INTRODUCTION

The Vehicle-For-Hire (VFH) V-Permit Holders and Drivers Handbook is a document prepared by the Greater Orlando Aviation Authority (GOAA) to facilitate easy operation of Vehicles-For-Hire (VFH) activities within the regulations established by the Orlando International Airport (OIA). It is intended to provide a brief summary of the regulations pertaining to the operation of vehicles permitted by GOAA and City of Orlando as VFH at OIA for easy reading and understanding.

The Ground Transportation Services (GTS) division under the Airport Operations department administers all commercial Ground Transportation activities, including permitting and compliance enforcement. At the City of Orlando, the Chief of Police and the VFH administrator and Inspector administer, enforce, regulate and interpret all aspects and provisions pertaining to VFH operations.

The reference documents for this handbook are GOAA’s ‘Ground Transportation Rules and Regulations’ and the City of Orlando’s ‘Chapter 55 – Regulation of Taxicabs, Limousines, Luxury passenger vehicles, Shuttles and other Vehicles-For-Hire’.

DISCLAIMER

It is a simplified, reduced content summary of some of the essential requirements contained in the GOAA Ground Transportation Rules and Regulations (GTRRs) and the City of Orlando’s Chapter 55. If any of the statements and procedures mentioned herein contradicts, contravenes, makes partial reference or omits a particular rule, regulation or requirement as per GOAA’s GTRRs and City Orlando’s Chapter 55, the rules, regulations or requirements as contained in the GTRRs and Chapter 55 SHALL supersede.
