**STC QUICK SERVICE FOOD AND BEVERAGE CONCESSION AGREEMENT  
ORLANDO INTERNATIONAL AIRPORT**

**THIS STC QUICK SERVICE FOOD AND BEVERAGE CONCESSION AGREEMENT** (the "Agreement") is made and entered into this 21<sup>st</sup> day of September, 2021, by and between the GREATER ORLANDO AVIATION AUTHORITY, a public and governmental body, existing under and by virtue of the laws of the State of Florida, whose address is One Jeff Fuqua Boulevard, Orlando, Florida 32827-4399 (the "Aviation Authority"), and Orlando F&B Partners LLC, a Florida limited liability company whose address is 3485 N. Desert Dr. Bldg. 2 Ste. 107, Atlanta, GA 30344 (the "Company").

**WITNESSETH:**

**WHEREAS**, pursuant to that certain Amended and Restated Operation and Use Agreement dated August 31, 2015 with the City of Orlando (hereinafter referred to as "City"), the Aviation Authority controls, operates, and maintains an airport in Orange County, State of Florida, known as Orlando International Airport (hereinafter referred to as the "Airport"); and

**WHEREAS**, the Aviation Authority operates and maintains a South Terminal Complex at the Airport, including satellite airside buildings, which contains facilities for basic passenger processing and related services and amenities (hereinafter referred to as the "South Terminal Complex"); and

**WHEREAS**, the Aviation Authority has designated certain areas within the South Terminal Complex from which food and beverage items may be offered for sale and provided for the benefit and convenience of airline passengers and other visitors; and

**WHEREAS**, in accordance with the Aviation Authority's "Policy for Awarding Concession and Consumer Service Privileges in the South Terminal Complex at Orlando International Airport, Orlando, Florida," as amended (the "Concession Policy"), the Aviation Authority has awarded a concession to Company for the non-exclusive right to operate the Premises for the Term and on the terms and conditions hereinafter set forth; and

**WHEREAS**, Company warrants to the Aviation Authority that it meets the eligibility criteria, and it is qualified to conduct the business and meet the obligations hereinafter stated;

**NOW, THEREFORE**, for and in consideration of the Premises and of the mutual covenants hereinafter contained, the parties hereto do hereby agree as follows:

**ARTICLE 1 - DEFINITIONS**

Capitalized terms used in this Agreement and not otherwise defined shall have the following meanings:

A. **"Affiliate"** of any person shall mean any other person directly or indirectly controlling or controlled by, or under direct or indirect common control with such specified person. For the purpose of this definition, "control", when used with respect to any specified person

means the power to direct the management and policies of such person directly or indirectly, whether through the ownership of voting securities, by control or otherwise.

B. **"Agreement"** means this Food and Beverage Concession Agreement by and between the Aviation Authority and Company.

C. **"Agreement Period"** means the Initial Period and each subsequent twelve-month period beginning on October 1<sup>st</sup> and ending on September 30<sup>th</sup> during the Term of this Agreement; provided, however, that with respect to any year in which the Term of this Agreement expires or is terminated in accordance with the provisions of this Agreement, Agreement Period shall mean the period from the first day of the Initial Period or other Agreement Period to the date of expiration or termination of the Term.

D. **"Airport Concession Disadvantaged Business Enterprise or ACDBE"** means that as set forth in the Aviation Authority's ACDBE Program. An ACDBE is an entity that is a for-profit, small business concern: a) which is at least fifty-one percent (51%) owned by one or more minorities or other disadvantaged individual, or in the case of a publicly owned business, at least fifty-one percent (51%) of the stock of which is owned by one or more disadvantaged individuals; and b) whose management and daily business operations are controlled by one or more disadvantaged individuals who own it.

E. **"Annual Rental Fee"** shall mean the fee paid to the Aviation Authority for the use and occupancy of Premises provided pursuant to this Agreement, separate and apart from the Privilege Fee component of the Annual Concession Fee. The Annual Rental Fee shall be determined by the fair market value of the premises, as determined by a certified, licensed Florida real property appraiser employed by the Aviation Authority. The Aviation Authority reserves the right to conduct appraisals of the premises from time to time during the Term of the Concession Agreement, at its discretion, and to alter the Annual Rental Fee as a result of any such appraisal. Any change in the Annual Rental Fee resulting from an appraisal shall only be effective on the provision of thirty (30) days prior written notice by the Aviation Authority to Company.

F. **"Attorneys' Fees"** means attorneys' fees and costs, including, without limitation, fees and charges for the services of paralegals or other personnel who operate for and under the supervision of the attorneys and whose time is customarily charged to clients.

G. **"Commencement Date"** means the date the Aviation Authority opens the South Terminal Complex to the public.

H. **"Concession"** means this Food and Beverage Concession granted to Company.

I. **"Concessions Committee"** means the Concessions/Procurement Committee of the Aviation Authority.

J. **"Chief Executive Officer"** means the Chief Executive Officer of the Aviation Authority, or his or her designee.

K. **"Expendable"** means any item with a useful life of less than one (1) year, including, but not limited to, china, glasses, utensils and linen.

L. **"Gross Receipts"** means all receipts derived or earned by Company or any affiliates of Company, or any of its subtenants, licensees or concessionaires (excluding any rent required to be paid by any subtenant, licensee or concessionaire to Company that is calculated and payable on the basis of a percentage of such subtenant's, licensee's or concessionaire's gross receipts, which gross receipts would be included in Company's Gross Receipts) from operations on the Premises including, but not limited to, the sale of all goods and services authorized to be sold pursuant to the terms and conditions of the Agreement made on or about, or otherwise originating from the Premises, from any source whatsoever, adjusted by the deduction of the following, provided that separate records are maintained for such deductions:

1. The proceeds from the sale of capital assets or expendables;
2. Credits and refunds to customers for items purchased on the Premises;
3. Amounts of any separately stated federal, state and local sales or use taxes imposed upon Company's customers and collected by Company; or
4. Charges paid to Company by its customers for the mailing of purchased items, but only to the extent of the actual mailing cost thereof.

No deduction shall be made from Gross Receipts by reason of any credit loss sustained, bad checks, or financing discount that may be applicable by reason of the acceptance or use of credit cards or by reason of any other credit arrangements. If any charge customarily made by Company for products authorized to be sold pursuant to the terms and conditions of the Agreement or other operations or businesses is not assessed, charged or collected, for any reason other than pursuant to a bona fide written marketing plan approved by the Chief Executive Officer (e.g., reasonable airport or airline employee discounts), then the amount of Company's customary charge therefore shall nevertheless be included in determining Gross Receipts.

Company's Gross Receipts shall be computed and audited in accordance with the provisions of the Agreement. In the event of any conflict between the provisions of the Agreement and generally accepted accounting principles or generally accepted auditing standards, the provisions of the Agreement shall control, and the provisions of the Agreement shall not be limited by such accounting principles or audit standards per the provisions of this Agreement.

M. **"Improvement" or "improvement"** means any item which is affixed to the Premises or affixed to any Improvement thereto and which cannot be removed without material damage to the Premises or another Improvement.

P. **"Minimum Annual Concession Fee"** means the minimum sum to be paid by Company to the Aviation Authority as further defined in Article 5.

Q. **"Premises"** means the areas of the South Terminal Complex described in Article 2, below, in which Company is granted the right to operate the Concession in accordance with the terms and conditions of this Agreement, together with any additional areas in the South Terminal Complex in which Company may be granted such rights.

R. **"Privilege Fee"** shall mean the fee paid to the Aviation Authority for the granting by the Aviation Authority of a franchise to engage in the business of operating the Concession within facilities operated and controlled by the Aviation Authority, which right is an intrinsically valuable intangible personal property interest, and is separate and distinct from any right or interest in the real property owned by the Aviation Authority.

S. **"South Terminal Complex" or "STC"** means the gates and buildings located at the South portion of the Airport and all accompanying adjacent roadways existing as of the Effective Date of this Agreement.

## **ARTICLE 2 - RIGHTS AND PRIVILEGES GRANTED TO COMPANY**

### **A. Rights and Premises.**

1. The Aviation Authority shall grant the successful Proposer the non-exclusive right and privilege, and the successful Proposer shall assume the obligation, to rent, occupy, equip, furnish and maintain the facilities for the operation of a Food and Beverage Concession on the Premises and in accordance with the provisions of this Agreement consisting of approximately One Thousand Two Hundred Nine (1,209) square feet of food and beverage sales and dispensing space located in Level 2 of the South Terminal Complex (the "Premises") in the location indicated on Exhibit "A" of the Concession Agreement and referenced below:

Unit #	Airport Zone	Area (sf)	Concept
V	South – L2	1,209	Chick-fil-A

2. The Aviation Authority hereby grants to Company the non-exclusive right to display and sell the items specifically listed on the Food and Beverage Menu, which is attached hereto as Exhibit "B," at the prices specified thereon.

3. Company shall not use or permit the Premises to be used for any purposes other than as described in this Article 2.A. without the prior written approval of the Aviation Authority nor for any use in violation of any applicable building codes, zoning regulations, municipal, county, state or federal laws, ordinances or regulations.

Company's right, privilege and obligation hereunder, in addition to any other requirements and limitations contained herein, shall be to sell and display only merchandise which Company is specifically authorized to provide in Article 3.

B. **Occupancy of Premises and Commencement of Business.** Company shall be granted occupancy of the Premises approximately 120 days prior to the Commencement Date

and shall be required to open for business and commence paying Concession Fees on the Commencement Date.

C. **Non-exclusivity; Limitations of Food and Beverage Concept.** It is expressly provided that the rights and privileges granted hereunder are non-exclusive, and nothing contained herein shall preclude the Aviation Authority from entering into an agreement with any other parties during the term of this Agreement for the sale of food and beverage items in any part of the South Terminal Complex or elsewhere on the Airport of the same or similar items which Company is permitted to sell hereunder, whether such agreements are awarded competitively or through negotiations and whether or not the terms of such agreements are more or less favorable than the terms of this Agreement.

