures set forth above are applicable to Authorized Travelers when not accompanied by a Business Client or authorized Guest. When accompanied by a Business Client or Guest, expenditures shall be made in accordance with Sections 5 and 10 of this policy.
- j. Complimentary Meals. If a complimentary or sponsored meal is provided or is included in a registration fee paid by the Aviation Authority, it shall be the traveler's option to accept or decline these meals. Continental breakfasts and snacks do not constitute complimentary meals.

7. Transportation

1. General Requirement. All travel must normally be by the usually traveled direct route or method. If a person travels by an indirect route or any other method for his or her own convenience, any extra costs shall be borne by the traveler and reimbursement or payment of expenses shall be based only on such charges as would have been incurred by use of the usually traveled route or method.

Travel Services shall recommend the Most Economical Method of travel and the usually traveled direct route for any trip.

2. Commercial Air Travel. Commercial air travel will be by premium economy (however this may be designated by an airline). First class rates may be authorized by the Chief Executive Officer, (1) if a statement from the common carrier or Travel Services or its authorized representative is included with the travel request stating that premium economy class [or

business class in accordance with (a) (1), (a) (2), or (b) below] is not available for the date and time the travel is requested, or (2) for medical reasons, if substantiated in writing by a physician.

- a. International Airfare. The Chief Executive Officer may authorize a traveler to use an airline's business class for any International Travel segment to avoid or minimize undue physical fatigue due to length of trip, number of travel segments, or changes in time zones, when pre-approved by the Chief Executive Officer in accordance with Form 430.02.02, Request for Pre-Approval to Travel in Business Class.

Travel Services may book travel in business class in the following circumstances:

- (1) for International Travel if any segment of the flight exceeds 3 hours of travel.
- (2) if the flight has multiple segments, business class may be authorized when the entire flight from point of origin to point of destination (including any domestic segments of the trip) exceeds 5 hours.

For purposes of this section, the term "business class" shall mean a class of travel for which the fare is greater than tourist, coach, or premium economy class but which is less than first class.

- b. Domestic Airfare. Travel Services may book travel in business class if any segment of the flight exceeds 4 hours of travel.
- c. Private Aircraft. Notwithstanding the provisions of the preceding paragraphs, a traveler on a private aircraft shall be reimbursed for the actual amount charged and paid for such traveler's fare up to the most economical cost of a coach class commercial airline ticket for the same flight, even though the owner or pilot of such aircraft is also entitled to reimbursement for transportation expense for the same flight. However, the owner or pilot may not receive from the Aviation Authority a combined amount which exceeds his or her actual expenses.
- d. Unused Ticket. All unused portions of airline tickets for which the fare is paid or reimbursed by the Aviation Authority shall be forwarded to Travel Services by the traveler. A statement

must be attached explaining why the portion of the ticket was not used.

- e. Receipts. All travel expense reports with airfare must be accompanied by the ticket receipt.
- f. Personal Travel. Personal travel combined with business trips are allowed when approved in advance. Personal travel must be taken on one's own time and at no expense to the Aviation Authority. Any additional expense over the ticketed cost as determined by this policy for the business portion of the trip is the responsibility of the traveler. Personal airfare must be reimbursed to the Aviation Authority in advance of the travel, if known. Unless Travel Services estimates that funds advanced will be greater than expenses to be reimbursed to the Authorized Traveler, an Authorized Traveler who alters travel plans for personal reasons should pay any additional cost of transportation directly to the Aviation Authority at the time of purchase or if paid directly to the provider, the employee will not charge such additional cost to the Aviation Authority nor request reimbursement of such additional cost.

