MEMORANDUM

TO: Members of the Procurement Committee

FROM: Byron Hoffman, Manager Commercial Development - Airline

DATE: November 7, 2023

ITEM DESCRIPTION

Request for Approval of an Addendum to the General Consulting Services Agreement with Ricondo & Associates, Inc. for Fiscal Year 2024 On-Call Support Services for Commercial Properties Department at the Orlando International Airport.

BACKGROUND

In December 2020, Ricondo & Associates, Inc. was selected by the Aviation Authority Board through a competitive award process to provide General Consulting Services to the Authority. Tasks are awarded on an as-needed or annual basis.

This no-cost base agreement established the negotiated hourly rates. The services provided as part of this agreement may include advising and supporting the Aviation Authority through assessments, studies, master planning, concept development, and preparation of design/build criteria packages, extension of staff, and other efforts as assigned for the development, management, and operation of the existing and future facilities. The services may also include interfacing with the Aviation Authority's committees and the Aviation Authority's departments, and coordinating and providing documentation required by federal, state, and local agencies including the FAA; Transportation Security Administration (TSA); Florida Department of Transportation (FDOT); the Orlando Utilities Commission (OUC); the Division of Strategic Business Development; City of Orlando; Orange County, Florida; and, other agencies as required. The selected general consultant will be prohibited from providing preparation of construction documents, and Owner's Authorized Representative (OAR) Services for the Aviation Authority, and shall be precluded from submitting bids or proposals for any such services to the Aviation Authority.

Since FY22, Ricondo & Associates has provided on-call support services to Commercial Properties on an annual basis. Historically, Ricondo & Associates has primarily provided design review support services to the department.

ISSUES

Consultant's proposal, dated September 5, 2023 (updated October 9, 2023) to assist the Aviation Authority Commercial Properties department with miscellaneous support services at MCO on an as needed basis, as requested by the Authority.

If approved, these services would be effective the date of Procurement Committee approval.

The cumulative contract value of all addenda/amendments since the last approval by the Aviation Authority Board for the General Consulting Services Agreement with Ricondo & Associates, Inc. is below the \$250,000 threshold; thus, this agenda item does not require Board approval.

The MWBE/LDB/VBE participation has been reviewed by the Office of Small Business Development (OSBD). The findings and recommendation are attached.

RE: Request for Approval of an Addendum to the General Consulting Services Agreement with Ricondo & Associates, Inc. for Fiscal Year 2024 On-Call Support Services for Commercial Properties Department at the Orlando International Airport.

We have reviewed the qualifications of the subject contract's MWBE/LDB/VBE specifications and determined that, due to the on-call nature of the services to be provided, Ricondo & Associates, Inc. does not propose small business participation on this addendum.

Our analysis indicates that Ricondo & Associates, Inc. is eligible for award of the subject addendum.