D. **Relocation/Surrender of Premises.**

1. Notwithstanding any other provision of this Agreement, the Aviation Authority shall have the right at any time during the Term of this Agreement to require Company to surrender any portion of the Premises in order to accommodate a change in the design or use of the South Terminal Complex. In such event, the Aviation Authority shall, in its sole discretion, either:

a. provide Company with a substitute area which the Chief Executive Officer determines to be reasonably equivalent, though not necessarily identical in size or otherwise, to the portion of the Premises surrendered; or,

b. grant Company an equitable reduction in the Annual Rental Fee Portion of the Minimum Annual Concession Fee payable by Company to the Aviation Authority hereunder; provided, however, that the Aviation Authority shall not be required to grant Company a reduction in the Annual Rental Fee Portion of the Minimum Annual Concession Fee or provide it with a substitute area where the portion of the Premises required to be surrendered is less than ten percent (10%) of the total square feet originally included in the Premises; or,

c. provide Company with a substitute area in lieu of a portion of the Premises surrendered and grant it an equitable reduction in the Annual Rental Fee Portion of the Minimum Annual Concession Fee (subject to the ten percent (10%) limitation described above) payable by Company to the Aviation Authority hereunder as compensation for the remainder of the Premises surrendered.

2. The Aviation Authority shall in no event be liable to the Company for any inconvenience or loss of business as a result of the Company being required to move or surrender any portion of the Premises. If the portion of the Premises required to be surrendered by Company is more than ten percent (10%) of the approximate square feet of space originally included in the Premises, and the Company is required, under the terms of this Article 2.D. to move or surrender a portion of its operation, all costs of the physical move shall be borne by the Aviation Authority and, at the option of the Chief Executive Officer, either:

a. the substitute area that is provided to the Company in lieu of the portion of the Premises surrendered will be built out by the Aviation Authority at its own expense (or, at the option of the Chief Executive Officer, by the Company at the Aviation Authority's expense) so that such substitute area will be reasonably equivalent in quality to the portion of

the Premises surrendered, provided that, in such event, title to any improvements to such substitute area shall remain with the Aviation Authority and shall not pass to the Company; or

b. the Aviation Authority shall make a payment to Company ("Buy-Out Payment") in the amount of the "Net Book Value" of the Original Improvements contained in the portion of the Premises Company is required to surrender (to the extent the Chief Executive Officer determines that such Original Improvements cannot reasonably be moved to the substitute area). (The terms "Net Book Value" and "Original Improvements" shall be defined as indicated below).

c. "Net Book Value" shall mean the original cost to Company of an Original Improvement less amortization accumulated to the date on which Company is required to surrender such portion of the Premises. "Original Improvement" means an Improvement installed by Company within six (6) months of the date it opens for business at the Premises. Company's cost for such Original Improvements shall include reasonable and direct costs paid by Company for work performed and materials furnished; provided, however, that Company's cost shall not include (1) payments for architectural, engineering, professional and consulting services in excess of fifteen percent (15%) of the total cost of such Original Improvements, (2) interest charges or other finance costs, (3) Company's own overhead expenses (except that Company may include the reasonable cost of paying its own employees to perform architectural, engineering, professional or consulting services in which event such cost shall be counted toward the fifteen percent (15%) limitation on such costs set forth above), or (4) any portion of the costs of such Original Improvements which is greater than the "approved" cost as determined in accordance with the terms of Article 6.C.1., below. For purposes of computing Net Book Value, Company's cost for Original Improvements (excluding refurbishment) at the Premises shall be amortized over a period from the Commencement Date until the expiration date of the Concession, on a straight-line basis, with no salvage value.

d. any Buy-Out Payment made by the Aviation Authority under the terms of this Article 2 shall be paid to Company by the end of the thirtieth (30th) day following the date the Company was required to surrender such portion of the Premises. Within a reasonable time prior to the date such Buy-Out Payment is due (and subject to update immediately prior to the time the Buy-Out Payment is made), the Chief Executive Officer shall be entitled to inventory and inspect all Original Improvements with respect to which such Buy-Out Payments have been or are to be made, and, if any such inventory and inspection indicates that such an Improvement is either missing or substantially damaged, the amount of the Buy-Out Payment allocated to such Improvement shall be either subtracted from the Buy-Out Payment (in the event such Improvement is missing) or reduced by the amount required to repair the damage as reasonably determined by the Chief Executive Officer (in the event such Improvement is substantially damaged). Simultaneously with its receipt of the Buy-Out Payment, Company shall deliver to the Aviation Authority a Bill of Sale containing full warranties of title, conveying title to the Original Improvements contained in the portion of the Premises surrendered, free of all liens and encumbrances. In the event any of such Original Improvements are subject to any liens or encumbrances, the amount of the Buy-Out Payment shall be reduced in the amount necessary to satisfy such liens or encumbrances.

### **ARTICLE 3 - USE OF PREMISES**

A. **Permitted Uses.**

1. The Premises shall be used by Company during the Term hereof only for the display and sale of food and beverage items in accordance with the terms of this Agreement.

2. Company shall not permit the active display or operation on the Premises or elsewhere in the South Terminal Complex of any item which flies, moves, rotates, makes noise or flashes unless the active display or operation of such item is specifically approved in advance in writing by the Chief Executive Officer.

3. Company shall not at any time during the term hereof vacate the Premises once Company is required to be open for business in the Premises, without the prior written consent of Chief Executive Officer.

B. **Discontinuance, Addition, Deletion of Items.**

1. In the event the Chief Executive Officer determines that any item displayed, offered for sale or sold by Company on the Premises is objectionable for display or sale at the Airport, Company shall, upon written notice from the Chief Executive Officer, immediately remove such item from display and from its inventory and Company agrees that it shall not thereafter display, offer for sale or sell such item.

2. Upon the written approval of the Chief Executive Officer, Company may cease the sale of any item listed on Exhibit "B" in the event that the lack of demand for such item no longer warrants its continued sale on the Premises.

3. Company may request authorization to sell additional items not included in Exhibit "B", provided such additional items are consistent with the general items or categories authorized under this Agreement and do not conflict with privileges authorized to others or reserved by Aviation Authority for future authorization to others. Company may sell such additional items only with the prior written approval of the Chief Executive Officer.

4. Company agrees that it will not sell or dispense or permit the sale or dispensing of, chewing gum or popcorn in any form in or upon the Premises.

C. **Relation to Other Concessions.**

1. Notwithstanding any other provisions hereof, it is specifically understood and agreed that, in the event of a conflict between Company and any other lessee or concessionaire in the South Terminal Complex as to specific items to be sold by respective concessionaires or lessees, the Chief Executive Officer shall decide which items of merchandise may be sold or provided by each concessionaire or lessee and Company agrees to be bound by such decision. The Chief Executive Officer may consider the various locations within the South Terminal Complex where Company and other concessionaire or lessee operates in arriving at the determination.

2. This Agreement is separate and distinct from, and shall be construed separately from, any other agreement between Company and the Aviation Authority (subject to

the provisions of Article 13.A.15.) and from any other, similar agreement between the Aviation Authority and any other person operating a concession at the Airport, and the fact that any such other agreement may contain provisions which differ from those contained herein shall have no bearing on the construction of this Agreement.

D. **Violation of Permitted Uses.** If Company fails to comply with the Permitted Uses in Article 3 herein, Company shall be subject to the payment of fines for such violation(s) of certain provisions, as set forth in Article 14.

**ARTICLE 4 - TERM**

This Agreement shall become effective upon execution by the parties hereto. The term of this Agreement shall commence on the Commencement Date and end ten (10) years thereafter, hereinafter referenced to as the "Term", unless sooner terminated in accordance with the terms and provisions hereof.

**ARTICLE 5 - CONCESSION FEES AND ACCOUNTING RECORDS**

A. **Concession Fee.** Company shall pay to the Aviation Authority, for each Agreement Period of the term of this Agreement, a Concession Fee, in an amount equal to the greater of (1) the Minimum Annual Concession Fee consisting of the sum of an Annual Rental Fee and a Minimum Annual Privilege Fee; or (2) the total of the percentages of Gross Receipts as follows:

<u>GROSS RECEIPTS</u>	<u>PERCENT OF GROSS RECEIPTS DUE TO AVIATION AUTHORITY</u>
Food and Beverage Sales	17%
Employee Sales	5%

1. **Minimum Annual Concession Fee.**

a. The Minimum Annual Concession Fee shall equal the sum of the Annual Rental Fee, which is based on the fair market value of the Premises, plus the Minimum Annual Privilege Fee, which fee is paid for the grant by the Aviation Authority of a franchise to engage in the business of operating the Concession within facilities operated and controlled by the Aviation Authority. The portion of the Minimum Annual Concession Fee that consists of the Annual Rental Fee will be determined by the Aviation Authority by an appraisal prior to the Commencement Date and the Minimum Annual Privilege Fee will be calculated at that time by subtracting the Annual Rental Fee from the Initial Minimum Annual Concession Fee. For the period beginning on the Commencement Date and ending on September 30<sup>th</sup> after the opening to the public of the South Terminal Complex opens to the public (the "Initial Period"), the Minimum Annual Concession Fee shall be One Hundred Sixty Five Thousand and No/100 Dollars (\$165,000.00) provided, however, that if such Initial Period is longer or shorter than twelve (12) months, the Minimum Annual Concession Fee payable by Company to the Aviation Authority for such period shall be an amount determined by dividing the Minimum Annual Concession Fee by 365, and multiplying such quotient by the number of days in the Initial Period.

b. Within ninety (90) calendar days of the end of the Initial Period, and each subsequent Agreement Period, effective October 1<sup>st</sup> thereof, the Minimum Annual

Concession Fee shall be adjusted to equal the greater of:

(1) an amount calculated by multiplying .85 times the total Concession Fees due for the prior Agreement Period, or

(2) the Initial Period's Minimum Annual Concession Fee. Any adjustment in the Minimum Annual Concession Fee associated with the provisions of Article 5.A.1.b.(1) shall result in an identical adjustment to the Minimum Annual Privilege Fee, and shall not affect the Annual Rental Fee, subject to the provision of Article 5.A.1.c., herein. Notwithstanding the foregoing, in the event Company is not open for business for the entire prior Agreement Period, or in the event the prior Agreement Period is longer or shorter than twelve (12) months, the total Concession Fees due for purposes of the calculation described in Article 5.A.1.b.(1) above, shall be an amount determined by dividing the total Concession Fees for such prior Agreement Period by the number of days Company was open for business at the Premises in such prior Agreement Period, and multiplying such number by 365.

c. In the event the Annual Rental Fee is decreased or increased during the Term of this Agreement as the result of an appraisal of the fair market value of the premises conducted by the Aviation Authority, the Minimum Annual Privilege Fee shall be appropriately adjusted up or down so that the Minimum Annual Concession Fee due to the Aviation Authority remains unchanged for the Agreement Period then in effect. Any changes in applicable taxes associated with an increase or decrease in the Annual Rental Fee shall remain the responsibility of Company, and no change in the Minimum Annual Concession Fee shall take place as a result of any increase or decrease in Company's tax obligation.

