**MEMORANDUM**

TO: Members of the Procurement Committee

FROM: Brad Friel, Sr. Vice President, Multi-Modal, Planning and Environmental

DATE: August 29, 2023

---

**ITEM DESCRIPTION**

Request for Recommendation to the Aviation Authority Board of Approval of an Addendum to the Continuing Environmental Engineering Consulting Services Agreement with Terracon Consultants, Inc. to provide FY24 On-Call Emergency Spill Response for Petroleum, Chemical and/or Sewer Discharges and Abandoned Drums at Orlando International Airport.

**BACKGROUND**

In 2018, the firms providing Continuing Environmental Engineering Consulting Services were selected through a competitive award process. These services are procured on an as-needed or annual basis.

On May 16, 2018, the Aviation Authority Board approved a Continuing Environmental Engineering Consulting Services Agreement with the following firms:

- AECOM Technical Services, Inc.
- MSE Group, LLC (*MWBE*)
- Professional Services Industries, Inc.
- Terracon Consultants, Inc.

These no-cost base agreements established the negotiated hourly rates. The services may include, but not limited to, environmental consulting services; conducting all phases of environmental contamination assessments for petroleum and hazardous materials; preparing reports and providing pertinent training as required by federal, State of Florida, and local agencies; storage tank management; coordination with regulatory agencies and remedial contractors; emergency response to fuel, petroleum and hazardous materials incidents, including immediate response to limit releases to the environment, performance of initial remedial actions and other related services including coordination with the Aviation Authority, its Consultants, the City and all agencies having jurisdiction over the Orlando International Airport, Orlando Executive Airport, and Other Facilities operated by the Aviation Authority.

The Services may also include, but are not limited to, studies and preparation of reports involving scope definition and validation of projects, analysis of environmental design parameters, budget development, evaluation and documentation of existing conditions; environmental design, bid/procurement and award, permitting, environmental construction administration, technical support and review of documents prepared by others, environmental management support on various Aviation Authority projects and all other environmental engineering and related professional services which may be required where the Aviation Authority elects not to solicit letters of interest by means of public advertisement.

## ISSUES

Consultant's proposal, dated August 15, 2023, is to perform FY24 On-Call Emergency Spill Response for Petroleum, Chemical and/or Sewer Discharges and Abandoned Drums at Orlando International Airport.

If approved, these services would be effective October 1, 2023.

## SMALL BUSINESS

The MWBE/LDB/VBE participation has been reviewed by the Office of Small Business Development (OSBD). The findings and recommendation are attached.

## ALTERNATIVES

None.

## FISCAL IMPACT

The fiscal impact is \$25,000. Funding is from Operations & Maintenance, subject to adoption by Aviation Authority Board of FY2024 Aviation Authority budget.

## RECOMMENDED ACTION

It is respectfully requested that the Procurement Committee recommend to the Chief Executive Officer approval of an Addendum to the Continuing Environmental Engineering Consulting Services with Terracon Consultants, Inc. for the services contained herein and the amount as shown below:

<b>Not-to-Exceed Fees</b>	<b>\$17,500.00</b>
<b>Lump Sum Fees</b>	<b>\$0.00</b>
<b>Not-to-Exceed Expenses</b>	<b>\$7,500.00</b>

**Proposal for On Call Emergency Spill Response for Petroleum,  
Chemical and/or Sewer Discharges and Abandoned Drums  
Orlando International Airport  
Orlando, Orange County, Florida  
Terracon Proposal No. PH1237823**

Dear Mr. Carrington:

In accordance with your request, Terracon Consultants, Inc. (Terracon) is pleased to present for your review and consideration our proposal to conduct emergency spill response services on an as-needed basis at the Orlando International Airport (OIA). This proposal is provided in order to enable Terracon to quickly and efficiently manage Emergency Response (abandoned drums, petroleum, hazardous chemical and/or sewer) to land and/or water spills.

## **SCOPE OF SERVICES**

Fully qualified emergency response crews will be available on a 24-hour, standby basis with the appropriate containment and cleanup equipment. The equipment will include the necessary spill response vacuum trucks, backhoes, sorbent materials, etc.

Terracon has a 100% commitment to the safety of all its employees. As such, and in accordance with our Incident and Injury Free® safety culture, Terracon will develop a safety plan to be used by our personnel during field services. Prior to commencement of on-site activities, Terracon will hold a meeting to review health and safety needs for this specific project. At this time, we anticipate performing fieldwork in a USEPA Level D work uniform consisting of hard hats, safety glasses, protective gloves, and steel-toed boots.