3. Car Rentals

- a. Authorization. Use of a rental car must be included on the Travel Authorization & Expense Report and deemed to be more economical, efficient or appropriate than alternative forms of ground transportation. Rental cars must be approved in advance by the Chief Executive Officer or Department Director.
- b. State Contract. Whenever available, approved vehicles shall be rented in accordance with the intermediate size vehicle listed on the annual contract for rental cars competitively bid by the State of Florida. An explanation for use of rental cars obtained from a source other than the State contract vendor must be justified in writing and approved by the Chief Executive Officer in advance. Use of a rental vehicle larger than an intermediate size described in the State contract, which is required to transport business clients or materials, must be included in the Travel Authorization & Expense Report and approved by the Chief Executive Officer or Department Director in advance.
- c. Insurance. Collision damage waiver insurance is required when renting a car for business travel. Normally, the State

Contract for rental cars includes this coverage in the rental rate for Authorized Travelers. Travel Services will inform the traveler if this insurance must be purchased separately at the time of travel.

4. Privately Owned Vehicles

The approving authority as indicated on page 4 herein may authorize the use of a privately-owned vehicle for travel on behalf of the Aviation Authority in lieu of Aviation Authority-owned or rented vehicles or common carriers.

An Authorized Traveler who requests, and is approved the use of a privately-owned vehicle, shall be entitled to a mileage allowance at the rate set forth in Section 7 or the air carrier fare for such travel, whichever is less.

All travel which is subject to a mileage allowance shall be shown from point of origin or the traveler's official headquarters, whichever is less, to point of destination and return, and if possible, shall be computed using a web based mapping program, such as MapQuest.

Actual vicinity mileage necessary for the conduct of Aviation Authority business is allowable but must be shown as a separate item on the Report.

No reimbursement other than a mileage allowance shall be allowed for expenditures related to the operation, maintenance or ownership of a privately-owned vehicle, except as provided above and in the Incidental Expenses, Section 8.

The Aviation Authority shall not enter into an agreement in which a depreciation allowance is used in computing the amount paid to an individual for the use of a privately-owned vehicle on Aviation Authority business.

- a. Auto Allowance. The Chief Executive Officer may grant reasonable monthly allowances in fixed amounts for use of privately-owned vehicles on Aviation Authority business instead of the mileage allowances provided for herein. Such allowances shall be established by taking into account the customary use of the vehicle, the roads customarily traveled and whether any of the expenses incidental to the operation, maintenance or ownership of the vehicle is paid from public funds. Such allowance may be changed at any time, and shall

be made on the basis of a statement signed by the traveler and filed before the allowance is granted or changed, and at least annually thereafter.

b. Mileage Allowance. The mileage allowance for Authorized Travelers shall be calculated in accordance with the Internal Revenue Service published mileage reimbursement rate. Except for actual vicinity mileage discussed above, the Authorized Traveler shall be reimbursed for actual miles submitted for expense reimbursement unless the actual amount exceeds the estimate provided by the Travel Services Department by more than \$5. In such cases, additional justification shall be required prior to reimbursement.

5. Chartered Transportation

The Chief Executive Officer or Senior Director may authorize in advance travel to the extent feasible by chartered vehicle or carrier when necessary or where it is to the Aviation Authority's advantage, provided the cost of such transportation does not exceed the cost of transportation by common carrier.

6. Gratuitous Transportation

No traveler shall be allowed either mileage or transportation expense when gratuitously transported by another, or when transported by another traveler who is entitled to mileage or transportation expense.

**8. Incidental
Expenses**

Receipts are required, when available, for the following incidental travel expenses when specific reimbursement is elected under Section 5, Special Conditions of Travel.

- Convention and conference registration fees. Additionally, a traveler may be reimbursed for the actual and reasonable fees for attending events which are not included in a basic registration fee that directly enhance the public purpose of the Aviation Authority's participation at the conference or convention, including, but not limited to, banquets and other meal functions. It shall be the traveler's responsibility, however, to substantiate that such charges are proper and necessary.
- Reasonable tips and gratuities based on the Tipping Standard Guide of the United States, i.e. Valet Attendant \$2, Skycap at the airport, Hotel Doorman and Hotel Bellman \$1 per bag, not to exceed 20% of the underlying expense. Gratuities for meal

allowances shall not be separately reimbursed, unless approved as noted in Section 6.3.

- Actual passport and visa fees required for authorized travel
- Actual and necessary fees charged to purchase traveler's cheques for authorized travel expenses
- Actual fees charged for exchange of currency or other foreign currency transaction fees and related bank charges, including ATM fees, necessary to pay authorized travel expenses
- Actual fees for immunizations required or recommended for authorized travel
- Actual cost of maps necessary for conducting official business
- Actual fees charged by the airlines including seat assignments, early or preferred boarding, baggage fees, blankets, pillows, and other airline fees incurred by the Authorized Traveler for incidental charges that are necessary to accomplish the business purpose of the trip.
- Additional lost baggage and/or travel insurance for international travel
- Taxi, train, or shuttle bus fare
- Storage or parking fees
- Gasoline when using a rental car
- Tolls
- Communication expense incurred in the conduct of Aviation Authority business. Any travel expense report requesting payment of or claiming reimbursement for communication expense charged to a hotel bill or credit card must state the points and parties contacted and the reason for such communications. Aviation Authority Board members shall be reimbursed for reasonable communication expenses related to their individual business while traveling on behalf of the Aviation Authority if so documented. Authorized travelers will not be reimbursed for personal phone calls if deemed unreasonable by the approving authority under Section 4.1.

- Laundry and Pressing. When authorized travel extends beyond 4 days, the traveler may be reimbursed for laundry, dry cleaning, and pressing costs when substantiated by receipts.
- In countries where a language barrier may exist, reimbursement for expenses such as taxi fare, currency exchange fees, or tolls may be made without receipts provided that a statement is attached to the travel report and detailing non-receipted expenses.
- Other travel related incidentals of nominal cost necessary for authorized travel, when substantiated by a receipt. In those isolated situations where receipts are not available, reimbursement may be made provided that a statement by the traveler is attached to the travel report which details non-receipted expenses.

**9. Travel
Advances**

Aviation Authority Board Members and Employees (other than those members/employees possessing Aviation Authority authorized credit cards), who have been authorized to travel may, when necessary, draw an advance of not less than \$25 nor more than the amount of estimated expenses for travel, less amounts prepaid by the Aviation Authority, by completing and submitting the Travel Authorization & Expense Report no less than 5, nor more than 20 working days before said travel. The amount of advance is subject to the approval of the approving authority as indicated on page 4 herein.

- If two or more travel reports are outstanding, no additional travel advances will be issued.
- For any advance that is outstanding for more than 30 days, and is directly attributable to the traveler's failure to properly file the report in a timely fashion, payroll deduction will automatically be made.

**10. Entertainment
Expenses**

Entertainment expenses are allowable for promotional items and services required to provide hospitality for Business Clients and authorized Guests as set forth below:

1. Tangible Items. Hospitality in the form of tangible items, such as tie tacks, medallions, paperweights, and other non-consumable items are distributed by the appropriate Department. Non-consumable items shall be requisitioned through normal purchasing procedures.

2. Recreational Activities. Hospitality in the form of recreational activities may be provided and shall be requisitioned through normal purchasing procedures when possible.
3. Entertainment. Actual and reasonable entertainment expenses incurred by Authority Board members, employees and other authorized persons as described in Section 5 are allowable under this policy only when in the presence of or when physically accompanying a Business Client or authorized Guest.

When incurred in the presence of a Business Client or authorized Guest, entertainment expenses shall be reimbursed for Aviation Authority members and Authorized Travelers, after approval by the approving authority as indicated under Section 4.1 herein.

11. Operational and Promotional

Advances Operational items are those items necessary for the continued smooth operation of the Aviation Authority such as deposits necessary to hold rooms for functions, etc. Promotional items are those items which may be used during the marketing and promotional activities associated with Aviation Authority business such as mugs, gifts for foreign airline officials, etc. Advances of this nature shall be made to an Authority Board member or employee only if the item cannot be requisitioned through normal purchasing procedures because of time constraints or other legitimate operational reasons. The request and justification must be made in writing and approved by the approving authority as indicated under Section 4.1 herein.

