## **MEMORANDUM**

**TO:** Members of the Procurement Committee

**FROM:** Brad Friel, Sr. Vice President of Multi-Modal Planning and Environmental

## **ITEM DESCRIPTION**

Request for Recommendation to the Aviation Authority Board for Approval of an Addendum to the General Consulting Services Agreement with Ricondo & Associates, Inc. for Project Implementation Staff Extension Services at the Orlando International Airport (MCO).

## **BACKGROUND**

In December 2020, Ricondo & Associates, Inc. was selected by the Aviation Authority Board through a competitive award process to provide General Counseling Services. Tasks are awarded on an as-needed or annual basis.

This no-cost base agreement established the negotiated hourly rates. The services provided as part of this agreement may include advising and supporting the Aviation Authority through assessments, studies, master planning, concept development, and preparation of design/build criteria packages, extension of staff, and other efforts as assigned for the development, management, and operation of the existing and future facilities. The services may also include interfacing with the Aviation Authority's committees and the Aviation Authority's departments, and coordinating and providing documentation required by federal, state, and local agencies including the Federal Aviation Administration (FAA); Transportation Security Administration (TSA); Florida Department of Transportation (FDOT); the Orlando Utilities Commission (OUC); the Division of Strategic Business Development; City of Orlando; Orange County, Florida; and, other agencies as required. The selected general consultant will be prohibited from providing preparation of construction documents, and Owner's Authorized Representative (OAR) Services for the Aviation Authority, and shall be precluded from submitting bids or proposals for any such services to the Aviation Authority.

## **ISSUES**

The consultant's proposal dated August 19, 2024 is to provide fiscal year 2025 Project Implementation Staff Extension Services. Consulting services to be completed as part of this addendum as an extension of staff to the Aviation Authority may be related to, but are not necessarily be limited to, professional consulting services for: Strategic Planning, Congestion Management, Master Planning, Terminal Planning/Programming, Capital Improvement Program/Implementation Support and other Miscellaneous services requested by the Aviation Authority.

Services cannot commence before the date of Aviation Authority Board Approval. The approved addendum must be executed by the Aviation Authority before invoicing for services.

The cumulative contract value of all addenda/amendments since the last approval by the Aviation Authority Board for the General Consulting Services Agreement with Ricondo & Associated does exceed the \$250,000 threshold; thus, this agenda item does require Board approval.

## **MEMORANDUM**

TO: Members of the Aviation Authority

FROM: Marquez A. Griffin, Chair, Procurement Committee

DATE: September 18, 2024

## **ITEM DESCRIPTION**

Recommendation of the Procurement Committee to Approve Multiple Addenda to the General Consulting Services Agreement with Ricondo & Associates, Inc. (Ricondo) at the Orlando International Airport (MCO) and Orlando Executive Airport (ORL)

## **BACKGROUND**

On December 9, 2020, the Aviation Authority Board approved the General Consulting Services Agreement with Ricondo, following a competitive award process in compliance with state statutes and Aviation Authority policies.

The agreement is structured as a no-cost base agreement with negotiated hourly rates. Services that are within the advertised scope are negotiated on an as-needed or annual basis, and awarded as addenda to the base agreement. The scope of advertised services includes advising and supporting the Aviation Authority through assessments, studies, master planning, concept development, and preparation of design-build criteria packages, extension of staff, and other efforts as assigned for the development, management, and operation of the existing and future facilities. The services may also include interfacing with the Aviation Authority's committees and the Aviation Authority's departments, and coordinating and providing documentation required by federal, state, and local agencies, including the Federal Aviation Administration (FAA); the Transportation Security Administration (TSA); the Florida Department of Transportation (FDOT); the Orlando Utilities Commission (OUC); the Division of Strategic Business Development; City of Orlando; Orange County, Florida; and, other agencies as required.

A summary of previously-approved addenda, and applicable amendments, to the General Consulting Services Agreement with Ricondo can be provided upon request.

## **ISSUES**

Per the Aviation Authority's Policy 450.04, the Aviation Authority Board must approve all contract addenda and applicable amendments that result in the value of any contract being increased, in the aggregate, by \$250,000 or more over the contract value. The Procurement Committee (PC) recommended approval of addenda to the above-referenced agreement, as follows:

- Fiscal Year (FY) 2025 On-Call General Consulting Services at MCO, for the total not-to-exceed fees amount of \$150,000, with funding from Operations and Maintenance Funds (subject to adoption of the FY 2025 Aviation Authority Budget by the Aviation Authority Board, under separate item). Services will include, but are not limited to, professional consulting services for airfield analysis, terminal planning/programming, landside planning (e.g., roadways, parking facilities, terminal curb fronts, rental car facilities/spaces); airspace analysis, vertiport planning, airport activity forecasting, capital improvement program support and implementation services, cargo and general aviation facility concept development, benchmarking analysis, preparation of 3D renderings, aircraft parking plan analysis, and other related general consulting and

advisory services, as requested by the Aviation Authority. Services will be provided from October 1, 2024, through September 30, 2025. The Aviation Authority has reviewed the proposal from Ricondo, and determined that Ricondo does not propose any small business participation on this Addendum, and certifies that Ricondo is in good standing as it relates to its small business participation on those addenda on which small business participation is required in its professional services agreement. *[Reference PC Meeting held September 3, 2024, Agenda Item No. 3-P].*

- FY 2025 On-Call Signage and Design Consulting Services at MCO, for the total not-to-exceed fees amount of \$122,712, with funding from Operations and Maintenance Funds (subject to adoption of the FY 2025 Aviation Authority Budget by the Aviation Authority Board, under separate item). Services will include, but are not limited to, assistance with signage/wayfinding projects from concept development to final completion; review of Aviation Authority sign design guidelines; project scope definition assistance; field observations and signage/wayfinding design recommendations; coordination meetings as required; preparation of field survey findings; preparation of Rough Order of Magnitude cost estimates to assist the Planning Department with the establishment of project budgets; and project-based construction administration duties, as requested. Services will be provided from October 1, 2024, through September 30, 2025. The Aviation Authority has reviewed the proposal from Ricondo, and determined that Ricondo proposes 1.1% Minority and Women Business Enterprise (MWBE) and 97.6% Local Developing Business (LDB) participation on this Addendum, and certifies that Ricondo is in good standing as it relates to its small business participation. *[Reference PC Meeting held September 3, 2024, Agenda Item No. 3-U].*
- FY 2025 On-Call Operational Readiness Staffing and Support Services at MCO, for the total not-to-exceed fees amount of \$215,973, with funding from Operations and Maintenance Funds (subject to adoption of the FY 2025 Aviation Authority Budget by the Aviation Authority Board, under separate item). Services will include, but are not limited to, performing specialized and advanced administrative functions and public meeting assignments, in support of the Aviation Authority's Operational Readiness team. Services will be provided from October 1, 2024, through September 30, 2025.
