

Connect, Communicate, Grow

GREATER ORLANDO AVIATION AUTHORITY
Innovation Connecting the World

Our mission is achieved by:

- Ensuring the maximum inclusion of small, minority, women, and locally owned businesses in agency procurement programs.
- Encouraging the growth of small businesses through capacity building and development programs.
- Serving as an advocate to promote the interests and needs of small businesses.
- Securing partnerships to ensure majority firms and other prime contractors are diligent in their efforts to partner with and support small businesses.

The Aviation Authority operates several programs to assist small companies:

- Airport Concessions Disadvantaged Business Enterprise (ACDBE)
- Disadvantaged Business Enterprise (DBE)
- Local Developing Businesses (LDB)
- Minority and Women Business Enterprise (MWBE)
- Veteran Business Enterprise (VBE)
- Small Business Enterprise (SBE)

Small Business Development and Economic Vitality

The Small Business Office connects local, small, and historically underutilized businesses to resources and contract opportunities at GOAA by providing personalized, equitable, and diversified solutions to current and future Airport businesses, contractors, and consultants.

GOAA Small Business Opportunities are available in all areas of the Aviation Authority operations:

- Concessions
- Construction
- Information Technology
- Operations and Maintenance
- Professional Services
- Purchasing
