MEMORANDUM

TO: Members of the Procurement Committee

FROM: Brad Friel, Sr. Vice President of Multi-Modal Planning and Environmental

DATE: July 16, 2024

ITEM DESCRIPTION

Request for Approval of an Addendum to the General Consulting Services Agreement with Ricondo & Associates, Inc. for the Airport Layout Plan (ALP) Update Support Services at the Orlando International Airport (MCO).

BACKGROUND

In December 2020, Ricondo & Associates, Inc. was selected by the Aviation Authority Board through a competitive award process to provide General Consulting Services. Tasks are awarded on an as-needed or annual basis.

This no-cost base agreement established the negotiated hourly rates. The services provided as part of this agreement may include advising and supporting the Aviation Authority through assessments, studies, master planning, concept development, and preparation of design/build criteria packages, extension of staff, and other efforts as assigned for the development, management, and operation of the existing and future facilities. The services may also include interfacing with the Aviation Authority's committees and the Aviation Authority's departments, and coordinating and providing documentation required by federal, state, and local agencies including the Federal Aviation Administration (FAA); Transportation Security Administration (TSA); Florida Department of Transportation (FDOT); the Orlando Utilities Commission (OUC); the Division of Strategic Business Development; City of Orlando; Orange County, Florida; and, other agencies as required. The selected general consultant will be prohibited from providing preparation of construction documents, and Owner's Authorized Representative (OAR) Services for the Aviation Authority, and shall be precluded from submitting bids or proposals for any such services to the Aviation Authority.

ISSUES

The consultant's proposal dated June 24, 2024 is to provide support services for the ALP update at MCO. These ALP Updates may be needed to reflect new development or proposed capital projects not shown in the current, FAA-approved ALP for MCO, as well as modifications to existing conditions or future development included in the FAA-approved ALP. Such ALP Updates may be submitted by the Greater Orlando Aviation Authority to the FAA for approval as part of "pen-and-ink change" requests.

The cumulative contract value of all addenda/amendments since the last approval by the Aviation Authority Board for the General Consulting Services Agreement with Ricondo and Associates, Inc. does not exceed the \$250,000 threshold; thus, this agenda item does not require Board approval.

Upon completion of all required documentation, services will be effective no earlier than the Procurement Committee approval.

RE: Orlando International Airport (MCO) - Airport Layout Plan (ALP) Update Support Services
Scope of Work and Fee Proposal

Dear Mr. Friel:

Ricondo & Associates, Inc. (Ricondo) appreciates the opportunity to submit this proposal to provide on-call support services for updates to the Orlando International Airport (MCO) Airport Layout Plan (ALP). These ALP Updates may be needed to reflect new development or proposed capital projects not shown in the current, FAA-approved ALP for MCO, as well as modifications to existing conditions or future development included in the FAA-approved ALP. Such ALP Updates may be submitted by the Greater Orlando Aviation Authority (the Aviation Authority) to the FAA for approval as part of "pen-and-ink change" requests. These services may be approved as a new Addendum, or an Amendment to an existing Addendum to the General Consulting Services Agreement. In addition, these services would only be undertaken upon request by the Aviation Authority.

Below is a breakdown of the anticipated services to be provided.

- Update to the ALP drawing (Sheet 3 of 18) of MCO's ALP drawings set that was most recently revised in July 2021. Updates may include, but not be limited to changes to the ALP to reflect proposed or planned facility demolition, reconfiguration of proposed/future development, and new proposed facility or infrastructure development by tenants or the Aviation Authority.
- Narrative necessary to describe or justify the proposed ALP changes. This may require an ALP Narrative Report prepared in accordance with FAA guidelines or ALP checklist requirements.
- Updates to other ALP drawing set sheets that are warranted as a result of the revisions made to Sheet 3 of 18.
- To support the submittal of the updated ALP drawing, Ricondo will review, prepare, and complete, as needed, sections of Standard Operating Procedure (SOP) 2.00, *Standard Procedure for FAA Review and Approval of Airport Layout Plans (ALPs)*, checklist. Ricondo will draft the checklist while simultaneously updating the ALP drawing sheet.

Each requested ALP Update will include an updated ALP submittal to the Aviation Authority's staff in draft form for review and comment. Ricondo will address the Aviation Authority's comments as appropriate and prepare a document for submission to the FAA. Upon receipt of comments from the FAA, Ricondo will finalize the updated ALP and supporting narrative. All submittals referenced above will be delivered electronically (PDF).

Exclusions

- Update of the entire ALP drawings set for MCO, except as otherwise noted above
- Development of aviation activity forecasts
- Development of noise contours
- On-site surveys or site visits
- Obstacle surveys and analyses
- Runway length analyses

Schedule

Ricondo will coordinate with Aviation Authority staff to identify the schedule and deadlines associated with each work request received.

Professional Fees

Services will be performed on an as-needed basis using Ricondo’s hourly approved rates. The proposed Not-to-Exceed Fee is \$40,000 (forty thousand dollars and zero cents). It is mutually understood that work under this Addendum for ALP Update Support Services would only be undertaken when requested by Aviation Authority staff.