12. Receipts While receipts in the prescribed form are required for most payments or reimbursements pursuant to this policy, it is recognized that unexpected circumstances may arise such as language barriers, loss of receipts, or unavailability of receipts, which require an alternative procedure for documentation of reimbursable expenses. In those isolated situations where receipts are not available, a statement must be prepared by the traveler and included in the Travel Authorization & Expense Report. Such certification may then be presented instead of the unavailable or lost receipt.

13. Reporting

1. Domestic Travel. An employee must submit a completed Travel Authorization & Expense Report to the Finance Department with required documentation no later than 20 working days after the travel period has ended.

2. International Travel. An employee must submit a completed Travel Authorization & Expense Report with required documentation to the Finance Department no later than the earlier of 30 working days after the travel period has ended or upon receipt of the credit card statement verifying the international currency exchange rates. A copy of the applicable credit card statement, or appropriate receipts, must be submitted with the Travel Authorization & Expense Report.
3. Reporting Requirements. The following shall be included in completed Travel Expense Reports:
 - a. Trip Benefits. Trip benefits shall be stated on the Travel Authorization & Expense Report indicating significant benefits realized by the traveler as a result of the trip for all travel other than local travel.
 - b. Program Agenda. If not available upon completion of travel, include a statement to that effect on the Travel Authorization & Expense Report.
 - c. Significant Deviations from Estimated Expenses. Significant deviation from estimated expenses (i.e., more than 20% and greater than \$250) shall be explained in the Travel Authorization & Expense Report approved by the approving authority as indicated under Section 4.1 herein.
4. Routing of Completed Travel Authorization & Expense Reports. Completed Travel Authorization & Expense Reports will be reviewed for compliance with this policy by the Finance Department. Audit procedures may be performed by the Internal Audit Department with assistance from external auditors as required.
5. Funds Due Aviation Authority. Any funds advanced in excess of the travel expenses incurred and allowed should be reimbursed to the Authority's Finance Department and a cash receipt form obtained no later than 20 working days for Domestic travel, and 30 working days for International travel, after the travel period has ended. A copy of the cash receipt must be attached to the travel expense report.
6. Funds Due Traveler. Travel Authorization & Expense Reports showing an amount due to or on behalf of an Authorized Traveler will be processed for payment in accordance with standard payment procedures. Payment of undisputed items will be processed for payment within 2 payment cycles.

7. Canceled Trips. Canceled travel requests shall be documented as such and routed through Travel Services. The traveler shall be responsible for requesting refunds for any registration fees, etc., which were expended prior to the required cancellation.

DESIGNATED LOCATION(S) GENERAL AGGREGATE LIMIT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Designated Location(s):

All locations owned by or rented to the Named Insured

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I – Coverage A, and for all medical expenses caused by accidents under Section I – Coverage C, which can be attributed only to operations at a single designated "location" shown in the Schedule above:
1. A separate Designated Location General Aggregate Limit applies to each designated "location", and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.
 2. The Designated Location General Aggregate Limit is the most we will pay for the sum of all damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and for medical expenses under Coverage C regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - c. Persons or organizations making claims or bringing "suits".
 3. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the Designated Location General Aggregate Limit for that designated "location". Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Designated Location General Aggregate Limit for any other designated "location" shown in the Schedule above.
 4. The limits shown in the Declarations for Each Occurrence, Damage To Premises Rented To You and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Location General Aggregate Limit.

- B.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I – Coverage A, and for all medical expenses caused by accidents under Section I – Coverage C, which cannot be attributed only to operations at a single designated "location" shown in the Schedule above:
1. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-completed Operations Aggregate Limit, whichever is applicable; and
 2. Such payments shall not reduce any Designated Location General Aggregate Limit.
- C.** When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Designated Location General Aggregate Limit.
- D.** For the purposes of this endorsement, the **Definitions** Section is amended by the addition of the following definition:
- "Location" means premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.
- E.** The provisions of Section III – Limits Of Insurance not otherwise modified by this endorsement shall continue to apply as stipulated.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

1. A separate Designated Construction Project General Aggregate Limit applies to each designated construction project, and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.
 2. The Designated Construction Project General Aggregate Limit is the most we will pay for the sum of all damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and for medical expenses under Coverage C regardless of the number of:
