MEMORANDUM

TO: Members of the Procurement Committee

FROM: Brad Friel, Sr. Vice President of Multi-Modal Planning and Environmental
(Prepared by Chris DeLoatche)

DATE: January 9, 2024

ITEM DESCRIPTION

Request for Approval of an Addendum to the General Consulting Services Agreement with Ricondo & Associates, Inc. for Fiscal Year 2024 On-Call General Consulting Services at the Orlando Executive Airport

BACKGROUND

In December 2020, Ricondo & Associates, Inc. was selected by the Aviation Authority Board through a competitive award process to provide General Consulting Services. Tasks are awarded on an as-needed or annual basis.

This no-cost base agreement established the negotiated hourly rates. The services provided as part of this agreement may include advising and supporting the Aviation Authority through assessments, studies, master planning, concept development, and preparation of design/build criteria packages, extension of staff, and other efforts as assigned for the development, management, and operation of the existing and future facilities. The services may also include interfacing with the Aviation Authority's committees and the Aviation Authority's departments, and coordinating and providing documentation required by federal, state, and local agencies including the FAA; Transportation Security Administration (TSA); Florida Department of Transportation (FDOT); the Orlando Utilities Commission (OUC); the Division of Strategic Business Development; City of Orlando; Orange County, Florida; and, other agencies as required. The selected general consultant will be prohibited from providing preparation of construction documents, and Owner's Authorized Representative (OAR) Services for the Aviation Authority, and shall be precluded from submitting bids or proposals for any such services to the Aviation Authority.

ISSUES

Consultant's proposal dated December 20, 2023 is to provide on-call general consulting services for Orlando Executive Airport for the Fiscal Year 2024 (FY24). Such services will include (but are not limited to) professional consulting services for: airfield analysis, airspace analysis, vertiport planning, airport activity forecasting, capital improvement program support and implementation services, general aviation facility concept development, aircraft fleet mix review, and other miscellaneous general consulting and advisory services, as deemed necessary by the Aviation Authority. Throughout the fiscal year, as on-call assignments are completed, additional scope and funding needs are evaluated and funded on an as-needed basis.

The cumulative contract value of all addenda/amendments since the last approval by the Aviation Authority Board for the General Consulting Services Agreement with Ricondo and Associates, Inc. does not exceed the \$250,000 threshold; thus, this agenda item does not require Board approval.

If approved, these services would be effective the date of Procurement Committee approval.

MEMORANDUM

TO: Members of the Procurement Committee

FROM: Edelis Molina, Manager Small Business Programs

DATE: January 09, 2024

RE: Request for Approval of an Addendum to the General Consulting Services Agreement with Ricondo & Associates, Inc. for Fiscal Year 2024 On-Call General Consulting Services at the Orlando Executive Airport

We have reviewed the qualifications of the subject contract's MWBE/LDB/VBE specifications and have determined that Ricondo & Associates, Inc. does not propose small business participation on this addendum due to the on-call nature of the general consulting services.

Our analysis indicates that Ricondo & Associates, Inc. is eligible for award of the subject addendum.