Please note that the emergency response fees will be invoiced based on the services needed as appropriate for each emergency response. Terracon is prepared to implement the above generally outlined scope of services on an as-needed basis for a not to exceed amount of **\$25,000.00**, utilizing Terracon's contract unit fee rates, and the subcontractor fee

schedules provided in **Attachment A**. We estimate that 30% of the fees will be for reimbursable field services (up to 15%) and laboratory services (up to 15%), and 70% for professional services. The estimated DBE Participation Schedule is included as **Attachment B**. The Truth in Negotiation Certification is provided in **Attachment C**.

Terracon appreciates the opportunity to submit this proposal. If you should have any questions concerning this proposal, please do not hesitate to contact us.

## **AUTHORIZATION**

If this proposal meets with your approval, work may be initiated by issuing an Addendum to the Continuing Environmental Engineering Services Contract dated August 3, 2018.

Terracon appreciates the opportunity to provide this proposal and look forward to working with you on this project. If you should have any questions or comments regarding this proposal, please contact either of the undersigned at 407-740-6110.

Sincerely,

**Terracon Consultants, Inc.**

## TRUTH IN NEGOTIATION CERTIFICATION

The Consultant hereby certifies, covenants, and warrants that wage rates and other factual unit costs supporting the compensation for this project's agreement are accurate, complete, and current at the time of contracting.

The Consultant further agrees that the original agreement price and any additions thereto shall be adjusted to exclude any significant sums by which the Aviation Authority determines the agreement price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs. All such agreement adjustments shall be made within (1) year following the end of the contract. For purposes of this certificate, the end of the agreement shall be deemed to be the date of final billing or acceptance of the work by the Aviation Authority, whichever is later.

## GREATER ORLANDO AVIATION AUTHORITY

Orlando International Airport  
One Jeff Fuqua Boulevard  
Orlando, Florida 32827-4392

### MEMORANDUM

TO: Members of the Aviation Authority

FROM: Kathleen M. Sharman, Interim Chair, Procurement Committee/Chief Financial Officer

DATE: September 27, 2023

### ITEM DESCRIPTION

Recommendation of the Procurement Committee to Approve Multiple Addenda to the Continuing Environmental Engineering Consulting Services Agreement with Terracon Consultants, Inc. for Fiscal Year (FY) 2024 Environmental Engineering Consulting Services at the Orlando International Airport (MCO)

### BACKGROUND

On May 16, 2018, the Aviation Authority Board approved Continuing Environmental Consulting Services Agreements with the following firms, following a competitive award process in compliance with state statutes and Aviation Authority policies:

- AECOM Technical Services, Inc.
- MSE Group, LLC (*MWBE*)
- Professional Service Industries, Inc.
- Terracon Consultants, Inc.

The agreements are structured as a no-cost base agreement with negotiated hourly rates. Services that are within the advertised scope are negotiated on an as-needed or annual basis, and awarded as addenda to the base agreement. The terms of the agreements shall be for a period of three years with optional renewal periods of two additional one-year terms, to be exercised at the discretion of the Aviation Authority and accepted by both parties. On May 19, 2023, the Aviation Authority Board approved an addendum to each agreement exercising an additional renewal option through December 31, 2023.

Services may include, but not limited to, environmental consulting services; conducting all phases of environmental contamination assessments for petroleum and hazardous materials; preparing reports and providing pertinent training as required by federal, State of Florida, and local agencies; storage tank management; coordination with regulatory agencies and remedial contractors; emergency response to fuel, petroleum and hazardous materials incidents, including immediate response to limit releases to the environment, performance of initial remedial actions and other related services including coordination with the Aviation Authority, its Consultants, the City and all agencies having jurisdiction over the Orlando International Airport, Orlando Executive Airport, and Other Facilities operated by the Aviation Authority.

Services may also include, but are not limited to, studies and preparation of reports involving scope definition and validation of projects, analysis of environmental design parameters, budget development, evaluation and documentation of existing conditions; environmental design, bid/procurement and award, permitting, environmental construction administration, technical support and review of documents prepared by others, environmental management support on various Aviation Authority projects and all other environmental engineering and related professional services

Since April 2023, a total of 6 addenda, and applicable amendments, to the Continuing Environmental Engineering Consulting Services Agreement with Terracon Consultants, Inc. have been approved. A summary of these approvals can be provided upon request.

