MEMORANDUM

TO: Members of the Procurement Committee

FROM: Brad Friel, Sr. Vice President of Multi-Modal Planning and Environmental

DATE: April 2, 2024

ITEM DESCRIPTION

Request for Recommendation to the Aviation Authority Board for Approval of an Amendment to Addendum 44 of the General Consulting Services Agreement with Ricondo & Associates, Inc. for Additional Fiscal Year 2024 On-Call General Consulting Services at the Orlando International Airport

BACKGROUND

In December 2020, Ricondo & Associates, Inc. was selected by the Aviation Authority Board through a competitive award process to provide General Consulting Services. Tasks are awarded on an as-needed or annual basis.

This no-cost base agreement established the negotiated hourly rates. The services provided as part of this agreement may include advising and supporting the Aviation Authority through assessments, studies, master planning, concept development, and preparation of design/build criteria packages, extension of staff, and other efforts as assigned for the development, management, and operation of the existing and future facilities. The services may also include interfacing with the Aviation Authority's committees and the Aviation Authority's departments, and coordinating and providing documentation required by federal, state, and local agencies including the FAA; Transportation Security Administration (TSA); Florida Department of Transportation (FDOT); the Orlando Utilities Commission (OUC); the Division of Strategic Business Development; City of Orlando; Orange County, Florida; and, other agencies as required. The selected general consultant will be prohibited from providing preparation of construction documents, and Owner's Authorized Representative (OAR) Services for the Aviation Authority, and shall be precluded from submitting bids or proposals for any such services to the Aviation Authority.

ISSUES

On October 5, 2023 the Procurement Committee approved \$50,000 for general on-call services with Ricondo & Associates. Similarly, on January 9, 2024 the Procurement Committee approved additional funds of \$50,000 for these on call services. Since the initial approval, several projects have been conducted related to airport development, the strategic plan and advanced air mobility that have used a significant portion of the approved funding. It has been determined that an additional \$80,000 will be needed to address any further general on-call services for Fiscal Year 2024.

The cumulative contract value of all addenda/amendments since the last approval by the Aviation Authority Board for the General Consulting Services Agreement with Ricondo & Associates exceeds the \$250,000 threshold; thus, this agenda item requires Board approval.

If approved, these services would be effective the date of the Aviation Authority Board approval.

SMALL BUSINESS

The MWBE/LDB/VBE participation has been reviewed by the Office of Small Business Development. The findings and recommendation are attached.

ALTERNATIVES

None.

FISCAL IMPACT

The fiscal impact is \$80,000. Funding is from previously-approved Operation and Maintenance Funds.

RECOMMENDED ACTION

It is respectfully requested that the Procurement Committee recommend to the Aviation Authority Board approval of an amendment to addendum 44 to the General Consulting Services Agreement with Ricondo & Associates, Inc. for the services contained herein and amount as shown below:

MEMORANDUM

TO: Members of the Aviation Authority

FROM: Kathleen M. Sharman, Interim Chair, Procurement Committee/Chief Financial Officer

DATE: April 24, 2024

ITEM DESCRIPTION

Notification of Committee Recommendations to the Chief Executive Officer for Approval at the April 24, 2024, Aviation Authority Board Meeting

BACKGROUND

The attached list represents contracts executed by the Chief Executive Officer or designee per Board Policy or requiring notification to the Board.

The following list represents contracts recommended by the Procurement Committee (PC) to be executed by the Chief Executive Officer requiring notification to the Aviation Authority Board:

- Amendment to Addendum No. 10 to the Continuing Transportation Planning Services Agreement with HDR Engineering, Inc. for Additional Fiscal Year (FY) 2024 On-Call Transportation Planning Services at the Orlando International Airport, for the total not-to-exceed fees amount of \$60,000, with funding from previously-approved Operations and Maintenance Funds. These additional services will include review, analysis, and recommendation for traffic planning and traffic engineering issues identified by the Aviation Authority. The scope may also include meetings, workshops, or presentations, as required by the Aviation Authority. Services will be provided through September 30, 2024. The Aviation Authority has reviewed the proposal from HDR Engineering, Inc., and determined that HDR Engineering, Inc. does not propose any small business participation in this Amendment because of the on-call nature of the services to be provided. The Small Business Department certifies that HDR Engineering, Inc. is in good standing as it related to its small business participation on those addenda in which small business participation is required in its professional services agreement. *[Reference PC Meeting held March 26, 2024, Consent Agenda Item No. II-A].*
- Amendment to Addendum No. 44 to the General Consulting Services Agreement with Ricondo & Associates, Inc. for Additional FY 2024 On-Call General Consulting Services at Orlando International Airport, for the total not-to-exceed fees amount of \$80,000, with funding from previously-approved Operations and Maintenance Funds. Since the approval of Addendum No. 44, several projects have been conducted related to airport development and advanced air mobility that have used a significant portion of the initially approved funding. It has been determined that an additional \$80,000 will be needed to address any further general on-call services. These additional services will include assistance to the Aviation Authority on miscellaneous general consulting efforts or advisory services on an as-needed basis, as requested by the Aviation Authority. These services may relate to, but not necessarily be limited to, professional consulting services for master planning, airfield analysis, terminal planning/programming/design, airspace analysis, vertiport planning, airport activity forecasting, capital improvement program support and implementation services. Services will be provided through September 30, 2024. The Aviation Authority has reviewed the proposal from Ricondo & Associates, Inc., and determined that

Ricondo & Associates, Inc. does not propose any small business participation on this Amendment because of the on-call nature of the required services to be provided. The Small Business Department certifies that Ricondo & Associates, Inc. is in good standing as it relates to its small business participation on those addenda on which small business participation is required in its professional services agreement.

[Reference PC Meeting held April 2, 2024, Agenda Item No. II-A].

- Addendum to the General Consulting Services Agreement with Ricondo & Associates, Inc. for Passenger Intercept Surveys Services at Orlando International Airport, for the total not-to-exceed fees amount of \$22,954.50, with funding from previously-approved Operations and Maintenance Funds. Services will include conducting multiple onsite surveys in April and May 2024, to gather current and new demographic data and feedback from arriving passengers. These surveys will be conducted in the baggage claim and rental car waiting areas. The Aviation Authority has reviewed the proposal from Ricondo & Associates, Inc., and determined that Ricondo & Associates, Inc. proposes 3% MWBE participation on this Addendum and certifies that Ricondo & Associates, Inc. is in good standing as it relates to its small business participation. *[Reference PC Meeting held April 2, 2024, Agenda Item No. II-B].*