## 2. **Monthly Payments of Fees.**

a. From and after the Commencement Date, Company shall pay to the Aviation Authority, in advance and without demand, on the first (1st) day of each calendar month of the Term hereof (and on the Commencement Date, if the Commencement Date is not the first day of a calendar month), an amount equal to one-twelfth (1/12th) of the Minimum Annual Concession Fee then applicable (except as otherwise provided below), prorated for any partial month at the commencement of the Term or the end of the Term, based on the number of days in such partial month, plus any sales or other taxes due thereon, in lawful money of the United States, without deduction or set-off, at the office of the Aviation Authority's Chief Financial Officer (the "CFO") or at such other place as the Chief Executive Officer may designate in writing from time to time.

b. Company shall further pay to the Aviation Authority, without demand, at the office of the CFO, on the fifth (5th) day of the month following each calendar month of the Term hereof, a sum of money equal to the amount, if any, by which the total of the percentage fees applicable to Company's Gross Receipts (as set forth in Article 5.A., above) for the previous calendar month exceeds the amount of the installment of the Minimum Annual Concession Fee payable for such month and shall provide the CFO, with a copy to the Manager of Concessions, with a statement, in the form of the "Monthly Revenue Report" attached hereto as Exhibit "C" which form the Chief Executive Officer may amend from time to time in his discretion, which sets forth Company's Gross Receipts for the prior calendar month and is signed by an officer (if Company is a corporation), partner (if a partnership), or owner (if a sole proprietorship)

of Company, and which sets forth Company's Gross Receipts during such preceding calendar month and identifies all receipts derived by Company during such calendar month which have been excluded from the computation of Gross Receipts. (If Company operates more than one location, each location's monthly Gross Receipts shall be stated separately on Line (A), Exhibit "C," "Monthly Revenue Report," attached hereto).

B. **Sales, Use, Ad Valorem and Other Taxes.** Company shall be solely responsible for the payment of all sales, use, ad valorem and other taxes levied upon the Premises and also upon the fees and other charges payable by Company to the Aviation Authority hereunder, whether or not the same shall have been billed or collected by the Aviation Authority, together with any and all interest and penalties levied thereon, and Company hereby agrees to indemnify the Aviation Authority and hold it harmless from and against all claims by any taxing authority that the amounts, if any, collected from Company and remitted to the taxing authority by the Aviation Authority, or the amounts, if any, paid directly by Company to such taxing authority, were less than the total amount of taxes due, and for any sums including interest and penalties payable by the Aviation Authority as a result thereof. The provisions of this paragraph shall survive the expiration or prior termination of this Agreement.

C. **Annual Certification of Fees.** Within ninety (90) days after the close of each Agreement Period of the Term hereof, Company at its own cost and expense shall provide to the CFO, and a copy to the Manager of Concessions, schedules of Gross Receipts and Concession Fees, payments and other sums for the Agreement Period accompanied by an independent auditors' report expressing an unqualified opinion on the examination of such schedules prepared by Company's independent Certified Public Accountant, licensed in the state of Florida, who is not an employee of Company, or a Certified Public Accountant who holds a valid temporary permit to practice in the state of Florida at the time the certification is issued and who is not an employee of Company, or an out of state licensed Certified Public Accountant who at the time the certification is issued, the NASBA National Qualification Appraisal Service has verified to be in compliance with the CPA licensure requirements of the AICPA/NASBA Uniform Accountancy Act and who is not an employee of Company, certifying that such schedules have been audited in accordance with Generally Accepted Auditing Standards and the terms and provisions of this Agreement; including, without limitation, the definition of Gross Receipts set forth in Article 1.L. herein. If such schedules indicate the Concession Fees for such period have been overpaid, then the amount of overpayment shall be credited to the Concession Fees next due and owing from Company, unless the Term hereof has expired, in which event such amount shall be promptly refunded by the Aviation Authority to Company. If such schedules indicate that the Concession Fees for such Agreement Period have been underpaid, then Company shall submit payment therefore to the Aviation Authority at the Office of the CFO at the same time it submits to the CFO and the Director of Concessions the statements required under this Article 5, together with interest on any underpaid Concession Fees at the rate set forth in Article 17.F., below, from the date such fees or charges should have been paid.

D. **Books and Records/The Aviation Authority's Right to Audit.** Company shall, at all times during the Term hereof, maintain at the Premises or at an office in Orange County, Florida, complete and accurate books and records of all receipts and disbursements from its operations on the Premises, in a form consistent with generally accepted accounting principles, and cause to be installed for use at all times in the Premises such cash registers, invoicing machines, sales slips and other accounting equipment, devices and forms as are reasonably

necessary to record properly, accurately and completely all sales of Company's merchandise items from the Premises. Company's books and records shall be maintained in sufficient detail to allow the Aviation Authority or its representatives to audit, in accordance with generally accepted auditing standards, Company's Gross Receipts as defined in Article 1.L. above. Company shall account for all receipts of any nature related to transactions in connection with this Agreement in a manner which segregates in detail those transactions from other transactions of Company and which supports the amounts reported to the Aviation Authority in Company's "Monthly Revenue Report" schedules prepared in accordance with Article 5.A.2.b. At a minimum, Company's accounting for such receipts shall include the following:

1. Daily dated cash register tapes, including tapes from temporary registers;
2. Serially numbered sales slips, using a numbering system for transactions under this Agreement which is separate from any numbering system used by Company for other transactions;
3. Company's bank account statements (separate bank accounts shall be maintained for all receipts from operations on the Premises and no receipts from any other source shall be deposited in such accounts);
4. A compiled report of transactions from the Premises showing all Gross Receipts and all exclusions from Gross Receipts by category (as set forth in Article 1.L.), which report shall be subtotaled by day and totaled by month. The monthly total shall correspond with the amounts reported to the Aviation Authority on Company's "Monthly Revenue Reports" under Article 5.A.2.b. If requested, Company shall provide the Aviation Authority a computer text file that details monthly Gross receipts information by transaction;
5. The monthly reports required under this Article 5.D., which reports shall be subtotaled by day and totaled by month. The monthly total shall correspond with the amounts reported to the Aviation Authority in the "Monthly Revenue Reports" and the annual total shall correspond with the amount reported to Company the Aviation Authority on the Annual Certification required in Article 5.C.; and
6. Such other records, if any, which would normally be examined by an independent certified public accountant in performing an examination of Company's Gross Receipts in accordance with generally accepted auditing standards and the provisions of this Agreement.

Such records may be in the form of (a) electronic media compatible with the computers available to the Aviation Authority, or (b) a computer run hard copy. The Chief Executive Officer may require other records necessary in his determination to enable the accurate audit of Company's Gross Receipts hereunder. Upon five (5) days written notice from the Chief Executive Officer, all such books and records, including the general ledger and bank statements and all federal, state and local sales tax returns relating thereto, shall, be made available at the offices of the Aviation Authority for inspection by the Aviation Authority through its duly authorized representatives at any time for up to four (4) years after the end of the Agreement Period to which such books and records relate (and Company shall not be obligated to retain such books and records subsequent to the termination of such four (4) year period). The Aviation Authority

shall further have the right, upon reasonable written notice to Company from the Chief Executive Officer and at the sole cost of the Aviation Authority except as specified below, to examine or designate a representative to audit or examine the books and records and computerized accounting systems of Company which relate to its operations on the Premises to determine the correctness of the Gross Receipts and Concession Fees reported to or paid by Company to the Aviation Authority for any or all Agreement Periods immediately preceding such audit or examination. Such shall include, but is not limited to, a review of the general input, processing and output controls, information systems, using read only access, for all computer applications used to record financial transactions and information. If company elects to have the inspection, examination or audit performed at a location outside the Orlando metropolitan area within forty-five (45) calendar days of the Authority's written request. Company shall pay the Authority for travel expenses incurred in connection with such inspection, examination, or audit, in accordance with the Authority's adopted travel policies, from the auditor's duty station to the location at which the books and records are maintained for each day of travel and on-site work. After the inspection, examination, or audit is completed, the Authority will bill Company for such travel expenses and Company shall promptly pay such bill. If, as a result of such audit or examination, it is established that the Gross Receipts and/or Concession Fees for any Agreement Period have been under-reported to the Aviation Authority, Company shall forthwith, upon written demand from the Chief Executive Officer, pay any resulting amount due to the Aviation Authority, together with interest thereon at the rate set forth in Article 17.F., below, from the date such amount or amounts should have been paid. Further, if such audit or examination establishes that Company has under-reported Gross Receipts and/or Concession Fees for any Agreement Period by two percent (2%) or more, then the entire expense of such audit or examination shall be borne by Company. The Aviation Authority's rights under this Article 5.D. shall survive the expiration or earlier termination of the Term of this Agreement.

In the event of any conflict between any provision of this Agreement and Generally Accepted Accounting Principles or Generally Accepted Auditing Standards, the provisions of this Agreement shall control even where this Agreement references such principles or standards. In particular, without limitation, Company shall maintain all records required under this Agreement to the full extent required hereunder, even if some or all of such records would not be required under such generally accepted accounting principles or generally accepted auditing standards.

E. **Cash Handling Procedures.** Company shall at all times observe prudent cash handling procedures, and it shall immediately implement any new procedures, or revise any existing procedures in such a manner as the Chief Executive Officer may require from time to time, provided that the Chief Executive Officer gives written notice thereof to Company. Before beginning operations under this Agreement, Company shall submit its proposed cash handling procedures to the Chief Executive Officer for review and approval.

F. **Additional Sums Due the Aviation Authority.** If the Aviation Authority has paid any sum or has incurred any obligation or expense for which Company agreed to pay or reimburse the Aviation Authority, or if the Aviation Authority is required or elects to pay any sum or incur any obligation or expense because of the failure, neglect or refusal of Company to perform or fulfill any of the terms or conditions of this Agreement, then the same shall be deemed additional fees due hereunder, and Company shall, immediately upon demand by the Chief Executive Officer, reimburse the Aviation Authority therefor.

G. **Communications Concerning Disputed Debts.** All (a) communications concerning disputes about debts that are owed or may be owed pursuant to this Agreement, and (b) instruments in less than the full amount claimed by the Aviation Authority and tendered as full satisfaction of a disputed debt or other amount owed, shall be sent by certified mail, return receipt requested to the following:

These documents are updated periodically and it is Company's responsibility to coordinate with the Aviation Authority for updates.

3. Company shall abide by the South Airport Complex Tenant Design Criteria

as shown on Exhibit "D", which were delivered by Aviation Authority to Company on CD ROM prior to the execution of this Agreement, and to the other provisions of this Agreement. The Chief Executive Officer shall have the right at any time during the term of this Agreement to enter the Premises to ensure that Company's operations conform to the South Airport Complex Tenant Design Criteria. Immediately upon its receipt of written notice from the Chief Executive Officer that it has been determined that Company's display, design, or operations are not in compliance with the South Airport Complex Tenant Design Criteria or the other provisions of the Agreement, Company shall make modifications necessary to achieve compliance.

6. No televisions may be located in any portion of the Premises that is visible to the public.

7. The Improvements required hereunder are not required to enhance the value of the Premises or to provide monetary benefit to the Aviation Authority. The improvements are closely associated with Company's brand concept, and will be demolished and rebuilt to meet the requirements for a successive concessionaire for a subsequent concession at the end of Company's Term. Therefore, such improvements required under this Article 6.B. should not be considered rental payments subject to the Florida commercial rental sales tax.

**C. Requirements and Procedures.**

**1. Approval Required.**

a. All Improvements to the Premises, including both the Original Improvements and any Improvements constructed, installed or altered thereafter by Company, and all furnishings, fixtures, signage, trade fixtures and equipment to be installed by Company on or in the Premises, and the plans and specifications therefor, must be in accordance with the South Airport Complex Tenant Design Criteria and must have been submitted to and approved in writing by the Chief Executive Officer prior to construction, alteration or installation. In the case of signage, the size, location, text, material, and appearance thereof shall also be subject to such approval. Following approval by the Chief Executive Officer, such Improvements shall be made or altered, and such furnishings, fixtures, signage, trade fixtures and equipment shall be installed in strict accordance with such plans and specifications, and in accordance with all applicable statutes, ordinances, building and health codes, rules and regulations, the South Airport Complex Tenant Design Criteria and the Airport Development Standards, as the same may be amended from time to time.

b. In addition to complying with the requirements of Article 6.C.1.a., Company shall, prior to entering into any contract for the purchase, construction or installation of any Original Improvement, submit such contract to the Chief Executive Officer for approval of the cost of such purchase, construction or installation. If the Chief Executive Officer reasonably

determines that the cost of any one or more of such Original Improvements is excessive, or that the cost of any such Original Improvement cannot be justified economically, the Chief Executive Officer shall advise Company of the portion of such cost which the Chief Executive Officer will allow as the "approved cost" for purposes of the buy-out provisions of Article 2.D., above, and its obligations to make expenditures for Improvements, fixtures and furnishings in accordance with the provisions of Article 6.B., above. The Chief Executive Officer shall not be required to assign an approved cost to any such Original Improvement which is not reasonably necessary to the operation by Company on the Premises hereunder, or to assign an approved cost to any such Improvement in excess of the cost then generally prevailing therefore in Orange County, Florida. Company may pay costs with respect to an Original Improvement in excess of the approved cost thereof if it so elects, but no portion of such cost in excess of the approved cost shall be taken into account for purposes of the Buy-Out Payment described in Article 2.D., above, or for purposes of Company's obligations to make expenditures for Improvements, fixtures and furnishings in accordance with the provisions of Article 6.B., above.

2. **No Liens.** Company shall obtain all necessary licenses and permits to accomplish such work and Company hereby warrants to Aviation Authority that all such Improvements shall be free and clear of any claims, liens, and encumbrances and agrees to indemnify and save Aviation Authority and the City harmless from and against any and all losses, damages and costs, including Attorneys' Fees, with respect thereto. If any such claim or lien shall be filed against the Premises, or any Improvements thereto or Company's rights under this Agreement, the Company shall, within thirty (30) days after notice of the filing thereof, cause the same to be discharged of record by payment, deposit, bond, order of a court of competent jurisdiction or otherwise.

3. **Performance and Payment Bond.** Prior to construction of any Improvements in the Premises, as they currently exist, Company shall record and post a Notice of Commencement. No work hereunder shall be commenced by or at the direction of Company until Company, or Company's contractor has, at no cost or expense to the Aviation Authority provided to Aviation Authority from a company reasonably acceptable to the Chief Executive Officer (i) a surety Payment Bond for the benefit of Aviation Authority, in the form attached as Exhibit "E", in an amount equal to the total estimated cost of the work, which bond shall guarantee the payment of all contractors' and subcontractors' charges and charges of all other persons and firms supplying services, labor, materials or supplies in connection with the work, and (ii) a surety Performance Bond for the benefit of Aviation Authority, in the form attached as Exhibit "F", in an amount equal to the full value of the construction contract which shall guarantee the prompt completion of the work by Company in accordance with the approved plans and specifications. Company, or Company's contractor as applicable, shall maintain the Performance Bond in effect for at least five (5) years after the completion of Improvement. In the event Payment and Performance Bonds are posted by Company's contractor, Company shall continue to be responsible to Aviation Authority for completion of all Improvements in accordance with the approved plans, and payment of all sums to ensure no claims against the Improvements by contractor, subcontractor or any other person supplying services, labor, materials or supplies in connection with the work.

4. **Actions After Completion of Improvements.** Company shall, within ninety (90) days following the completion of construction, installation or alteration of any Improvements, fixtures, furnishings, signage, trade fixtures and equipment at the Premises,

provide to the Chief Executive Officer a written statement setting forth the actual costs thereof, in such detail with respect to the cost of the various elements thereof as the Chief Executive Officer may require, and such statement shall be certified by an officer (if Company is a corporation), a partner (if a partnership), or the owner (if a sole proprietorship), of Company. Company shall make available to the Chief Executive Officer, upon the Chief Executive Officer's request, receipted invoices for labor and materials covering all Improvements, including architectural and engineering fees, fixtures, furnishings, signage, trade fixtures and equipment. In addition, within ninety (90) days after completion of construction, Company shall, at its expense, provide the Chief Executive Officer with record drawings showing the "as built" condition of all Improvements constructed by Company on the Premises in both hard copy and electronic format acceptable to the Aviation Authority as outlined in the South Airport Complex Tenant Design Criteria. Company shall further provide the Chief Executive Officer with such information and supporting documents pertaining to the cost and replacement value of the improvements to the Premises as the Chief Executive Officer may from time to time request.

**D. Time Schedule Preparation and Approval of Plans and Specifications.**

1. If they have not already been submitted to the Aviation Authority, preliminary plans and specifications for all Original Improvements to be made to the Premises by Company shall be submitted to the Aviation Authority promptly after the date of this Agreement. Preliminary plans for all other Improvements shall be submitted to Aviation Authority promptly after the completion of such preliminary plans. Final plans and specifications for all Original Improvements and/or all other Improvements shall be submitted to the Chief Executive Officer within thirty (30) days after the Company receives written notice from the Chief Executive Officer that the Chief Executive Officer has approved the preliminary plans and specifications therefore. The Chief Executive Officer shall, within thirty (30) days after his receipt of preliminary or final plans and specifications, either approve or disapprove such plans and specifications so submitted. The Chief Executive Officer's right to approve or reject such plans and specifications shall extend to all matters relating thereto, including, without limitation, space layouts and architectural, engineering, and aesthetic matters, and the Chief Executive Officer shall specifically have the right to reject any designs submitted and to require Company to resubmit designs and layout proposals until they meet his approval.

2. In the event the Chief Executive Officer disapproves any portion of the preliminary or final plans and specifications, Company shall promptly submit necessary modifications and revisions thereof. No changes or alterations shall be made in said plans or specifications after approval by the Chief Executive Officer without the approval of such changes or alterations by the Chief Executive Officer. One copy of plans and specifications for all Original Improvements and for all other Improvements or subsequent alterations thereof shall, within fifteen (15) days after their approval by the Chief Executive Officer, be signed by Company and deposited with the Chief Executive Officer as an official record thereof.

3. The Chief Executive Officer's approval of any plans and specifications submitted by Company shall not constitute the assumption of any liability by the Chief Executive Officer or Aviation Authority for the compliance or conformity of such plans and specifications with applicable building codes, zoning regulations and municipal, county, state and federal laws, ordinances and regulations, including, without limitation, the Americans with Disabilities Act or any accessibility guidelines promulgated thereunder, or for their accuracy or suitability for

Company's intended purpose, and Company shall be solely responsible for such plans and specifications. The Chief Executive Officer's approval of such plans and specifications shall not constitute a waiver of the Chief Executive Officer's right thereafter to require Company, at Company's expense, to amend the same so that they comply with applicable building codes, zoning regulations and municipal, county, state and federal laws, ordinances and regulations, and to make such construction changes as are necessary so that the completed work is in conformity with such amended plans and specifications.

**E. Completion of Improvements.**

1. Upon the Chief Executive Officer's approval of Company's plans and specifications and when authorized to occupy the Premises and proceed with construction of improvements in accordance with the provisions of Article 2.B. and Article 6.C. and 6.D., above, and applicable law, Company shall immediately begin construction and installation of the approved Improvements, furnishings, fixtures, signage and trade fixtures at the Premises and prosecute the same diligently to completion; provided, however, that any delay in construction due to fire, earthquake, wars, or other calamity beyond the reasonable control of Company, or acts of Aviation Authority or one of its contractors, shall extend the time within which such construction and installation shall be completed. Company agrees (i) that its Improvements, fixtures, furnishings, trade fixtures and equipment to be constructed or installed in the Premises shall be completed no later than one hundred twenty (120) days after Aviation Authority notifies Company that the Premises are ready for Company to begin build out of Company's Improvements, and (ii) that a delay in completion of any Improvements beyond such date will not postpone Company's obligation to open for business and begin paying Concession Fees to the Aviation Authority pursuant to Article 5, above, unless such delay results from causes described in the proviso to the first sentence of this Article 6.E.1., or Company has failed to complete construction of its Improvements to the Premises because it has not been afforded access by the Aviation Authority to the Premises for purposes of such construction for a period of less than one hundred twenty (120) days (in which event Company's obligation to open for business and commence paying Concession Fees with respect to the Premises shall be delayed by, as applicable, the number of days that the causes described in such proviso delayed Company's construction of its Improvements to the Premises or the number of days necessary to afford Company one hundred twenty (120) days to complete construction of its Improvements to the Premises).

2. Once Company has begun construction of any other Improvements which the Chief Executive Officer has approved the final plans and specifications thereof pursuant to Article 6.D., above, Company shall prosecute the same diligently to completion. Company shall require the designer of record and Company's mechanical, electrical and plumbing contractors or subcontractors: to (a) provide construction administration and inspection services throughout construction on the Premises, one (1) inspection weekly at a minimum, and (b) to attend weekly construction meeting with the Aviation Authority's representatives.

3. Company's improvements to the Premises are required to be substantially completed as determined by Company's architect and engineer and the Chief Executive Officer prior to opening of the Premises for business. All punch list work shall be completed within thirty (30) days of substantial completion. Company agrees that, should the Aviation Authority allow Company to open for business prior to completion of all punch list work, Company will issue a

cashier's or certified check to the Aviation Authority to be held in escrow until completion of the work. The amount of the check will be five (5) times the estimated value to complete the work or Ten Thousand and No/100 Dollars (\$10,000.00), whichever is greater. In the event the punch list work has not been completed within thirty (30) days of substantial completion, the Aviation Authority shall have the right, but not the obligation, to use these funds to complete the Improvements, or if the escrow funds are insufficient to complete the Improvements, Company shall be obligated to reimburse the Aviation Authority any remaining balance due within ten (10) days of written notice by the Aviation Authority.

4. At all times during the construction and installation of all Original Improvements and all other Improvements, fixtures, trade fixtures, furnishings and equipment by the Company, Company shall coordinate the activities of its contractors and installers on the Premises with Aviation Authority.

F. **Removal of Property.** Provided it is not then in default hereunder, Company shall, within four (4) calendar days after the expiration or sooner termination of this Agreement, remove from the Premises its furnishings, interior signage, trade fixtures, equipment, and other personal property, provided that such removal can be accomplished without material injury to the Premises or any Improvements thereto and provided that any damage caused to the Premises or Improvements thereto as a result of such removal is repaired by Company at its own cost and expense to the satisfaction of the Chief Executive Officer. Any property not so removed within such time period shall become the sole property of Aviation Authority, or, alternatively, Aviation Authority may remove and dispose of such property at Company's expense.

G. **Periodic Refurbishment of Premises.** After the commencement of the fourth (4<sup>th</sup>) Agreement Period and prior to the sixth (6<sup>th</sup>) Agreement Period, but in any event Company shall expend to refurbish, replace or supplement such Improvements, furnishings, trade fixtures and equipment no less than One Hundred Fifty and No/100 Dollars (\$150.00) per square foot of the non-commissary portion of the Premises for an estimated total of One Hundred Eighty One Thousand Three Hundred Fifty and No/100 Dollars (\$181,350.00) and shall additionally expend such sums as may be required by the Chief Executive Officer with respect to the portions of the Premises dedicated for commissary and support space, subject to the right of the Aviation Authority, in the Aviation Authority's sole discretion, to direct Company to make all or any portion of such expenditure at such earlier time prior the commencement of such fourth (4<sup>th</sup>) Agreement Period as it deems appropriate. Provided, however, under this Article 6.G. an expenditure for Improvements, furnishings, trade fixtures or equipment shall not include interest charges, Company's own overhead expenses or any portion of Company's expenditures which exceed the fair market price for any such Improvement, furnishing, trade fixture or equipment. In no event, shall the closing of the Premises or any portion thereof for the purpose of completing the Company's Periodic Refurbishment Improvements result in any reduction or other abatement in Company's obligations to pay the Aviation Authority the Concession Fees pursuant to Article 5 of this Agreement.

In order to ensure that funding is available for such periodic refurbishment, Company and Aviation Authority will enter into a Concession Improvement Trust, hereafter known as the "Trust". The sole purpose of the Trust is to fund the Company's obligations as provided above in this Article 6.G. All costs necessary to plan, design, and construct the remodeling, refurbishment or replacement of Improvements, furnishings, trade fixtures or equipment shall be

paid from the accumulated funds held in the Trust. Company shall deposit monthly into the Trust a total of Four Thousand Three Hundred Seventeen 86/100 Dollars (\$4,317.86) which equates to One Hundred Fifty Dollars and No/100 Dollars (\$150.00) per square foot for refurbishment of the portion of the Premises. Payment shall commence on first (1<sup>st</sup>) day of the fifth (5<sup>th</sup>) month after the Commencement Date, and continue for forty-one (41) consecutive months thereafter. Disbursements from the Trust shall be requested by Company or may be directed by the Aviation Authority. The Aviation Authority will determine the need for such disbursement in consultation with Company, but such disbursement shall be at the sole discretion of the Aviation Authority. Aviation Authority shall deliver monies from the Trust, after execution of a payment certificate, to a designated payee, outright and free of Trust. A payment certificate shall be executed by an authorized representative of Company and the Chief Executive Officer.

In the event that Company has expended its own funds and those of the Trust in excess of One Hundred Fifty Dollars and No/100 Dollars (\$150.00) per square feet of the Premises prior to the commencement of the fourth (4<sup>th</sup>) Agreement Period for refurbishment as described in this Article 6.G., and the commissary and support space for food storage have been refurbished to the standards to be established by the Chief Executive Officer, the Trust will be discontinued and any remaining balance in the Trust will be refunded to Company. In the event that Company has not expended in excess of the minimum sums set forth above in Improvements, furnishings, trade fixtures or equipment prior the commencement of the fourth (4<sup>th</sup>) Agreement Period, Aviation Authority may, at the Aviation Authority's sole option, grant Company additional time to make such expenditures or take possession of the remaining balance in the Trust without recourse from Company.

A. **Standards for Operating Concession.** Company shall, at all times, comply with the Standards for Operating Concessions attached hereto as Appendix 1 and are incorporated herein by reference.

B. **Maintenance of Premises.**

1. Except for such maintenance which is the responsibility of the Aviation Authority in accordance with the terms of Article 8.A., below, Company shall, at its own cost and expense, at all times during the term hereof, maintain the Premises, all Improvements, furnishings, fixtures, trade fixtures, equipment, inventory, displays and other property on the Premises in a safe, clean, orderly, and attractive condition and in good working order. All such maintenance, repairs and replacements shall be performed by Company in compliance with the requirements of Article 6.C. through E., above and shall be of quality equal to the Original Improvements in materials and workmanship, and all work, including paint colors, shall be subject to the prior written approval of the Chief Executive Officer.

3. The Chief Executive Officer shall be the sole judge of the quality of the maintenance performed by Company. The Chief Executive Officer or his authorized agents may,

at any time, without notice, enter upon the Premises to determine if maintenance is being performed satisfactorily. If it is determined that said maintenance is not satisfactory, the Chief Executive Officer shall so notify Company in writing. If Company does not commence the cure within fourteen (14) days of receipt of such written notice, diligently pursue such cure and complete such cure to the satisfaction of the Chief Executive Officer within a reasonable time of receipt of such written notice, the Aviation Authority or its agents shall have the right (in addition to any other remedy hereunder) to enter upon the Premises and perform such maintenance, and Company agrees to promptly reimburse The Aviation Authority for the cost therefore, plus ten percent (10%) thereof for administrative overhead.

4. Company shall correct any hazardous or potentially hazardous condition in the Premises, or in the areas surrounding the Premises whose maintenance is the Company's responsibility, immediately upon receipt of either written or oral notice from the Chief Executive Officer. At the direction of the Chief Executive Officer, Company shall close the Premises until such hazardous or potentially hazardous condition is removed.

5. In transporting merchandise, products, trash, and refuse associated with its operation on the Premises to and from the Premises, Company shall use only carts, vehicles or conveyances that are sealed and leakproof and that are equipped with wheels suitable for operating on carpets and tiles without damage. Company shall not use the Automated Guideway Transit System for the purpose of transporting merchandise or trash between the Landside and Airside buildings.

6. The cost of all utilities used or consumed on the Premises provided to Company hereunder, and the responsibility for and cost of relamping all electrical fixtures (including any within the Premises which were installed by the Aviation Authority) shall be borne by the Company. 1. **Airport Concession Disadvantaged Business Enterprise Program.**

Pursuant to regulations promulgated by the U.S. Department of Transportation ("DOT"), under 49 C.F.R. Part 23 ("Part 23"), the Greater Orlando Aviation Authority (the "Aviation Authority") has established its ACDBE Program. The Aviation Authority has received, and expects to receive, Federal financial assistance from the DOT, and as a condition precedent to receiving this assistance, the Aviation Authority has signed assurances that it will comply with Part 23 of the Federal Regulations. It is the policy of the Aviation Authority that ACDBEs shall have an optimal opportunity to participate in all concession agreements. The Aviation Authority has established the ACDBE Program to implement this policy.

Only ACDBE entities that have a direct contract with Company or a parent of the proposing entity will be counted toward Company's ACDBE participation goal.

2. **ACDBE Program Compliance.** Company shall comply with all requirements of Part 23, in reference to its ACDBE participation obligations. Company shall enter into contract(s) with the certified ACDBEs identified in Schedule A, ACDBE Participation form, submitted with Company's Proposal, and if applicable, Schedule B, Information for Determining Joint Venture Eligibility, attached hereto, said ACDBE participation being a total of 100%, which the Aviation Authority relied upon in awarding this Agreement, subject only to the Aviation Authority's right to approve all contractors, or vendors, and which becomes a part of this Agreement.

Company shall not breach any of its obligations with the ACDBEs. In the event Company desires to terminate or replace an ACDBE, Company shall promptly notify the Aviation Authority of the impending termination, in writing, and the reason for such. In accordance with Part 23, the Aviation Authority must approve the proposed termination, and if approved, provide written notification to Company of such termination approval. Company shall replace the terminated ACDBE with another ACDBE. If Company is unable to secure another ACDBE for performance of that part of the contract for which such ACDBE was utilized, Company shall provide the Aviation Authority with documentation in a form satisfactory to demonstrate good faith efforts of its attempts to secure a replacement of the terminated ACDBE with another ACDBE.

3. **Reporting.** Company shall provide and submit, true and accurate monthly ACDBE Revenue Reports utilizing the attached Exhibit "H," reports to the Aviation Authority, setting forth the items and the amounts paid to each ACDBE for the preceding month under this Agreement. Each report must include documentation of the revenues generated by each ACDBE through its own efforts. The ACDBE Revenue Report must be signed, dated and emailed to the Office of Small Business Development at ACDBEreports@goaa.org, and received by the Aviation Authority no later than the twenty-fifth (25<sup>th</sup>) day of each month during the Term of this Agreement.

4. **ACDBE Certification Update.** Company shall be required to notify the Aviation Authority of any updates to participating ACDBE(s) certification(s) and shall resubmit an updated ACDBE Participation Form to the Aviation Authority every six (6) months during the Term of this Agreement (if applicable, an updated Joint Venture Eligibility Form). Such document(s) shall also be submitted promptly if there is any change in ownership or control of Company.

## **ARTICLE 8 - OBLIGATIONS OF THE AVIATION AUTHORITY**

A. **The Aviation Authority's Maintenance Obligation.** The Aviation Authority agrees to make all necessary structural repairs to the Premises at its own expense; provided, however, that for purposes of this Agreement such structural repairs shall not include any repairs to doors or windows in or adjoining the Premises or repairs to any Improvements to the Premises constructed or installed by Company, and further provided that Company shall reimburse the Aviation Authority, within ten (10) days of receipt of written demand for such reimbursement, for the cost and expense of all structural repairs required as the result of the negligent or intentional acts of Company, its owners, officers, partners, employees, agents, contractors, subcontractors, licensees or invitees, subject to the provisions of Article 12, below. Company shall give the Aviation Authority written notice describing any repair which is the responsibility of the Aviation Authority and the repair process shall be commenced by the Aviation Authority promptly after its receipt of such written notice if the Aviation Authority agrees that such repair is required and is the Aviation Authority's responsibility hereunder.

B. **No Other Obligation of the Aviation Authority.**

1. Company acknowledges that the Aviation Authority has made no representations or warranties concerning the suitability of the Premises for Company's use or for any other use, and that except as expressly provided in this Agreement, the Aviation Authority shall have no obligations whatsoever to repair, maintain, renovate or otherwise incur any cost or expense with respect to the Premises or any Improvements, furnishings, fixtures, trade fixtures or equipment constructed, installed or used on or in the Premises.

2. Company hereby confirms that it has made its own investigation of all the costs of doing business under this Agreement, including the costs of constructing Improvements to the Premises, and the costs of furnishings, fixtures, trade fixtures, signs, inventory and equipment needed to operate from the Premises hereunder; that it has done its own projections of the volume of business it expects to generate in operating from the Premises hereunder; that it is relying on its own business judgment concerning its prospects for operating on the Premises under this Agreement on a profitable basis; and that the Aviation Authority has not made any

representations or warranties with respect to any such matters.

3. The Aviation Authority does not warrant the accuracy of any statistics provided by the Aviation Authority or anyone on its behalf. Additionally, the Aviation Authority does not warrant the accuracy of any projections relating to the Airport and its operations. Company agrees that the Aviation Authority shall not be responsible for any inaccuracies in such statistics, projections or their interpretation.

4. All statements contained in this Agreement or otherwise made by the Aviation Authority or anyone on its behalf concerning any measurement relating to the Premises or any other area of the Airport are approximate only, and any inaccuracy in such statements of measurements shall not give rise to any claim by Company under or in connection with this Agreement.

5. The Aviation Authority shall not be liable to Company for any loss of business or damages sustained by Company as a result of any change in the operation or configuration of, or any change in any procedure governing the use of, the South Terminal Complex or the Airport, including, but not limited to, any restriction of access to the Airside portions of the South Terminal Complex to ticketed passengers.

Failure to timely provide a renewal or replacement bond shall be a default hereunder. The Letter of Credit must contain a condition that it shall be deemed automatically extended without amendment for one (1) year from the expiration date herein, or any future expiration date, unless ninety (90) days prior to any expiration date the Bank on which the Letter of Credit is drawn, shall notify the Aviation Authority by Registered Mail that such Bank elects not to consider the Letter of Credit renewed for any such additional period. Company's failure to timely provide a replacement Contract Bond or Letter of Credit hereunder shall constitute a default under this Agreement and the Aviation Authority shall be entitled to any remedies provided hereunder, and may, without limitation, proceed to recover under Company's existing Contract Bond or draw on the full amount of its existing Letter of Credit. If Company provides the Aviation Authority with a Letter of Credit or Contract Bond, Company shall maintain such Letter of Credit or Contract Bond in effect for at least one (1) year after the expiration or earlier termination of the Term hereof in the amount required for the last Agreement Period. However, the Aviation Authority shall release any existing Letter of Credit or Contract Bond provided by Company upon the Aviation Authority's receipt of a replacement Letter of Credit or Contract Bond that complies with the requirements of this Article 9.

#### **ARTICLE 10 – THE AVIATION AUTHORITY'S RIGHT TO REPAIR OR ALTER FACILITIES**

Notwithstanding any other provisions herein contained, the Aviation Authority shall have the absolute right to make any repairs, alterations, and additions to the South Terminal Complex, as well as the right to enter the Premises for the purpose of so doing, free from any and all liability to Company for any loss of business or damages sustained by Company for whatever reason as a result of the making of any such repairs, alterations or additions. 3. The Aviation Authority may, without terminating this Agreement, terminate Company's right to possession of the Premises, retake possession of the Premises and relet the Premises (including any Improvements), or any part thereof, for a Term at the Aviation Authority's option, that may be less than or exceed the period which would otherwise have constituted the balance of the Term of this Agreement. In such event, Company shall pay to the Aviation Authority any deficiency between the rent herein reserved and the net amount of the rents due on account of any other agreement for the Premises for each month of the period which would otherwise have constituted the balance of the Term of this Agreement, provided that the Aviation Authority has made a good faith effort to re-let the Premises at a rental rate which it determines to be reasonable under the circumstances. The Aviation Authority may recover such deficiency from Company at the time each payment becomes due under the Agreement, or, at the Aviation Authority's option, upon the expiration of the Term of this Agreement.

**C. Further Provisions Regarding Default.**

The acceptance by the Aviation Authority of any sums from Company at any time when Company is in default under any covenant or condition hereof shall not be construed as a waiver of such default or of the Aviation Authority's right to exercise any remedy arising out of such default, nor shall any waiver or indulgence granted by the Aviation Authority to Company be taken as an estoppel against the Aviation Authority, it being expressly understood that the Aviation Authority may, at any time thereafter, if such default continues, exercise any such remedy in the manner hereinbefore provided or as otherwise provided by law or in equity.

3. The rights and remedies given to the Aviation Authority by this Agreement shall not be exclusive, and in addition thereto, the Aviation Authority shall have such other rights and may pursue such other remedies as are provided by law or in equity. All such rights and remedies shall be deemed to be cumulative, and the exercise of one such right or remedy by the Aviation Authority shall not impair its standing to exercise any other right or remedy.

4. It is expressly agreed that in the event of default by Company hereunder, the Aviation Authority shall have a lien upon all goods, chattels, personal property and equipment of any description belonging to Company which are located on, or become a part of the Premises or any improvements thereto, as security for any fees or other charges which are then due or which become due for the remainder of the Term of this Agreement, which lien shall not be in lieu of or in any way affect the statutory landlord's lien given by law, and Company shall not remove or permit the removal of any of such property until all defaults under this Agreement have been cured.

5. Company hereby waives trial by jury in any action, suit or proceeding related to, arising out of or in connection with the terms, conditions, and covenants of this Agreement.

If Company continues to be in violation under this Article 14 for a period of five (5) days, and following the thirty (30) day prior notice provided above to Company, Company shall be required to substantiate to the Aviation Authority that it is taking all reasonable efforts to ensure compliance by Company of such violations, including, if necessary, termination of the Agreement. 6. PCI DSS - Company shall make available on the Premises, within 24 hours upon request by the Aviation Authority, such documentation, policies, procedures, reports, logs, configuration standards and settings and all other documentation necessary for the Aviation Authority to validate Company's compliance with PCI DSS as well as make available to the individuals responsible for implementing, maintaining and monitoring those system components and processes. Requested logs must be made available to the Aviation Authority in electronic format compatible with computers used by the Aviation Authority.

7. Evidence of PCI DSS Compliance – Company agrees to supply their PCI DSS compliance status and evidence of its most recent validation of compliance upon execution of the Contract. Company must supply to the Aviation Authority evidence of validation of compliance at least annually to be delivered along with the Annual Certification of Fees in accordance with Article 5.C. of this Agreement.

E. **Standards of Service.**

1. Company shall at all times during the term hereof maintain a sufficient number of properly trained personnel to ensure that all customers of Company receive prompt and courteous service at all times, and all such personnel, while on or about the Premises, shall be polite, clean, appropriately attired and neat in appearance. Employees of Company shall wear appropriate identification badges, subject to the approval of the Chief Executive Officer, and employees performing similar jobs shall wear similar uniforms, which shall be clean and pressed.

2. Company shall continuously monitor the supply of the merchandise to ensure that there is a sufficient supply of such items on hand at all times to meet the foreseeable demand therefor.

3. Except as the Chief Executive Officer may otherwise agree in writing, Company shall operate this Concession at the Premises only through its own employees. Company shall comply with the requirements of all statutes, regulations and rules applicable to its employment practices in connection with the operation of this Concession, including, without limitation, the Fair Labor Standards Act, shall pay all appropriate federal and state employment and withholding taxes, and shall maintain records demonstrating compliance with the foregoing. All such records shall, upon reasonable notice from the Chief Executive Officer, be made available, either at the Premises, or, at the Chief Executive Officer's option, at the offices of the Aviation

Authority, for inspection by the Aviation Authority, through its duly authorized representatives as often as the Chief Executive Officer shall request for a period of up to three (3) years after the end of the Agreement Period to which such records pertain.

F. **Sanitary Condition of Premises and Equipment.**

1. The Premises and all equipment and materials used by Company shall at all times be clean and sanitary and free from rubbish, refuse, garbage, dust, dirt and other offensive or unclean materials.

2. Company shall conduct its operations in an orderly and proper manner so as not to commit any nuisance or waste in the Premises or annoy, disturb or be offensive to others in the South Terminal Complex.

3. In the event Company fails to perform any sanitation procedures which the Chief Executive Officer determines are necessary to maintain the Premise and any improvements, furnishings, fixtures, trade fixtures, signs and equipment therein in properly sanitary condition, the Chief Executive Officer may, by written notice, direct Company to perform such procedures promptly, and, if Company fails to do so, Aviation Authority may, without waiving any of its other rights under this Agreement, enter upon the Premises to perform such procedures and require Company to pay the costs thereof.

G. **Deliveries.** All deliveries to and from the Premises shall be during such hours and at such locations as the Chief Executive Officer may specify. In addition, Company shall not use the Automated Guideway Transit System at the Airport for the purpose of transporting merchandise, supplies, equipment or refuse between the Landside and Airside Buildings.

H. **Reasonable Prices.**

1. Price charged for all items offered for sale on the Premises shall be fair and reasonable. "Reasonable prices" for retail items sold by Company on the Premises shall be defined as prices comparable to the prices charged for comparable items sold at facilities of comparable quality in the Orlando area.

2. In addition to the requirements of Appendix 1.G.1. above, where a retail sales price is printed on any item, the price charged by Company for said items shall not exceed the printed price.

3. Company's initial schedule of menu items is set forth in Exhibit "B". The initial price of merchandise may not be greater than the prices that Company submitted as part of its proposal to the Aviation Authority.

4. Notwithstanding any other provision hereof, if the Chief Executive Officer makes a preliminary determination that any particular price or charge of Company on the Premises is excessive in relation to prices or charges for comparable items at the comparable facilities mentioned above, the Chief Executive Officer may notify Company in writing that it must reduce such price or charge, and Company shall have ten (10) days from the date of receipt of such notice to implement an appropriate reduction in accordance with such notice. Such price or

charge may thereafter be reinstated with the Chief Executive Officer's written approval if Company is able to produce evidence demonstrating to the Chief Executive Officer that such price or charge is reasonable in relation to prices and charges for comparable items in such relevant facilities mentioned above. In the event the Chief Executive Officer declines to approve the reinstatement of such price or charge, Company may appeal the Chief Executive Officer's decision to the Aviation Authority's Concession/Procurement Committee, by written notice served upon the Aviation Authority within the three (3) business days following action by the Chief Executive Officer. In the event of such an appeal, the Concession/Procurement Committee shall evaluate the evidence presented and make a determination, subject to appeal to the Aviation Authority's governing board by written notice served upon the Aviation Authority within three (3) days after such determination by the Concession/Procurement Committee. The decision of the Aviation Authority's governing board shall be final and may be reviewed by certiorari by the Circuit Court for Orange County, Florida. In no event shall Aviation Authority, its Chief Executive Officer, or any member, officer, employee or agent thereof, be liable in damages or otherwise to Company or to any third party for any action taken under this paragraph or for any failure of the Company to enforce its right hereunder.

5. The cash registers used by Company must display prices for each item so that they can be easily seen by patrons while a transaction is being made and shall provide for each patron a detailed receipt of items sold.

I. **Signs and Graphics.** In entering this Agreement, Company acknowledges the Aviation Authority's desire to maintain a high level of aesthetic quality in all concession facilities throughout the South Terminal Complex. The Chief Executive Officer shall have the right at any time during the term of this Agreement to enter the Premises to ensure that Company's operations conform to the Aviation Authority's South Airport Complex Tenant Design Criteria. Upon receipt of a written notice from the Chief Executive Officer that he has determined that Company's display or operations do not conform to the South Airport Complex Tenant Design Criteria, Company shall immediately make the modification to achieve conformance. All signage and graphics on the Premises must be in accordance with the South Airport Complex Tenant Design Criteria and approved by the Chief Executive Officer prior to the installation.

J. **Change Making Services.** Company shall provide without charge, change making service at each cashier's location in the Premises.

K. **Paging System.** Company shall not install any paging system within the Premises.

L. **Manager.** The management, maintenance, and operation of the Premises and the concession conducted thereon shall be at all times during the Term hereof under the supervision and direction of an active, qualified, competent, and experienced manager who shall at all times be subject to the direction and control of Company. Company will cause such manager to be available at the Airport during normal business hours, and Company will at all times during the absence of such manager assign or cause to be assigned a qualified subordinate to assume and be directly responsible for the carrying out of his or her duties.

Company shall provide Manager(s) of sufficient training and experience acceptable to the Chief Executive Officer who shall be on site during all operating hours.

M. **Personnel.**

1. Company shall, in its operation of the Premises under this Agreement, employ or permit the employment of only such personnel that will assure a high standard of service to the public. All such personnel, while on or about the Premises shall be clean, neat in appearance, uniformly attired (with appropriate identification badge displaying no less than Company's and employee name), and be courteous at all times.

2. No personnel employed by Company, while on or about the Airport, shall use improper language, act in a loud, boisterous, or otherwise improper manner, or be permitted to solicit business in an inappropriate manner within the Premises. Company shall maintain a sufficient number of trained personnel to ensure that customers of Company will receive prompt and courteous service at all time.

N. **Automobile Parking.** The Aviation Authority shall provide one parking space for Company's resident manager. Employee parking will be provided by the Aviation Authority at a parking lot that is not adjacent to the South Terminal Complex, but the Aviation Authority will provide shuttle bus service between such parking lot and the South Terminal Complex. Use of the manager's space and the employee parking lot shall be subject to the Aviation Authority's rules and regulations, including payment of fees and any taxes for the manager's space, the employee parking lot and shuttle bus service set by the Aviation Authority and subject to change from time to time at the Aviation Authority's discretion.

O. **Shopping Service.** The Chief Executive Officer shall have the right (without limitation) to monitor and test the quality of Company's service and the effectiveness of its cash handling procedures through the use of a professional shopping service employed by the Aviation Authority. In the event that the Aviation Authority determines through the use of such shopping service that the level of Company's service is below that required under the terms of this Agreement or that Company's sales are not being properly recorded, then Company shall immediately undertake the correction of the problem.

P. **Customer Complaints.** In the event that any written customer complaint with respect to Company's operations on the Premises is delivered to Company at the Premises (or to the Aviation Authority and forwarded to Company), Company agrees that it shall promptly respond in writing to such complaint and make a good faith attempt to explain, resolve or rectify the cause of the complaint. Additionally, Company shall provide to the Aviation Authority, without further demand, a copy of each such complaint and Company's written response thereto.

Q. **Airport Employee Discounts.** Company shall provide a discount equal to twenty percent (20%) off the purchase price for all food and non-alcoholic beverage purchases made by all Aviation Authority-authorized badged persons employed at the Airport.

R. **No Smoking Policy.** Except for areas otherwise designated by Aviation Authority, the Airport is a non-smoking facility and Company expressly agrees to abide by the Aviation Authority's no smoking policy throughout the Premises.

S. **Sustainability.** In support of the Aviation Authority's Sustainability Management Plan, Company agrees to adhere to the following Aviation Authority Policies and Procedures, as they are updated, and to be responsible to coordinate with the Aviation Authority for updates:

1. Green Cleaning Procedure
2. Integrated Pest Management Procedure
3. Waste Management Policy
4. Indoor Air Quality Procedures.

In addition, Company agrees to:

1. Ban polystyrene foam (Styrofoam) for all disposable consumer packaging;
2. Ban all petroleum-based plastic disposable consumer containers, utensils, and bags;
3. Procure recycled content paper for printing uses that has a minimum recycled content of 100%; and
4. Donate surplus food to the greatest extent allowable by food safety regulations.

The Aviation Authority is committed to conserving natural resources, reducing pollution, and ensuring a healthy and sustainable future for the residents of and visitors to the Orlando region and the users of the Airport. In this effort, Company is encouraged to incorporate the following voluntary elements into their operational plans to the extent possible during the Term of the Agreement:

1. Green Purchasing Methodologies
2. Sourcing products locally, sustainably, and responsibly whenever possible
3. Supporting local sourcing of food and beverages, community supported agriculture, and the use of bio-based materials (which should meet the Sustainable Agriculture Network's Sustainable Agriculture Standard).

## **APPENDIX 2 Required Covenants**

A. **Agreements with the United States, State of Florida, County of Orange and City of Orlando.** This Agreement shall be subject to all restrictions of record affecting the Airport and the use thereof, all federal, state, county and city laws, and regulations affecting the same, and shall be subject and subordinate to the provisions of any and all existing agreements between the Aviation Authority and the City of Orlando, and those between the Aviation Authority or the City of Orlando and the United States of America, the State of Florida, or the County of Orange, or their boards, agencies or commissions, and to any future agreements between or among the foregoing relative to the operation or maintenance of the Airport, the execution of which may be required as a condition precedent to the expenditure of federal, state, county or city funds for the development of the Airport, or any part thereof. All provisions hereof shall be subordinate to the right of the United States to occupy or use the Airport, or any part thereof, during time of war or national emergency.

B. **Right to Amend.** In the event that the Federal Aviation Administration or its successors requires modifications or changes in this Agreement as a condition precedent to the granting of its approval or to the obtaining of funds for improvements at the Airport, Company hereby consents to any and all such modifications and changes as may be reasonably required.

C. **Covenants Against Discrimination.**

1. Company on behalf of itself, its successors in interest and its assigns, as a part of the consideration hereof, does hereby covenant and agree that (1) no person on the grounds of race, color or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of the Premises or the Airport; (2) that in the construction of any Improvements at the Airport and the furnishing of services in connection therewith, no person on the grounds of race, color or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination; and (3) that Company shall operate at the Airport in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Non-discrimination in Federally assisted programs of the Department of Transportation-effectuation of Title VI of the Civil Rights Act of 1964, and Part 27, Nondiscrimination on the Basis of Disability in Programs and Activities Receiving or Benefitting From Federal Financial Assistance (1991), as said Regulations may be amended. Likewise, Company shall comply with laws of the State of Florida, prohibiting discrimination because of race, color, religion, sex, national origin, age, disability or marital status. Should Company authorize another person or entity, with the Aviation Authority's prior written consent, to provide services or benefits in or in connection with its rights or obligations under this Agreement, Company shall obtain from such person or entity a written agreement pursuant to which such person or entity shall, with respect to the services or benefits which it is authorized to provide, undertake for itself the obligations contained in this paragraph. Company shall furnish the original or a true copy of such agreement to the Aviation Authority.

2. Company will provide all information and reports required by said Regulations, or by directives issued pursuant thereto, and shall permit access to its books,

records, accounts, other sources of information, and its facilities as may be determined by the Aviation Authority or the Federal Aviation Administration to be pertinent to ascertain whether there has been compliance with said Regulations and directives. Where any information required of Company is in the exclusive possession of another who fails or refuses to furnish this information, Company shall so certify to the Aviation Authority or the Federal Aviation Administration, as appropriate, and shall set forth what efforts it has made to obtain the information.

3. In the event of a breach of any of the above nondiscrimination covenants, the Aviation Authority shall have the right to impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate. Such rights shall include the right to terminate this Agreement and to re-enter and repossess the Premises and the improvements thereto, and hold the same as if this Agreement had never been made. The rights granted to the Aviation Authority by the foregoing sentence shall not be effective until the procedures of Title 49, Code of Federal Regulations, Part 21 and Part 27 are followed and completed, including exercise or expiration of appeal rights.

4. Company assures Aviation Authority that no person shall be excluded on the grounds of race, creed, color, national origin or sex from participating in or receiving the services or benefits of any program or activity covered by Title 14, Code of Federal Regulations, Part 152, Subpart E, Federal Aviation Administration, Nondiscrimination in Airport Aid Program, and that it will be bound by and comply with all other applicable provisions of such Subpart E, as it may be amended from time to time. Company also assures the Aviation Authority that it will require its covered suborganizations to provide assurances to the same effect and provide copies thereof to the Chief Executive Officer.

5. Company further assures Aviation Authority that it will comply with pertinent statutes, Executive Orders and such rules as are promulgated to assure that no person shall on the grounds of race, creed, color, national origin, sex, age or disability be excluded from participating in any activity conducted at or in connection with its operations at the Premises. Company also assures the Aviation Authority that it will require its contractors and sublessees to provide assurances to the same effect and ensure that such assurances are included in contracts and subleases at all tiers, which are entered into in connection with Company's operations at the Premises.

6. a. This Agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR Part 23, subpart F. Company agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement covered by 49 CFR Part 23, subpart F.

b. Company agrees to include the above statements in any subsequent concession agreements that it enters and cause those businesses to similarly include the statements in further agreements.

7. The Aviation Authority may from time to time be required by the United States Government, or one or more of its agencies, to adopt additional or amended provisions

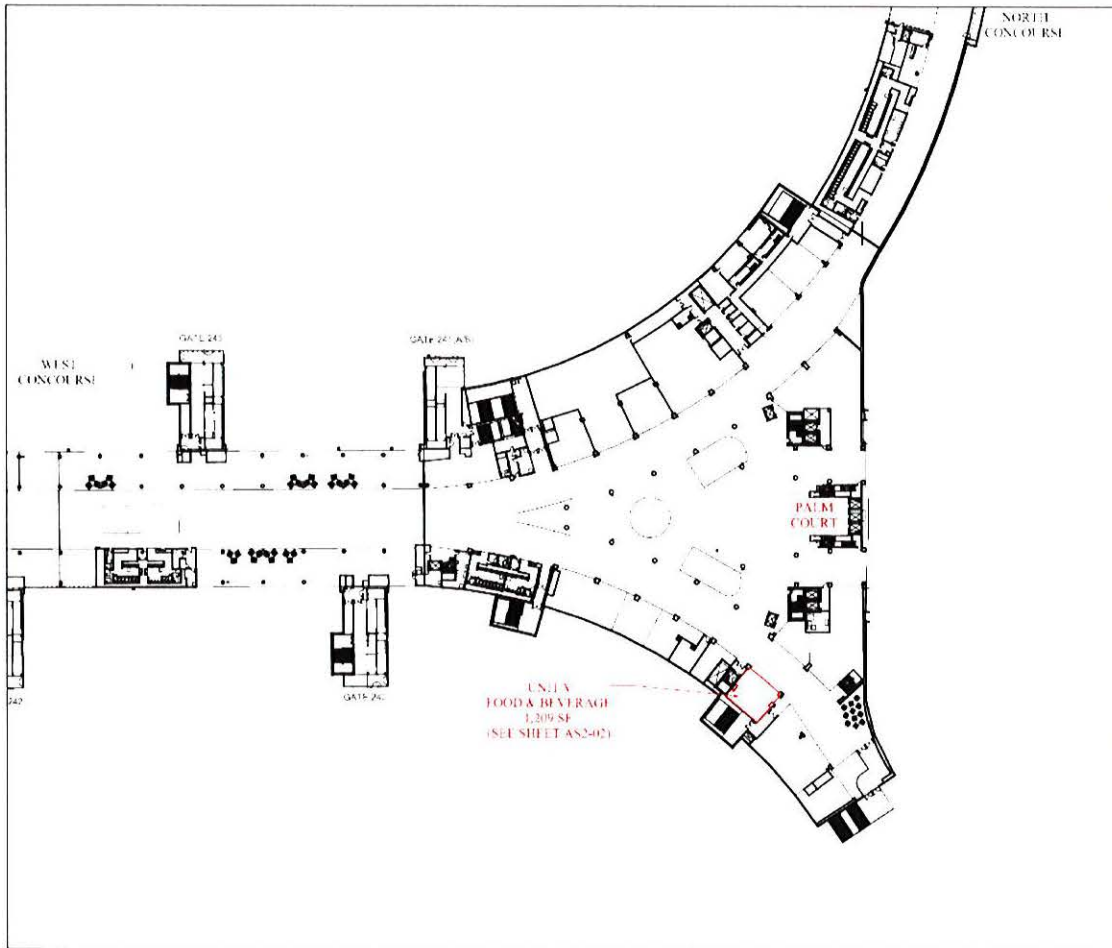

including nondiscrimination provisions concerning the use and operation of the Airport, and Company agrees that it will adopt such requirements as part of this Agreement.

D. **Right to Modify.** The parties hereto covenant and agree that, during the Term hereof, the Aviation Authority, may unilaterally modify this Agreement upon advice of its legal counsel, in order to conform to judicial or Federal Trade Commission rulings or opinions. This Appendix 2 shall not preclude Company from contesting said rulings or opinions, but Company shall abide by the unilateral change while such a challenge is pending. Except as otherwise specifically provided in this Agreement, this Agreement may not be modified except by a written instrument signed by both parties.

E. **Tax Exempt Status of the Aviation Authority's Revenue Bonds.** Company agrees to comply promptly with any applicable provisions of any federal tax statute, and all regulations or other binding authority promulgated or decided thereunder, as required to permit the Aviation Authority's capital expansion projects to be planned and constructed by the Aviation Authority with revenue bonds the interest on which is generally exempt from federal income taxation, other than any applicable individual or corporate alternative minimum taxes (and other than during any period while such revenue bonds are held by a "substantial user" of the projects financed by such revenue bonds or a "related person" to a "substantial user"), including, without limitation, the execution by Company and delivery to the Aviation Authority on the date of execution of this Agreement of an election not to claim depreciation or any investment credit with respect to any portion of such capital expansion projects or any other portion of the Airport System in the Tax Election Form, attached hereto as Exhibit "G." Such exhibit shall be deemed to be a part of this Agreement and shall be binding upon Company, its successors and assigns.

**GREATER ORLANDO AVIATION AUTHORITY**

**KNOW ALL MEN BY THESE PRESENTS** that \_\_\_\_\_, a \_\_\_\_\_ authorized to do business in the state of Florida, hereinafter referred to as "Principal," and \_\_\_\_\_, a corporation organized under the laws of the State of \_\_\_\_\_ and licensed to do business in the State of Florida, hereinafter referred to as "Surety," are held and firmly bound unto the Greater Orlando Aviation Authority, as Obligee, hereinafter referred to as the "Aviation Authority," and \_\_\_\_\_, a \_\_\_\_\_ authorized to do business in the state of Florida, as Co-Obligee, hereinafter referred to as the "Company," in the Penal Sum of \_\_\_\_\_ and \_\_\_/100 Dollars (\$\_\_\_\_\_), for the payment of which sum well and truly made, Principal and Surety bind ourselves, our heirs, personal representatives, successors and assigns, jointly and severally, firmly by these presents.

**WHEREAS**, Principal has leased from the Aviation Authority real property at Orlando International Airport, in accordance with the terms of an Orlando International Airport STC Quick Service Food and Beverage Concession Agreement, which is incorporated herein by reference, made a part hereof, and is hereinafter referred to as the Agreement; and

**WHEREAS**, Principal has by written agreement dated \_\_\_\_\_, 20\_\_, entered into a contract, hereinafter referred to as the Contract, hereinafter referred to as Contractor for the installation of equipment and/or the construction of improvements to the above-described real property; and

**WHEREAS**, under the terms of the Agreement, Principal is required to indemnify and hold harmless the Aviation Authority from and against any and all claims of claimants, as defined in Sections 255.05(1) and 713.01(16), Florida Statutes, for installation of equipment and/or construction of improvements to the above-described real property, and is also required to provide a bond protecting the rights of such claimants to payment for services, labor, materials or supplies used directly or indirectly in the installation of equipment and/or the construction of improvements to the above-described real property; and

**WHEREAS**, Surety is authorized to do business in the State of Florida;

**NOW, THEREFORE**, the condition of this obligation is such that if Principal shall promptly make payments to all claimants as defined in Sections 255.05(1) and 713.01(16), Florida Statutes, supplying Principal and/or Contractor with services, labor, materials, or supplies, used directly or indirectly by Principal and/or Contractor in the installation of equipment and/or construction of improvements to the above-described real property as provided for in Section 5.2 of the Agreement and in the Contract, then this obligation shall be void; otherwise, it shall remain in full force and effect, subject, however, to the following conditions:

1. This bond is furnished for the purpose of complying with the requirements of

Section 255.05, Florida Statutes, to the extent applicable; and for the purpose of exempting any legal or equitable interest in real property owned by the Aviation Authority or the Principal from liens, and complying with the requirements of Section 713.23, Florida Statutes, to the extent applicable.

2. It is a specific condition of this bond that a claimant's right of action on the bond is limited to the provisions of Sections 255.05 and 713.23, Florida Statutes, including, but not limited to, the one-year time limitation within which suits may be brought.

Therefore, a claimant, except a laborer, who is not in privity with the Principal and who has not received payment for his services, labor, materials or supplies shall, within forty-five (45) days after beginning to furnish services, labor, materials or supplies for the prosecution of the work, furnish the Principal with a notice that he intends to look to the bond for protection. Any claimant who has not received payment for his services, labor, materials or supplies shall, within ninety (90) days after performance of the services or labor or completion of delivery of the materials or supplies, deliver to the Principal and to the Surety written notice of the performance of the services or labor or delivery of the materials or supplies and of the nonpayment. No action for the services, labor, materials or supplies may be instituted against the Principal or the Surety unless both notices have been given. No action shall be instituted against the Principal or the Surety on the bond after one (1) year from the performance of the services or labor or completion of the delivery of the materials or supplies.

3. The Surety's obligations hereunder shall remain in full force and effect notwithstanding (i) amendments or modifications to the Agreement or Contract entered into by the Aviation Authority, Principal and/or Contractor without the Surety's knowledge or consent, (ii) waivers of compliance with or any default under the Agreement or Contract granted by the Aviation Authority to Principal or by Principal to Contractor without the Surety's knowledge or consent, (iii) the discharge of Principal from its obligations under the Agreement or Contract as a result of any proceeding initiated under the Bankruptcy Code of 1978, as the same may be amended, or any similar state or federal law, or any limitation of the liability of Principal or its estate as a result of any such proceeding, or (iv) any other action taken by the Aviation Authority, Principal or Contractor that would, in the absence of this clause, result in the release or discharge by operation of law of the Surety from its obligations hereunder.

4. Any changes in or under the Agreement or Contract and compliance or noncompliance with any formalities connected with the Agreement or Contract or the changes therein shall not affect Surety's obligations under this bond, and Surety hereby waives notice of any such changes. Further, Principal and Surety acknowledge that the Penal Sum of this bond shall increase or decrease in accordance with approved changes or other modifications to the Agreement and/or the Contract.