## ISSUES

Per the Aviation Authority's Policy 450.04, the Aviation Authority Board must approve all contract addenda and applicable amendments that result in the value of any contract being increased, in the aggregate, by \$250,000 or more over the contract value. The Procurement Committee has recommended approval of addenda to the above-referenced agreement, as follows:

- An Addendum for FY 2024 Air Permit Compliance Services at MCO, for the total not-to-exceed fee amount of \$37,594, with funding from Operations and Maintenance Funds (subject to adoption by the Aviation Authority Board of the FY 2024 Aviation Authority Budget, under separate item). To ensure compliance with Florida Department of Environmental Protection requirements, air Terracon Consultants, Inc. will conduct FY 2024 air permit compliance services. These services will consist of monthly record keeping and preparation of an air pollution operating permit analysis to confirm air permit exemption criteria are satisfied. These services will be provided from October 1, 2023, through September 30, 2024. The Aviation Authority has reviewed the proposal from Terracon Consultants, Inc., and determined that Terracon Consultants, Inc. proposes 82% Minority and Women Business Enterprise (MWBE) participation on this addendum, and certifies that Terracon Consultants, Inc. is in good standing as it relates to its small business participation. *[Reference PC Meeting held August 29, 2023, Agenda Item No. IV-I].*
- An Addendum for FY 2024 Asbestos Operations and Maintenance (O&M) Program Update at MCO, for the total amount of \$12,975.75, which includes the not-to-exceed fee amount of \$12,582 and the not-to-exceed expense amount of \$393.75, with funding from Operations and Maintenance Funds (subject to adoption by the Aviation Authority Board of the FY 2024 Aviation Authority Budget, under separate item). Services will consist of conducting asbestos O&M program updates for the west portion of the Landside Terminal and Airsides 1 and 3, and will include, but are not limited to, performing periodic surveillance, supplemental sampling, project monitoring services, O&M manual update, and awareness training, as requested by the Aviation Authority. These services will be provided from October 1, 2023, through September 30, 2024. The Aviation Authority has reviewed the proposal from Terracon Consultants, Inc., and determined that Terracon Consultants, Inc. proposes 76.9% MWBE participation on this addendum, and certifies that Terracon Consultants, Inc. is in good standing as it relates to its small business participation. *[Reference PC Meeting held August 29, 2023, Agenda Item No. IV-J].*
- An Addendum for FY 2024 Technical Support, including Software Services, and Enhancements of the Asset Compliance Management Program at MCO, for the total amount of \$38,128, which includes the not-to-exceed fee amount of \$9,128 and the not-to-exceed expense amount of \$29,000, with funding from Operations and Maintenance Funds (subject to adoption by the Aviation Authority Board of the FY 2024 Aviation Authority Budget, under separate item). Services will include, but are not limited to, build on and improve previous functionality delivered to the Aviation Authority to provide a sustainable and scalable plan for managing the compliance assets and the associated inspection and regulatory reporting activities. These services will be provided from October 1, 2023, through September 30, 2024. The Aviation Authority has reviewed the proposal from Terracon Consultants, Inc., and determined that Terracon Consultants, Inc. proposes 76.1% MWBE participation on this addendum, and certifies that Terracon Consultants, Inc. is in good standing as it relates to its small business participation. *[Reference PC Meeting held August 29, 2023, Agenda Item No. IV-K].*
- An Addendum for FY 2024 City of Orlando Industrial User Discharge Permit (IUDP) Compliance Services at MCO, for the total amount of \$67,348, which includes the not-to-exceed fee amount of \$49,068 and the not-to-exceed expense amount of \$18,280, with funding from Operations and Maintenance Funds (subject to adoption by the Aviation Authority Board of the FY 2024 Aviation Authority Budget, under separate item). Services will include, but are not limited to, compliance sampling, analyses and reporting activities as required by the City of Orlando IUDP. The wastewater monitoring activities will be conducted at various lift stations at MCO. These services will be provided from October 1, 2023, through September 30, 2024. The Aviation Authority has

reviewed the proposal from Terracon Consultants, Inc., and determined that Terracon Consultants, Inc. proposes 2% MWBE participation on this addendum, and certifies that Terracon Consultants, Inc. is in good standing as it relates to its small business participation. *[Reference PC Meeting held August 29, 2023, Agenda Item No. IV-L].*

- An Addendum for FY 2024 Oil/Water Separator (OWS) Maintenance and Compliance Pump-Outs at MCO, for the total amount of \$78,654, which includes the not-to-exceed fee amount of \$29,584 and the not-to-exceed expense amount of \$49,070, with funding from Operations and Maintenance Funds (subject to adoption by the Aviation Authority Board of the FY 2024 Aviation Authority Budget, under separate item). Services will consist of conducting the OWS maintenance services and require quarterly maintenance of OWS pre-treatment devices needed to uphold compliance with the City of Orlando's Fats, Oils and Grease (FOG) Management Program for wastewater discharge. Quarterly maintenance and compliance reporting activities will occur at various MCO locations such as the Motor Pool Facility wash rack area, East Air Rescue Firefighting Facility (ARFF), West ARFF, the former AMI Leasing facility at Express Street, and the Terminal C area. These services will be provided from October 1, 2023, through September 30, 2024. The Aviation Authority has reviewed the proposal from Terracon Consultants, Inc., and determined that Terracon Consultants, Inc. proposes 1.8% MWBE participation on this addendum, and certifies that Terracon Consultants, Inc. is in good standing as it relates to its small business participation. *[Reference PC Meeting held August 29, 2023, Agenda Item No. IV-M].*
- An Addendum for FY 2024 On-Call Emergency Spill Response for Petroleum, Chemical or Sewer Discharges and Abandoned Drums at MCO, for the total amount of \$25,000, which includes the not-to-exceed fee amount of \$17,500 and the not-to-exceed expense amount of \$7,500, with funding from Operations and Maintenance Funds (subject to adoption by the Aviation Authority Board of the FY 2024 Aviation Authority Budget, under separate item). Services will consist of emergency spill response services on an as-needed basis. Scope of services will include, but is not limited to, quick and efficient management of emergency response (i.e., abandoned drums, petroleum, hazardous chemical or sewer) to land or water spills, with fully qualified emergency response crews available on a 24-hour, standby basis with the appropriate containment and cleanup equipment, which includes, but is not limited to, the necessary spill response vacuum trucks, backhoes, and sorbent materials. These services will be provided from October 1, 2023, through September 30, 2024. The Aviation Authority has reviewed the proposal from Terracon Consultants, Inc., and determined that Terracon Consultants, Inc. proposes 15% MWBE participation on this addendum, and certifies that Terracon Consultants, Inc. is in good standing as it relates to its small business participation. *[Reference PC Meeting held August 29, 2023, Agenda Item No. IV-N].*
- An Addendum for FY 2024 On-Call Petroleum Storage Tanks Systems Maintenance and Repair Services at MCO, for the total amount of \$60,000, which includes the not-to-exceed fee amount of \$15,000 and the not-to-exceed expense amount of \$45,000, with funding from Operations and Maintenance Funds (subject to adoption by the Aviation Authority Board of the FY 2024 Aviation Authority Budget, under separate item). Services will include, but are not limited to, compliance testing, maintenance, calibration and repair of the Aviation Authority aboveground and underground petroleum storage tank systems, ancillaries, electronic monitors and probes on an as-needed basis. Annual and triennial testing is required at Aviation Authority facilities to remain in compliance with state requirements and in preparation for inspections conducted annually by Orange County Environmental Protection Division Compliance Section. Additionally, services will enable Terracon Consultants, Inc. to quickly and efficiently respond to any maintenance or repair needs to keep petroleum product storage tank systems operational without interruption to MCO support systems. These services will be provided from October 1, 2023, through September 30, 2024. The Aviation Authority has reviewed the proposal from Terracon Consultants, Inc., and determined that Terracon Consultants, Inc. does not propose any small business participation because of the specialized scope of the required services. The Small Business Department certifies that Terracon Consultants, Inc. is in good standing as it relates to its small business participation on those addenda on which small business participation is required in its professional services agreement. *[Reference PC Meeting held August 29, 2023, Agenda Item No. IV-O].*

As these addenda will result in an aggregate increase to the Aviation Authority's Agreement with Terracon Consultants, Inc. exceeding \$250,000, Aviation Authority Board approval is required, as outlined in the memorandum.

## **SMALL BUSINESS**

Individual small business participation is included for each of the addenda listed above.

## **ALTERNATIVES**

None.

## **FISCAL IMPACT**

The fiscal impact is \$319,699.75. Funding is from Operations and Maintenance Funds (subject to adoption of the FY 2023 Aviation Authority Budget by the Aviation Authority Board under separate item).

## **RECOMMENDED ACTION**

It is respectfully requested that the Aviation Authority Board resolve to accept the recommendation of the Procurement Committee and approve Addenda to the Continuing Environmental Engineering Consulting Services Agreement with Terracon Consultants, Inc. for the following services, and authorize an Aviation Authority Officer or the Chief Executive Officer to execute the necessary documents following satisfactory review by legal counsel:
